AS ENACTED

THURSDAY, MARCH 29, 2018

FILED
DATE April 10, 2018
5:40pm
AT THE CLERK OF THE HOUSE OF REPRESENTATIVES
STATE OF KENTUCKY
BY R. Adler

1 AN ACT relating to retirement.

2 ***Be it enacted by the General Assembly of the Commonwealth of Kentucky:***

3 ➔Section 1. KRS 6.505 is amended to read as follows:

4 (1) (a) Each legislator in office on July 1, 1980, may within thirty (30) days after that
5 date, and any legislator thereafter taking office may within thirty (30) days
6 after the date thereof, elect to make monthly contributions to the Legislators'
7 Retirement Plan, in an amount equal to five percent (5%) of his monthly
8 creditable compensation, as defined in KRS 61.510(13), or the amount
9 specified by paragraph (d) of this subsection. The election shall be effective
10 to establish membership in the plan as of July 1, 1980, or as of the date from
11 which the thirty (30) day period is measured, as the case may be. Provided,
12 however, that any legislator who was in office on July 1, 1980, and who is in
13 office at the time he makes the election may, after the expiration of the thirty
14 (30) day period and until May 1, 1982, make the election, in which event he
15 shall pay to the Legislators' Retirement Plan, for the months between July 1,
16 1980, and the date of his election such sum as, when added to any member's
17 contribution by him that is transferred from another retirement system under
18 KRS 6.535, will equal the member's contribution required by this section. If
19 the member makes his election after February 1, 1981, he shall in addition pay
20 to the plan interest on the foregoing sum, at six percent (6%) per annum,
21 calculated as if the sum consisted of equal monthly payments, one (1) of
22 which was due at the end of each month between July 1, 1980, and the date
23 the election was made. The election shall be addressed to and filed with the
24 secretary of the Finance and Administration Cabinet and shall constitute an
25 authorization to the secretary to thereafter cause to be deducted from the
26 member's monthly creditable compensation an amount equal to five percent
27 (5%) thereof, as a voluntarily elected contribution by the member towards the

1 funding of the Legislators' Retirement Plan.

2 (b) 1. For a member who begins participating in the Legislators' Retirement
3 Plan prior to January 1, 2014, the election shall operate to create an
4 inviolable contract between such member and the Commonwealth,
5 guaranteeing to and vesting in the member the rights and benefits
6 provided for under KRS 6.515 to 6.530, except that the General
7 Assembly reserves the right to amend, reduce, or suspend any
8 legislative changes to the provisions of KRS 6.500 to 6.577 that
9 become effective on or after July 1, 2018.

10 2. a. For members who begin participating in the Legislators'
11 Retirement Plan on or after January 1, 2014, the General Assembly
12 reserves the right to amend, suspend, or reduce the benefits and
13 rights provided under KRS 6.500 to 6.577 if, in its judgment, the
14 welfare of the Commonwealth so demands, except that the amount
15 of benefits the member has accrued at the time of amendment,
16 suspension, or reduction shall not be affected.

17 b. For purposes of this subparagraph, the amount of benefits the
18 member has accrued at the time of amendment, suspension, or
19 reduction shall be limited to the accumulated account balance the
20 member has accrued at the time of amendment, suspension, or
21 reduction.

22 c. The provisions of this subsection shall not be construed to limit the
23 General Assembly's authority to change any other benefit or right
24 specified by KRS 6.500 to 6.577, for members who begin
25 participating in the Legislators' Retirement Plan on or after January
26 1, 2014, except the benefits specified by subparagraph 2.b. of this
27 paragraph.

3. The provisions of this paragraph shall not be construed to limit the General Assembly's authority to amend, reduce, or suspend the benefits and rights of members of the Legislators' Retirement Plan as provided by KRS 6.500 to 6.577 that the General Assembly had the authority to amend, reduce, or suspend, prior to July 1, 2013.

(c) An election once made under this section either to participate or not to participate in the Legislators' Retirement Plan, shall be considered to apply to all future service as a legislator *except as provided by Section 7 of this Act or subsection (3) of Section 8 of this Act*, whether in the same or a different office as a legislator, and whether or not it is in successive terms.

(d) Notwithstanding the provisions of this subsection:

1. A legislator who becomes a member of the Legislators' Retirement Plan on or after September 1, 2008, but prior to January 1, 2014, shall make monthly contributions to the Legislators' Retirement Plan in an amount equal to six percent (6%) of his monthly creditable compensation, as defined in KRS 61.510(13);~~and~~

2. A legislator who becomes a member of the Legislators' Retirement Plan on or after January 1, 2014, shall make monthly contributions to the Legislators' Retirement Plan in an amount equal to six percent (6%) of his or her monthly creditable compensation, as defined in KRS 61.510(13), of which:

a. Five percent (5%) of his or her monthly creditable compensation, as defined in KRS 61.510(13), shall be used to provide funding for benefits provided under KRS 21.402; and

b. One percent (1%) of his or her monthly creditable compensation, as defined in KRS 61.510(13), shall be used exclusively to help fund retiree health benefits as provided by KRS 6.577 and shall not

1 be refunded to the member if the member withdraws his or her
 2 accumulated account balance as provided by KRS 21.460. The
 3 amounts deducted under this subdivision shall be credited to an
 4 account established pursuant to 26 U.S.C. sec. 401(h), within the
 5 fund established by KRS 6.530.

6 (2) A legislator entitled to elect membership in the retirement system who failed to
 7 elect membership within thirty (30) days after taking office may elect membership
 8 not later than August 31, 2005. An election, upon being made pursuant to this
 9 section, shall operate to create an inviolable contract between the member entitled
 10 to elect membership under this subsection and the Commonwealth, guaranteeing to
 11 and vesting in the member the rights and benefits provided for under the terms and
 12 conditions of KRS 6.500 to 6.577, **except that the General Assembly reserves the**
 13 **right to amend, reduce, or suspend any legislative changes to the provisions of**
 14 **KRS 6.500 to 6.577 that become effective on or after July 1, 2018.**

15 (3) When any legislator makes a delayed election of membership in the Legislators'
 16 Retirement Plan under subsection (2) of this section, his active membership in the
 17 Kentucky Employees Retirement System shall terminate, as of the date his
 18 membership in the Legislators' Retirement Plan becomes effective, and any credit in
 19 the Kentucky Employees Retirement System, earned for service as a legislator,
 20 which he then has or which he subsequently regains while being an active member
 21 of the Legislators' Retirement Plan, shall be transferred to and counted as service
 22 credit in the Legislators' Retirement Plan, and shall no longer constitute credit in the
 23 Kentucky Employees Retirement System, except for the purpose of validating any
 24 other credit in that system if the member pays the difference, if any, between the
 25 amount transferred from the Kentucky Employees Retirement System and the
 26 actuarial value of the transferred service. However, any credit he then has in the
 27 Kentucky Employees Retirement System, earned for service in any capacity other

1 than a legislator, shall not be affected. No person may attain credit in more than one
2 (1) of the retirement plans or systems mentioned in this section for the same period
3 of service. When credit is transferred from the Kentucky Employees Retirement
4 System to the Legislators' Retirement Plan, the Kentucky Employees Retirement
5 System shall transfer to the Legislators' Retirement Fund an amount equal to the
6 employee's and employer's contributions attributable to that credit, together with
7 interest on the contributions from the date made to the date of transfer at the
8 actuarially assumed interest rate of the Kentucky Employees Retirement System in
9 effect at the time the contributions were made, compounded annually at that same
10 interest rate.

11 (4) The state shall, solely for the purpose of compliance with Section 414(h) of the
12 United States Internal Revenue Code, pick up the employee contributions required
13 by this section for all compensation earned after August 1, 1982, and the
14 contributions so picked up shall be treated as employer contributions in determining
15 tax treatment under the United States Internal Revenue Code and KRS 141.010(10).
16 The picked-up employee contribution shall satisfy all obligations to the retirement
17 system satisfied prior to August 1, 1982, by the employee contribution, and the
18 picked-up employee contribution shall be in lieu of an employee contribution. The
19 state shall pay these picked-up employee contributions from the same source of
20 funds which is used to pay earnings to the employee. The employee shall have no
21 option to receive the contributed amounts directly instead of having them paid by
22 the employer to the system. Employee contributions picked up after August 1, 1982,
23 shall be treated for all purposes of KRS 6.500 to 6.535 in the same manner and to
24 the same extent as employee contributions made prior to August 1, 1982.

25 (5) When any legislator elects membership in the Legislators' Retirement Plan in
26 accordance with this section, his active membership in the Kentucky Employees
27 Retirement System, State Police Retirement System, County Employees Retirement

1 System, or Teachers' Retirement System shall terminate, as of the date his
2 membership in the Legislators' Retirement Plan becomes effective, and any credit in
3 such other system or systems, earned for service as a legislator, which he then has or
4 which he subsequently regains while being an active member of the Legislators'
5 Retirement Plan, shall be transferred to and counted as service credit in the
6 Legislators' Retirement Plan, and shall no longer constitute credit in such other
7 retirement system except for the purpose of validating any other credit in that
8 system. However, any credit he then has in such other retirement system, earned for
9 service in any capacity other than a legislator, shall not be affected. No person may
10 attain credit in more than one (1) of the retirement plans or systems mentioned in
11 this section, for the same period of service.

- 12 (6) A member of the Legislators' Retirement Plan who would be entitled, under KRS
13 61.552, to repurchase credit in the Kentucky Employees Retirement System, for
14 previous service as a legislator, which credit had been lost by refund of
15 contributions, may pay the amount required by KRS 61.552 directly to the
16 Legislators' Retirement Plan and thereby obtain credit in that plan for such service,
17 rather than making payment to the Kentucky Employees Retirement System for
18 credit which would be transferred to the Legislators' Retirement Plan. In such event,
19 the Kentucky Employees Retirement System shall transfer to the Legislators'
20 Retirement Plan an amount equal to the employer's contributions that originally
21 were made to the Kentucky Employees Retirement System for the regained service
22 credit, with interest as provided in KRS 6.535. Six (6) months' current service shall
23 be required in the Legislators' Retirement Plan in order for the repurchased credit to
24 remain in force, the same as provided in KRS 61.552. Service purchased under this
25 subsection on or after January 1, 2014, shall not be used to determine the member's
26 participation date in the Legislators' Retirement Plan.

27 ➔Section 2. KRS 6.518 is amended to read as follows:

- 1 (1) For purposes of this section, "bona fide promotion or career advancement":
- 2 (a) Means a professional advancement in substantially the same line of work held
- 3 by the member in the four (4) years immediately prior to the final five (5)
- 4 annual years preceding retirement or a change in employment position based
- 5 on the training, skills, education, or expertise of the member that imposes a
- 6 significant change in job duties and responsibilities to clearly justify the
- 7 increased compensation to the member; and
- 8 (b) Does not include any circumstance in which a legislator participating in the
- 9 Legislators' Retirement Plan takes a position of employment with an employer
- 10 participating in any of the other state-administered retirement systems.
- 11 (2) (a) For members retiring on or after January 1, 2018, the plan shall, for each of
- 12 the retiring member's last five (5) annual years of service in the General
- 13 Assembly or with any employer participating in any of the state-administered
- 14 retirement systems, identify any annual year in which the creditable
- 15 compensation used to calculate benefits in the Legislators' Retirement Plan
- 16 increased at a rate of ten percent (10%) or more annually over the immediately
- 17 preceding annual year's creditable compensation.
- 18 (b) Except as limited or excluded by subsections (3) and (4) of this section, any
- 19 amount of increase in creditable compensation for an annual year identified
- 20 under paragraph (a) of this subsection that exceeds ten percent (10%) more
- 21 than the member's creditable compensation from the immediately preceding
- 22 annual year shall not be included in the creditable compensation used to
- 23 calculate the member's monthly pension benefits. If the creditable
- 24 compensation for a specific annual year identified under paragraph (a) of this
- 25 subsection as exceeding the ten percent (10%) increase limitation is not used
- 26 to calculate the retiring member's monthly pension benefits, then no reduction
- 27 in creditable compensation shall occur for that annual year. Reductions to

1 creditable compensation as provided by this paragraph shall include any
 2 creditable compensation used to calculate the retiring member's benefits,
 3 including creditable compensation earned in another state-administered
 4 retirement system.

5 (c) If the creditable compensation of the retiring member is reduced as provided
 6 by paragraph (b) of this subsection, the retirement system shall,
 7 notwithstanding KRS 21.460 and as applicable, refund the member
 8 contributions attributable to the reduction in creditable compensation.

9 (3) In order to ensure the prospective application of the limitations on increases in
 10 creditable compensation contained in subsection (2) of this section, only the
 11 creditable compensation earned by the retiring member on or after July 1, 2017,
 12 shall be subject to reduction under subsection (2) of this section. Creditable
 13 compensation earned by the retiring member prior to July 1, 2017, shall not be
 14 subject to reduction under subsection (2) of this section.

15 (4) Subsections (2) and (3) of this section shall not apply to increases that are the direct
 16 result of a bona fide promotion or career advancement.

17 (5) The Judicial Form Retirement System board of trustees shall determine whether
 18 increases in creditable compensation during the last five (5) annual years of
 19 employment prior to retirement constitute a bona fide promotion or career
 20 advancement and may promulgate administrative regulations in accordance with
 21 KRS Chapter 13A to administer this section. All state-administered retirement
 22 systems shall cooperate to implement this section.

23 (6) This section shall not apply to:

24 (a) Employees participating in the hybrid cash balance ~~plans~~~~[plan]~~ as provided by
 25 KRS 21.402 or Section 19 of this Act; or

26 (b) Service earned in the 401(a) money purchase plan as provided by Section 12
 27 of this Act.

1 ➔ Section 3. KRS 6.520 is amended to read as follows:

- 2 (1) A member of the Legislators' Retirement Plan who retires on or after his normal
3 retirement date shall receive a service retirement allowance, payable monthly during
4 his lifetime, in an amount per month equal to three and fifty one-hundredths percent
5 (3.50%) of his final compensation multiplied by the number of years of his service,
6 but in no event to exceed one hundred percent (100%) of final compensation. For
7 this purpose, "final compensation" means the average monthly creditable
8 compensation as determined in KRS 61.510(13) of the member for services as a
9 legislator for the three (3) years during which the member had the highest creditable
10 legislative compensation.
- 11 (2) A member shall have rights, with respect to retirement before reaching normal
12 retirement date in the Legislators' Retirement Plan, identical in terms with those
13 rights provided in KRS 21.400(2) and (3) in the Judicial Retirement Plan for
14 members of that plan, except that the reduction in a legislators' service retirement
15 allowance for early retirement shall be at the rate of five percent (5%) of the
16 allowance for each year that retirement precedes the normal retirement date.
- 17 (3) Subsections (1) and (2) of this section to the contrary notwithstanding, each
18 legislator in office on July 1, 1982, that is a member of the Legislators' Retirement
19 Plan, who retires on or after his normal retirement date, shall receive a service
20 retirement allowance, payable monthly, on a formula equal to that of a justice or
21 judge of the Court of Justice with an equivalent service entrance date, but in no
22 event less than that specified in subsection (1) of this section, of his final
23 compensation multiplied by the number of years of his service, but in no event to
24 exceed one hundred percent (100%) of his final compensation. For this purpose,
25 "final compensation" means the average monthly creditable compensation as
26 determined in KRS 61.510(13) of the three (3) years during which the member had
27 the highest creditable legislative compensation.

1 (4) Notwithstanding any other provision of KRS 6.500 to 6.577 or 21.345 to
 2 21.580~~[Subsections (1) and (2) of this section]~~ to the contrary~~[notwithstanding]~~, a
 3 member of the Legislators' Retirement Plan with a service entrance date after July 1,
 4 1982 but prior to January 1, 2014, who retires on or after his normal retirement date,
 5 shall receive a service retirement allowance, payable monthly during his lifetime, in
 6 an amount per month equal to:

7 (a) Two and seventy-five one-hundredths percent (2.75%) of his final
 8 compensation multiplied by the number of years of his service *accrued prior*
 9 *to January 1, 2019; and*
 10 (b) *One and ninety-seven one-hundredths percent (1.97%) of his or her final*
 11 *compensation multiplied by the number of years of his or her service*
 12 *accrued on or after January 1, 2019.*~~[, but]~~

13 In no event shall the benefit provided by this subsection~~[to]~~ exceed one hundred
 14 percent (100%) of final compensation. For this purpose, "final compensation"
 15 means the average monthly creditable compensation as determined in KRS
 16 61.510(13) of the member for services as a legislator for the three (3) years during
 17 which the member had the highest creditable legislative compensation.

18 (5) Subsections (1) to (4) of this section shall not apply to members who begin
 19 participating in the Legislators' Retirement Plan on or after January 1, 2014.

20 ➔Section 4. KRS 6.525 is amended to read as follows:

21 The Legislators' Retirement Plan shall be governed by KRS 21.560 and by provisions
 22 identical in terms with those provided in KRS 21.345(1), 21.345(3) to (6), 21.357,
 23 21.360(1), 21.370 to 21.410, 21.374, 21.420, 21.425, 21.450, 21.460, 21.470, 21.480,
 24 21.525, 21.540, and 61.552 for the Judicial Retirement Plan, except that:

25 (1) Five (5) years of service as a legislator will be sufficient for vesting; and
 26 (2) (a) A member of the Legislators' Retirement Plan may combine his service credit
 27 with his service credit in the Teachers' Retirement System, Kentucky

Employees Retirement System, County Employees Retirement System, and State Police Retirement System at the time of his retirement, according to the procedure of KRS 61.680(2)(a), except that the salary used to determine final compensation, if applicable, shall be based on the creditable compensation in KRS 61.510(13) for service while a member of the General Assembly whether or not a member of the Legislators' Retirement Plan.

- (b) 1. For members contributing on or after June 20, 2005 but prior to January 1, 2014, who have service credit in the State Police Retirement System, Kentucky Employees Retirement System, County Employees Retirement System, or Teachers' Retirement System prior to January 1, 2019: Upon retirement, a member's accounts under the Legislators' Retirement Plan, State Police Retirement System, Kentucky Employees Retirement System, County Employees Retirement System, and Teachers' Retirement System shall be consolidated for the purpose of determining eligibility and amount of benefits as provided in KRS 61.680(2)(a) and in the same manner as for the other retirement systems using the highest salary regardless of the system in which it was earned, except that any salary earned in the State Police Retirement System, Kentucky Employees Retirement System, County Employees Retirement System, or Kentucky Teachers' Retirement System on or after January 1, 2019, shall not be used to determine benefits in the Legislators' Retirement Plan.
2. The consolidation of accounts as provided by this paragraph shall not apply to accounts in the State Police Retirement System, the Kentucky Employees Retirement System, the County Employees Retirement System, and the Teachers' Retirement System, from which the member is receiving a retirement benefit.

1 3. For purposes of this paragraph, "retirement" means the month in which
 2 the member elects to begin receiving benefits or benefits become
 3 payable due to the member's death.

4 (c) A member who has an account in the Legislators' Retirement Plan and the
 5 Judicial Retirement Plan may combine his service in both plans for purposes
 6 of determining:

- 7 1. Eligibility and the amount of benefits; and
- 8 2. Final compensation, provided the member began participating in the
 9 Legislators' Retirement Plan prior to January 1, 2014, and except that
 10 any salary earned in the Judicial Retirement Plan on or after January
 11 1, 2019, shall not be used to determine final compensation in the
 12 Legislators' Retirement Plan.

13 (d) A member who began participating in the Legislators' Retirement Plan prior to
 14 January 1, 2014, may retire at the completion of twenty-seven (27) or more
 15 years of combined service credit, so long as at least fifteen (15) years of such
 16 credit were earned after January 1, 1960, and there shall be no reduction in the
 17 retirement allowance because of retirement before the age of sixty-five (65).

18 (e) For the purposes of this section, any reference in the KRS sections listed
 19 above to the Judicial Retirement Plan shall also be read as a reference to the
 20 Legislators' Retirement Plan, and any reference to the Legislators' Retirement
 21 Plan shall also be read as a reference to the Judicial Retirement Plan.

22 (3) Any other statute to the contrary notwithstanding, a member of any state-
 23 administered retirement system who has ceased to qualify for membership but
 24 subsequently returns to a qualified status, shall, for the purposes of determining the
 25 date of entry into the state-administered retirement system for the subsequent period
 26 or periods of service, be deemed to have never left the retirement system.

27 ➔Section 5. KRS 21.360 is amended to read as follows:

1 (1) (a) Each Judge of the District Court in office on July 1, 1978, may within thirty
2 (30) days after that date, and any judge or justice of any court entitled to be a
3 member thereafter taking office may within thirty (30) days after taking office,
4 elect to make monthly contributions to the retirement system in an amount
5 equal to:

6 1. Five percent (5%) of his or her monthly official salary, if the judge or
7 justice became a member of the Kentucky Judicial Retirement Plan prior
8 to September 1, 2008;

9 2. Six percent (6%) of his or her monthly official salary, if the judge or
10 justice became a member of the Kentucky Judicial Retirement Plan on
11 or after September 1, 2008, but prior to January 1, 2014; or

12 3. Six percent (6%) of his or her monthly official salary, if the judge or
13 justice who becomes a member of the Kentucky Judicial Retirement
14 Plan on or after January 1, 2014, which shall be used to fund benefits as
15 follows:

16 a. Five percent (5%) of the monthly official salary shall be used to
17 provide funding for benefits provided under KRS 21.402; and

18 b. One percent (1%) of the monthly official salary to be used
19 exclusively to help fund retiree health benefits as provided by KRS
20 21.427 and which shall not be refunded to the member if the
21 member withdraws his or her accumulated account balance as
22 provided by KRS 21.460. The deducted amounts under this
23 subdivision shall be credited to an account established pursuant to
24 26 U.S.C. sec. 401(h), within the fund established by KRS 21.347.

25 (b) The election shall be effective to establish membership in the system as of
26 July 1, 1978, or as of the date the judge or justice took office, as the case may
27 be. The election shall be addressed to and filed with the secretary of the

Finance and Administration Cabinet, and shall constitute an authorization by the member, to the secretary, to thereafter cause to be deducted from the member's official salary, each month, the amount required by paragraph (a) of this subsection, as a voluntary contribution by the member towards the funding of the retirement system. For a member who began contributing to the Judicial Retirement Plan prior to January 1, 2014, the contribution shall continue until the judge or justice is vested in a service retirement allowance equal to one hundred percent (100%) of final compensation. Thereafter employee contributions shall be discontinued but continued service and retirement benefits shall not be affected thereby.

(2) A judge or justice entitled to elect membership in the retirement system who failed to elect membership within thirty (30) days after taking office in 1980 or who elected membership in the Kentucky Employees Retirement System may elect membership not later than August 31, 2005. An election, upon being made pursuant to this section, shall operate to create an inviolable contract between the member entitled to elect membership under this subsection and the Commonwealth, guaranteeing to and vesting in the member the rights and benefits provided for under the terms and conditions of KRS 21.350 to 21.510, **except that the General Assembly reserves the right to amend, reduce, or suspend any legislative changes to the provisions of KRS 21.345 to 21.580 that become effective on or after July 1, 2018.**

(3) (a) When any judge makes a delayed election of membership in the Judicial Retirement Plan under subsection (2) of this section, his active membership in the Kentucky Employees Retirement System shall terminate, as of the date his membership in the Judicial Retirement Plan becomes effective, and any credit in the Kentucky Employees Retirement System, earned for service as a judge, which he then has or which he subsequently regains while being an active

1 member of the Judicial Retirement Plan, shall be transferred to and counted as
2 service credit in the Judicial Retirement Plan, and shall no longer constitute
3 credit in the Kentucky Employees Retirement System, except for the purpose
4 of validating any other credit in that system, if the member pays the
5 difference, if any, between the amount transferred from the Kentucky
6 Employees Retirement System and the actuarial value of the transferred
7 service.

8 (b) Any credit he then has in the Kentucky Employees Retirement System, earned
9 for service in any capacity other than a judge, shall not be affected.
10 Notwithstanding any provisions of KRS 61.680 to the contrary, final
11 compensation used to determine benefits for any service credit remaining in
12 the Kentucky Employees Retirement System shall be based on the highest
13 years of compensation as a judge whether the years occur before or after the
14 judge elects membership in the Judicial Retirement Plan.

15 (c) No person may attain credit in more than one (1) of the retirement plans or
16 systems mentioned in this section for the same period of service. When credit
17 is transferred from the Kentucky Employees Retirement System to the Judicial
18 Retirement Plan, the Kentucky Employees Retirement System shall transfer to
19 the Judicial Retirement Fund an amount equal to the employee's and
20 employer's contributions attributable to that credit, together with interest on
21 the contributions from the date made to the date of transfer at the actuarially-
22 assumed interest rate of the Kentucky Employees Retirement System in effect
23 at the time the contributions were made, compounded annually at that same
24 interest rate.

25 (4) Membership and benefit rights for judges and justices (other than Judges of the
26 District Court), and for the commissioners and administrative director, who took
27 office prior to July 1, 1978, shall be dependent upon valid elections having been

1 made under this section (and KRS 21.355 and 21.365) prior to the 1978 amendment
 2 to this section. The terms of such elections, including the contribution rate, shall
 3 continue to govern for the duration of the member's service.

19 pursuant to 38 U.S.C. ch. 43 not otherwise provided for in this
20 section, or grandfathered service as defined in paragraph (b) of this
21 subsection; or

22 3. Transferring funds to the systems through a direct trustee-to-trustee
23 transfer as permitted under the applicable sections of the Internal
24 Revenue Code and any regulations or rulings issued thereunder, through
25 a direct rollover as contemplated by and permitted under 26 U.S.C. sec.
26 401(a)(31) and any regulations or rulings issued thereunder, or through a
27 rollover of funds pursuant to and permitted under the rules specified in

1 26 U.S.C. secs. 402(c) and 408(d)(3). The Kentucky Retirement Systems
2 shall accept the transfer or rollover to the extent permitted under the
3 rules specified in the applicable provisions of the Internal Revenue Code
4 and any regulations and rulings issued thereunder.

5 (b) For purposes of this subsection, "grandfathered service" means service
6 purchases for which a member, whose membership date in the system is prior
7 to July 1, 1999, is eligible to purchase under KRS 16.505 to 16.652, 61.510 to
8 61.705, or 78.510 to 78.852, that were available for all members of the system
9 to purchase on August 5, 1997.

10 (c) 1. For service purchased under a before-tax or after-tax installment
11 purchase of service agreement as provided by paragraph (a)2. of this
12 subsection, the cost of the service shall be computed in the same manner
13 as for a lump-sum payment which shall be the principal, except that
14 interest compounded annually at the actuarial rate in effect at the time
15 the member elects to make the purchase shall be added for the period
16 that the installments are to be made.

17 2. Multiple service purchases may be combined under a single installment
18 agreement, except that no employee may make more than one (1)
19 installment purchase at the same time.

20 3. For after-tax installment purchase of service agreements, the employee
21 may elect to stop the installment payments by notifying the retirement
22 system; may have the installment purchase recalculated to add one (1) or
23 more additional service purchases; or may pay by lump sum the
24 remaining principal or a portion of the remaining principal.

25 4. Before-tax installment purchase of service agreements shall be
26 irrevocable, and the employee shall not be able to stop installment
27 payments or to pay off the remaining balance of the purchase of service

1 agreement, except upon termination of employment or death.

2 5. One (1) year of installment payments shall be made for each one
3 thousand dollars (\$1,000) or any part thereof of the total cost, except that
4 the total period allowed for installments shall not be less than one (1)
5 year and shall not exceed five (5) years.

6 6. The employee shall pay the installments by payroll deduction for after-
7 tax purchase of service agreements, and the employer shall pick up
8 installments for before-tax purchase of service agreements. Upon
9 notification by the retirement system, the employer shall report the
10 installment payments either monthly or semimonthly continuously over
11 each twelve (12) month period at the same time as, but separate from,
12 regular employee contributions on the forms or by the computer format
13 specified by the board.

14 7. The retirement system shall determine how much of the total cost
15 represents payment for one (1) month of the service to be purchased and
16 shall credit one (1) month of service to the member's account each time
17 this amount has been paid. The first service credited shall represent the
18 first calendar month of the service to be purchased and each succeeding
19 month of service credit shall represent the succeeding months of that
20 service.

21 8. If the employee utilizing an installment purchase of service agreement
22 dies, retires, does not continue employment in a position required to
23 participate in the retirement system, or elects to stop an after-tax
24 installment purchase of service agreement, the member, or in the case of
25 death, the beneficiary, shall have sixty (60) days to pay the remaining
26 principal or a portion of the remaining principal of the installment
27 purchase of service agreement by lump sum, subject to the restrictions of

1 paragraph (a)1. of this subsection, or by transfer of funds under
2 paragraph (a)3. of this subsection, except that payment by the member
3 shall be filed with the system prior to the member's effective retirement
4 date. If the member or beneficiary does not pay the remaining cost, the
5 retirement system shall refund to the member or the beneficiary the
6 payment, payments, or portion of a payment that does not represent a
7 full month of service purchased, except as provided by subsection (22)
8 of this section.

9 9. If the employer does not report installment payments on an employee for
10 sixty (60) days for an after-tax installment purchase of service
11 agreement, except in the case of employees on military leave or sick
12 leave without pay, the installment purchase shall cease and the
13 retirement system shall refund to the employee the payment, payments,
14 or portion of a payment that does not represent a full month of service
15 purchased.

16 10. Installment payments of employees on military leave or sick leave
17 without pay shall be suspended during the period of leave and shall
18 resume without recalculation upon the employee's return from leave.

19 11. If payments have ceased under subparagraph 8. or 9. of this paragraph
20 and the member later becomes a participating employee in one (1) of the
21 three (3) systems administered by Kentucky Retirement Systems, the
22 employee may complete the adjusted original installment purchase by
23 lump sum or installment payments, subject to the restrictions of this
24 subsection. If the employee elects to renew the installment purchase, the
25 cost of the remaining service shall be recalculated in accordance with
26 paragraph (a) of this subsection.

27 (d) Except as provided by paragraph (a)2.a. of this subsection, the cost of

1 purchasing service shall not be picked up, as described in KRS 16.545(4),
2 61.560(4), or 78.610(4), by the employer.

3 (e) The cost of purchasing service credit under any provision of this section,
4 except as provided by subsections (1) and (20) of this section, shall be
5 determined by the delayed contribution method as provided by KRS 61.5525.

6 (f) Member payments, including interest, properly received pursuant to this
7 subsection shall be deposited to the member's account and considered as
8 accumulated contributions of the individual member.

12 (60) months of service credit in systems administered by Kentucky Retirement
13 Systems may purchase service credit in the system in which the employee has the
14 service credit for up to ten (10) years service in a regular full-time position that was
15 credited to a state or local government-administered public defined benefit plan in
16 another state other than a defined benefit plan for teachers. The employee shall
17 provide proof that he is not eligible for a retirement benefit for the period of service
18 from the other state's plan.

18 (c) The annual normal retirement allowance for members of the General

- 19 of legislative service prior to the 1976 Regular Session are eligible for an

- 22 Retirement System thirty-five percent (35%) of the actuarial cost of the higher
- 23 benefit, as determined by the system, except that a former member with
- 24 sixteen (16) or more years of legislative service, or his beneficiary, who is
- 25 receiving a retirement allowance, also is eligible under this section and may
- 26 apply for a recomputation of his retirement allowance. The employer's share
- 27 of sixty-five percent (65%) of the computed actuarial cost shall be paid from

1 the State Treasury to the Kentucky Employees Retirement System upon
2 presentation of a properly documented claim to the Finance and

13 (2) (a) Upon service retirement prior to normal retirement date, a member may
14 receive an annual retirement allowance payable monthly during his lifetime
15 which shall be determined in the same manner as for retirement at his normal
16 retirement date with years of service and final compensation being determined
17 as of the date of his actual retirement, but the amount of the retirement
18 allowance so determined shall be reduced at an amount determined by the
19 board's actuary to reflect the earlier commencement of benefits.

20 (b) A member of the Kentucky Employees Retirement System or the County
21 Employees Retirement System who begins participating before September 1,
22 2008, who has twenty-seven (27) or more years of service credit, at least
23 fifteen (15) of which are current service, may retire with no reduction in the
24 retirement allowance. A member who begins participating before September
25 1, 2008, who has earned vested service credit in a retirement system, other
26 than the Teachers' Retirement System, sponsored by a Kentucky institution of
27 higher education, the Council on Postsecondary Education, or the Higher

Education Assistance Authority, may count the vested service toward attaining the necessary years of service credit as provided in KRS 61.559(2)(c) and (d) to qualify for a retirement allowance. The credit from a Kentucky institution of higher education, the Council on Postsecondary Education, or the Higher Education Assistance Authority shall not be used toward the minimum fifteen (15) years of current service required by KRS 61.559(2)(c) and (d) or to calculate his retirement allowance pursuant to this section. The provisions of this paragraph shall not be construed to limit the use of Teachers' Retirement System credit pursuant to KRS 61.680(2)(a).

(c) A member of the Kentucky Employees Retirement System or the County Employees Retirement System who begins participating on or after September 1, 2008, may retire with no reduction in benefits if the member is fifty-seven (57) years of age or older and has an age and years of service total of at least eighty-seven (87) years. The years of service used to determine eligibility for an unreduced retirement allowance under this paragraph shall only include years of service credited under KRS 16.543(1), 61.543(1), or 78.615(1) or another state-administered retirement system.

(3) Subsections (1) and (2) of this section shall not apply to members who begin participating in the system on or after January 1, 2014. Members who begin participating in the system on or after January 1, 2014, shall receive the retirement benefits prescribed by KRS 61.597 or Section 12 of this Act, as applicable.

➔Section 28. KRS 61.637 is amended to read as follows:

(1) A retired member who is receiving monthly retirement payments under any of the provisions of KRS 61.510 to 61.705 and 78.510 to 78.852 and who is reemployed as an employee by a participating agency prior to August 1, 1998, shall have his retirement payments suspended for the duration of reemployment. Monthly payments shall not be suspended for a retired member who is reemployed if he

1 anticipates that he will receive less than the maximum permissible earnings as
2 provided by the Federal Social Security Act in compensation as a result of
3 reemployment during the calendar year. The payments shall be suspended at the
4 beginning of the month in which the reemployment occurs.

5 (2) Employer and employee contributions shall be made as provided in KRS 61.510 to
6 61.705 and 78.510 to 78.852 on the compensation paid during reemployment,
7 except where monthly payments were not suspended as provided in subsection (1)
8 of this section or would not increase the retired member's last monthly retirement
9 allowance by at least one dollar (\$1), and the member shall be credited with
10 additional service credit.

11 (3) In the month following the termination of reemployment, retirement allowance
12 payments shall be reinstated under the plan under which the member was receiving
13 payments prior to reemployment.

14 (4) (a) Notwithstanding the provisions of this section, the payments suspended in
15 accordance with subsection (1) of this section shall be paid retroactively to the
16 retired member, or his estate, if he does not receive more than the maximum
17 permissible earnings as provided by the Federal Social Security Act in
18 compensation from participating agencies during any calendar year of
19 reemployment.

20 (b) If the retired member is paid suspended payments retroactively in accordance
21 with this section, employee contributions deducted during his period of
22 reemployment, if any, shall be refunded to the retired employee, and no
23 service credit shall be earned for the period of reemployment.

24 (c) If the retired member is not eligible to be paid suspended payments for his
25 period of reemployment as an employee, his retirement allowance shall be
26 recomputed under the plan under which the member was receiving payments
27 prior to reemployment as follows:

- 1 1. The retired member's final compensation shall be recomputed using
2 creditable compensation for his period of reemployment; however, the
3 final compensation resulting from the recalculation shall not be less than
4 that of the member when his retirement allowance was last determined;
 - 5 2. If the retired member initially retired on or subsequent to his normal
6 retirement date, his retirement allowance shall be recomputed by using
7 the formula in KRS 61.595(1);
 - 8 3. If the retired member initially retired prior to his normal retirement date,
9 his retirement allowance shall be recomputed using the formula in KRS
10 61.595(2), except that the member's age used in computing benefits shall
11 be his age at the time of his initial retirement increased by the number of
12 months of service credit earned for service performed during
13 reemployment;
 - 14 4. The retirement allowance payments resulting from the recomputation
15 under this subsection shall be payable in the month following the
16 termination of reemployment in lieu of payments under subparagraph 3.
17 The member shall not receive less in benefits as a result of the
18 recomputation than he was receiving prior to reemployment or would
19 receive as determined under KRS 61.691; and
 - 20 5. Any retired member who was reemployed prior to March 26, 1974, shall
21 begin making contributions to the system in accordance with the
22 provisions of this section on the first day of the month following March
23 26, 1974.
- 24 (5) A retired member, or his estate, shall pay to the retirement fund the total amount of
25 payments which are not suspended in accordance with subsection (1) of this section
26 if the member received more than the maximum permissible earnings as provided
27 by the Federal Social Security Act in compensation from participating agencies

1 during any calendar year of reemployment, except the retired member or his estate
2 may repay the lesser of the total amount of payments which were not suspended or
3 fifty cents (\$0.50) of each dollar earned over the maximum permissible earnings
4 during reemployment if under age sixty-five (65), or one dollar (\$1) for every three
5 dollars (\$3) earned if over age sixty-five (65).

6 (6) (a) "Reemployment" or "reinstatement" as used in this section shall not include a
7 retired member who has been ordered reinstated by the Personnel Board under
8 authority of KRS 18A.095.

9 (b) A retired member who has been ordered reinstated by the Personnel Board
10 under authority of KRS 18A.095 or by court order or by order of the Human
11 Rights Commission and accepts employment by an agency participating in the
12 Kentucky Employees Retirement System or County Employees Retirement
13 System shall void his retirement by reimbursing the system in the full amount
14 of his retirement allowance payments received.

15 (7) (a) Effective August 1, 1998, the provisions of subsections (1) to (4) of this
16 section shall no longer apply to a retired member who is reemployed in a
17 position covered by the same retirement system from which the member
18 retired. Reemployed retired members shall be treated as new members upon
19 reemployment. Any retired member whose reemployment date preceded
20 August 1, 1998, who does not elect, within sixty (60) days of notification by
21 the retirement systems, to remain under the provisions of subsections (1) to
22 (4) of this section shall be deemed to have elected to participate under this
23 subsection.

24 (b) A retired member whose disability retirement was discontinued pursuant to
25 KRS 61.615 and who is reemployed in one (1) of the systems administered by
26 the Kentucky Retirement Systems prior to his or her normal retirement date
27 shall have his or her accounts combined upon termination for determining

1 eligibility for benefits. If the member is eligible for retirement, the member's
2 service and creditable compensation earned as a result of his or her
3 reemployment shall be used in the calculation of benefits, except that the
4 member's final compensation shall not be less than the final compensation last
5 used in determining his or her retirement allowance. The member shall not
6 change beneficiary or payment option designations. This provision shall apply
7 to members reemployed on or after August 1, 1998.

8 (8) A retired member or his employer shall notify the retirement system if he has
9 accepted employment or is serving as a volunteer with an employer that participates
10 in the retirement system from which the member retired. The retired member and
11 the participating employer shall submit the information required or requested by the
12 systems to confirm the individual's employment or volunteer status.

13 (9) If the retired member is under a contract, the member shall submit a copy of that
14 contract to the retirement system, and the retirement system shall determine if the
15 member is an independent contractor for purposes of retirement benefits. The
16 retired member and the participating employer shall submit the information required
17 or requested by the systems to confirm the individual's employment or volunteer
18 status.

19 (10) If a member is receiving a retirement allowance, or has filed the forms required for
20 a retirement allowance, and is employed within one (1) month of the member's
21 initial retirement date in a position that is required to participate in the same
22 retirement system from which the member retired, the member's retirement shall be
23 voided and the member shall repay to the retirement system all benefits received.
24 The member shall contribute to the member account established for him prior to his
25 voided retirement. The retirement allowance for which the member shall be eligible
26 upon retirement shall be determined by total service and creditable compensation.

27 (11) (a) If a member of the Kentucky Employees Retirement System retires from a

1 department which participates in more than one (1) retirement system and is
2 reemployed within one (1) month of his initial retirement date by the same
3 department in a position participating in another retirement system, the retired
4 member's retirement allowance shall be suspended for the first month of his
5 retirement and the member shall repay to the retirement system all benefits
6 received for the month.

7 (b) A retired member of the County Employees Retirement System who after
8 initial retirement is hired by the county from which the member retired shall
9 be considered to have been hired by the same employer.

10 (12) (a) If a hazardous member who retired prior to age fifty-five (55), or a
11 nonhazardous member who retired prior to age sixty-five (65), is reemployed
12 within six (6) months of the member's termination by the same employer, the
13 member shall obtain from his previous and current employers a copy of the
14 job description established by the employers for the position and a statement
15 of the duties performed by the member for the position from which he retired
16 and for the position in which he has been reemployed.

17 (b) The job descriptions and statements of duties shall be filed with the retirement
18 office.

19 (13) If the retirement system determines that the retired member has been employed in a
20 position with the same principal duties as the position from which the member
21 retired:

22 (a) The member's retirement allowance shall be suspended during the period that
23 begins on the month in which the member is reemployed and ends six (6)
24 months after the member's termination;

25 (b) The retired member shall repay to the retirement system all benefits paid from
26 systems administered by Kentucky Retirement Systems under reciprocity,
27 including medical insurance benefits, that the member received after

1 reemployment began;

2 (c) Upon termination, or subsequent to expiration of the six (6) month period
3 from the date of termination, the retired member's retirement allowance based
4 on his initial retirement account shall no longer be suspended and the member
5 shall receive the amount to which he is entitled, including an increase as
6 provided by KRS 61.691;

7 (d) Except as provided in subsection (7) of this section, if the position in which a
8 retired member is employed after initial retirement is a regular full-time
9 position, the retired member shall contribute to a second member account
10 established for him in the retirement system. Service credit gained after the
11 member's date of reemployment shall be credited to the second member
12 account; and

13 (e) Upon termination, the retired member shall be entitled to benefits payable
14 from his second retirement account.

15 (14) (a) If the retirement system determines that the retired member has not been
16 reemployed in a position with the same principal duties as the position from
17 which he retired, the retired member shall continue to receive his retirement
18 allowance.

19 (b) If the position is a regular full-time position, the member shall contribute to a
20 second member account in the retirement system.

21 (15) (a) If a retired member is reemployed at least one (1) month after initial
22 retirement in a different position, or at least six (6) months after initial
23 retirement in the same position, and prior to normal retirement age, the retired
24 member shall contribute to a second member account in the retirement system
25 and continue to receive a retirement allowance from the first member account.

26 (b) Service credit gained after reemployment shall be credited to the second
27 member account. Upon termination, the retired member shall be entitled to

1 benefits payable from the second member account.

2 (16) A retired member who is reemployed and contributing to a second member account
3 shall not be eligible to purchase service credit under any of the provisions of KRS
4 16.505 to 16.652, 61.510 to 61.705, or 78.510 to 78.852 which he was eligible to
5 purchase prior to his initial retirement.

6 (17) Notwithstanding any provision of subsections (1) to (7)(a) and (10) to (15) of this
7 section, the following shall apply to retired members who retired prior to January
8 1, 2019, and who are reemployed by an agency participating in one (1) of the
9 systems administered by Kentucky Retirement Systems on or after September 1,
10 2008:

11 (a) Except as provided by paragraphs (c) and (d) of this subsection, if a member is
12 receiving a retirement allowance from one (1) of the systems administered by
13 Kentucky Retirement Systems, or has filed the forms required to receive a
14 retirement allowance from one (1) of the systems administered by Kentucky
15 Retirement Systems, and is employed in a regular full-time position required
16 to participate in one (1) of the systems administered by Kentucky Retirement
17 Systems or is employed in a position that is not considered regular full-time
18 with an agency participating in one (1) of the systems administered by
19 Kentucky Retirement Systems within three (3) months following the member's
20 initial retirement date, the member's retirement shall be voided, and the
21 member shall repay to the retirement system all benefits received, including
22 any health insurance benefits. If the member is returning to work in a regular
23 full-time position required to participate in one (1) of the systems
24 administered by Kentucky Retirement Systems:

25 1. The member shall contribute to a member account established for him or
26 her in one (1) of the systems administered by Kentucky Retirement
27 Systems, and employer contributions shall be paid on behalf of the

1 member by the participating employer; and

2 2. Upon subsequent retirement, the member shall be eligible for a
3 retirement allowance based upon total service and creditable
4 compensation, including any additional service or creditable
5 compensation earned after his or her initial retirement was voided;

6 (b) Except as provided by paragraphs (c) and (d) of this subsection, if a member is
7 receiving a retirement allowance from one (1) of the systems administered by
8 Kentucky Retirement Systems and is employed in a regular full-time position
9 required to participate in one (1) of the systems administered by Kentucky
10 Retirement Systems after a three (3) month period following the member's
11 initial retirement date, the member may continue to receive his or her
12 retirement allowance during the period of reemployment subject to the
13 following provisions:

14 1. Both the employee and participating agency shall certify in writing on a
15 form prescribed by the board that no prearranged agreement existed
16 between the employee and agency prior to the employee's retirement for
17 the employee to return to work with the participating agency. If an
18 elected official is reelected to a new term of office in the same position
19 and retires following the election but prior to taking the new term of
20 office, he or she shall be deemed by the system as having a prearranged
21 agreement under the provisions of this subparagraph and shall have his
22 or her retirement voided. If the participating agency or employer fail to
23 complete the certification, the member's retirement shall be voided and
24 the provisions of paragraph (a) of this subsection shall apply to the
25 member and the employer;

26 2. Notwithstanding any other provision of KRS Chapter 16, 61, or 78 to
27 the contrary, the member shall not contribute to the systems and shall

1 not earn any additional benefits for any work performed during the
2 period of reemployment;

3 3. Except as provided by KRS 70.291 to 70.293 and 95.022, the employer
4 shall pay employer contributions as specified by KRS 61.565 and 61.702
5 on all creditable compensation earned by the employee during the period
6 of reemployment. The additional contributions paid shall be used to
7 reduce the unfunded actuarial liability of the systems; and

8 4. Except as provided by KRS 70.291 to 70.293 and 95.022, the employer
9 shall be required to reimburse the systems for the cost of the health
10 insurance premium paid by the systems to provide coverage for the
11 retiree, not to exceed the cost of the single premium. Effective July 1,
12 2015, local school boards shall not be required to pay the reimbursement
13 required by this subparagraph for retirees employed by the board for
14 eighty (80) days or less during the fiscal year;

15 (c) If a member is receiving a retirement allowance from the State Police
16 Retirement System or from hazardous duty retirement coverage with the
17 Kentucky Employees Retirement System or the County Employees Retirement
18 System, or has filed the forms required to receive a retirement allowance from
19 the State Police Retirement System or from hazardous duty retirement
20 coverage with the Kentucky Employees Retirement System or the County
21 Employees Retirement System, and is employed in a regular full-time position
22 required to participate in the State Police Retirement System or in a hazardous
23 duty position with the Kentucky Employees Retirement System or the County
24 Employees Retirement System within one (1) month following the member's
25 initial retirement date, the member's retirement shall be voided, and the
26 member shall repay to the retirement system all benefits received, including
27 any health insurance benefits. If the member is returning to work in a regular

1 full-time position required to participate in one (1) of the systems
2 administered by Kentucky Retirement Systems:

- 3 1. The member shall contribute to a member account established for him or
4 her in one (1) of the systems administered by Kentucky Retirement
5 Systems, and employer contributions shall be paid on behalf of the
6 member by the participating employer; and
- 7 2. Upon subsequent retirement, the member shall be eligible for a
8 retirement allowance based upon total service and creditable
9 compensation, including any additional service or creditable
10 compensation earned after his or her initial retirement was voided;

11 (d) If a member is receiving a retirement allowance from the State Police
12 Retirement System or from hazardous duty retirement coverage with the
13 Kentucky Employees Retirement System or the County Employees Retirement
14 System and is employed in a regular full-time position required to participate
15 in the State Police Retirement System or in a hazardous duty position with the
16 Kentucky Employees Retirement System or the County Employees Retirement
17 System after a one (1) month period following the member's initial retirement
18 date, the member may continue to receive his or her retirement allowance
19 during the period of reemployment subject to the following provisions:

- 20 1. Both the employee and participating agency shall certify in writing on a
21 form prescribed by the board that no prearranged agreement existed
22 between the employee and agency prior to the employee's retirement for
23 the employee to return to work with the participating agency. If an
24 elected official is reelected to a new term of office in the same position
25 and retires following the election but prior to taking the new term of
26 office, he or she shall be deemed by the system as having a prearranged
27 agreement under the provisions of this subparagraph and shall have his

1 or her retirement voided. If the participating agency or employer fail to
2 complete the certification, the member's retirement shall be voided and
3 the provisions of paragraph (c) of this subsection shall apply to the
4 member and the employer;

5 2. Notwithstanding any other provision of KRS Chapter 16, 61, or 78 to
6 the contrary, the member shall not contribute to the systems and shall
7 not earn any additional benefits for any work performed during the
8 period of reemployment;

9 3. Except as provided by KRS 70.291 to 70.293 and 95.022, the employer
10 shall pay employer contributions as specified by KRS 61.565 and 61.702
11 on all creditable compensation earned by the employee during the period
12 of reemployment. The additional contributions paid shall be used to
13 reduce the unfunded actuarial liability of the systems; and

14 4. Except as provided by KRS 70.291 to 70.293 and 95.022, the employer
15 shall be required to reimburse the systems for the cost of the health
16 insurance premium paid by the systems to provide coverage for the
17 retiree, not to exceed the cost of the single premium;

18 (e) Notwithstanding paragraphs (a) to (d) of this subsection, a retired member
19 who qualifies as a volunteer for an employer participating in one (1) of the
20 systems administered by Kentucky Retirement Systems and who is receiving
21 reimbursement of actual expenses, a nominal fee for his or her volunteer
22 services, or both, shall not be considered an employee of the participating
23 employer and shall not be subject to paragraphs (a) to (d) of this subsection if:

24 1. Prior to the retired member's most recent retirement date, he or she did
25 not receive creditable compensation from the participating employer in
26 which the retired member is performing volunteer services;

27 2. Any reimbursement or nominal fee received prior to the retired

1 member's most recent retirement date has not been credited as creditable
2 compensation to the member's account or utilized in the calculation of
3 the retired member's benefits;

- 4 3. The retired member has not purchased or received service credit under
5 any of the provisions of KRS 61.510 to 61.705 or 78.510 to 78.852 for
6 service with the participating employer for which the retired member is
7 performing volunteer services; and
- 8 4. Other than the status of volunteer, the retired member does not become
9 an employee, leased employee, or independent contractor of the
10 employer for which he or she is performing volunteer services for a
11 period of at least twenty-four (24) months following the retired
12 member's most recent retirement date.

13 If a retired member, who provided volunteer services with a participating
14 employer under this paragraph violates any provision of this paragraph, then
15 he or she shall be deemed an employee of the participating employer as of the
16 date he or she began providing volunteer services and both the retired member
17 and the participating employer shall be subject to paragraphs (a) to (d) of this
18 subsection for the period of volunteer service; and

- 19 (f) Notwithstanding any provision of this section, any mayor or member of a city
20 legislative body who has not participated in the County Employees Retirement
21 System prior to retirement, but who is otherwise eligible to retire from the
22 Kentucky Employees Retirement System or the State Police Retirement
23 System, shall not be:

- 24 1. Required to resign from his or her position as mayor or as a member of
25 the city legislative body in order to begin drawing benefits from the
26 Kentucky Employees Retirement System or the State Police Retirement
27 System; or

2. Subject to any provision of this section as it relates solely to his or her service as a mayor or member of the city legislative body.

(18) Notwithstanding any provision of subsections (1) to (7)(a) and (10) to (17) of this section, the following shall apply to retired members, retirees, or annuitants of the systems or plans administered by the Kentucky Retirement Systems, the Judicial Form Retirement System, and the Teachers' Retirement System, who retire and begin drawing a retirement allowance on or after January 1, 2019, and are reemployed on or after January 1, 2019, by an agency participating in the systems administered by the Kentucky Retirement Systems:

(a) Except as provided by paragraphs (c) and (d) of this subsection, if a retired member is receiving a retirement allowance from the systems administered by the Kentucky Retirement Systems and is reemployed in any position with an agency participating in any of the systems administered by the Kentucky Retirement Systems, regardless of whether or not the position is considered regular full-time under KRS 61.510(21), 78.510(21), or paragraph (g) of this subsection, within a three (3) month period following the member's initial retirement date from the systems, the member's retirement shall be voided and the member shall repay to the system all benefits received, including any health insurance benefits. If the member's retirement is voided as provided by this paragraph and the member has returned to work in a position that is considered a regular full-time position in the systems administered by Kentucky Retirement Systems as defined in KRS 61.510(21) or 78.510(21), as applicable:

1. The member shall contribute to a member account established for him or her in one (1) of the systems administered by the Kentucky Retirement Systems and employer contributions shall be paid on behalf of the member by the participating employer; and

1 2. Upon subsequent retirement, the member shall be eligible for a
2 retirement allowance based upon total service, accumulated account
3 balance, and creditable compensation, including any additional
4 service, creditable compensation, or accumulated account balance
5 earned after his or her initial retirement was voided, subject to the
6 limitations of Section 4, 7, 12, or 38 of this Act;

7 (b) Except as provided by paragraphs (c) and (d) of this subsection, if a retired
8 member, annuitant, or retiree is receiving a retirement allowance from the
9 systems administered by the Kentucky Retirement Systems and is
10 reemployed or elected to a position with an agency participating in the
11 systems administered by the Kentucky Retirement Systems after a three (3)
12 month period following the member's initial retirement date from the
13 system:

14 1. Both the employee and participating agency shall certify in writing on
15 a form prescribed by the board that no prearranged agreement existed
16 between the employee and agency prior to the employee's retirement
17 for the employee to return to work with the participating agency. If an
18 elected official is reelected to a new term of office in the same position
19 and retires following the election but prior to taking the new term of
20 office, he or she shall be deemed by the system as having a
21 prearranged agreement under the provisions of this subparagraph and
22 shall have his or her retirement voided. If the participating agency or
23 employer fails to complete the certification, the member's retirement
24 shall be voided and the provisions of paragraph (a) of this subsection
25 shall apply to the member and the employer;

26 2. The member shall not contribute to the systems and shall not earn any
27 additional benefits for any work performed during the period of

1 reemployment;

2 3. The retired member may continue to draw his or her retirement
3 allowance during the period of reemployment if:

4 a. The period of reemployment is not considered regular full-time
5 as defined by paragraph (g) of this subsection; or

6 b. The period of reemployment is considered regular full-time but
7 the member has not returned to reemployment for at least a
8 twelve (12) month period following his or her initial retirement.

9 If the member returns to reemployment in a regular full-time
10 position after a three (3) month but prior to a twelve (12) month
11 period following his or her initial retirement, then the member's
12 retirement allowance shall be suspended until twelve (12)
13 months following his or her initial retirement; and

14 4. The employer shall pay the employer normal cost contributions as
15 specified by subsection (1)(b) of Section 18 of this Act and Section 30
16 of this Act, on all creditable compensation earned by the employee
17 during the period of regular full-time reemployment, based upon the
18 system in which the member is reemployed. The employer normal cost
19 contributions shall be payable on the employee's behalf for the period
20 of regular full-time reemployment and shall be used to pay down the
21 unfunded liability of the systems;

22 (c) If a member is receiving a retirement allowance from the State Police
23 Retirement System or from hazardous duty retirement coverage with the
24 Kentucky Employees Retirement System or the County Employees
25 Retirement System or is a certified peace officer as provided in KRS
26 Chapter 15, and is reemployed in any position with an agency participating
27 in the systems or plans administered by the Kentucky Retirement Systems,

1 regardless of whether or not the position is considered regular full-time
 2 under KRS 61.510(21), 78.510(21), or paragraph (g) of this subsection,
 3 within a one (1) month period following the member's initial retirement
 4 date from the system, the member's retirement shall be voided and the
 5 member shall repay to the system or plan all benefits received, including
 6 any health insurance benefits. If the member's retirement is voided as
 7 provided by this paragraph and the member has returned to work in a
 8 position that qualifies for participation in a position that is considered a
 9 regular full-time position in the systems administered by Kentucky
 10 Retirement Systems as defined in KRS 61.510(21) or 78.510(21), as
 11 applicable:

- 12 1. The member shall contribute to a member account established for him
 13 or her in one (1) of the systems administered by the Kentucky
 14 Retirement Systems and employer contributions shall be paid on
 15 behalf of the member by the participating employer; and
- 16 2. Upon subsequent retirement, the member shall be eligible for a
 17 retirement allowance based upon total service, accumulated account
 18 balance, and creditable compensation, including any additional
 19 service, creditable compensation, or accumulated account balance
 20 earned after his or her initial retirement was voided, subject to the
 21 limitations of Section 4, 7, 12, or 38 of this Act;

22 (d) If a member is receiving a retirement allowance from the State Police
 23 Retirement System or from hazardous duty retirement coverage with the
 24 Kentucky Employees Retirement System or the County Employees
 25 Retirement System or is a certified peace officer as provided in KRS
 26 Chapter 15, and is reemployed with an agency participating in the systems
 27 administered by the Kentucky Retirement Systems after a one (1) month

1 period following the member's initial retirement date from the system, the
2 member may continue to receive his or her retirement allowance during the
3 period of reemployment subject to the following provisions:

4 1. Both the employee and participating agency shall certify in writing on
5 a form prescribed by the board that no prearranged agreement existed
6 between the employee and agency prior to the employee's retirement
7 for the employee to return to work with the participating agency. If an
8 elected official is reelected to a new term of office in the same position
9 and retires following the election but prior to taking the new term of
10 office, he or she shall be deemed by the system as having a
11 prearranged agreement under the provisions of this subparagraph and
12 shall have his or her retirement voided. If the participating agency or
13 employer fails to complete the certification, the member's retirement
14 shall be voided and the provisions of paragraph (c) of this subsection
15 shall apply to the member and the employer;

16 2. The member shall not contribute to the systems and shall not earn any
17 additional benefits for any work performed during the period of
18 reemployment; and

19 3. The employer shall pay the employer normal cost contributions as
20 specified by subsection (1)(b) of Section 18 of this Act and Section 30
21 of this Act on all creditable compensation earned by the employee
22 during the period of regular full-time reemployment, based upon the
23 system in which the member is reemployed. The employer normal cost
24 contributions shall be payable on the employee's behalf for the period
25 of regular full-time reemployment and shall be used to pay down the
26 unfunded liability of the systems;

27 (e) Notwithstanding paragraphs (a) to (d) of this subsection, a retired member

who qualifies as a volunteer for an employer participating in one (1) of the systems administered by Kentucky Retirement Systems and who is receiving reimbursement of actual expenses, a nominal fee for his or her volunteer services, or both, shall not be considered an employee of the participating employer and shall not be subject to paragraphs (a) to (d) of this subsection if:

1. Prior to the retired member's most recent retirement date, he or she did not receive creditable compensation from the participating employer for which the retired member is performing volunteer services;
2. Any reimbursement or nominal fee received prior to the retired member's most recent retirement date has not been credited as creditable compensation to the member's account or utilized in the calculation of the retired member's benefits;
3. The retired member has not purchased or received service credit under any of the provisions of KRS 61.510 to 61.705 or 78.510 to 78.852 for service with the participating employer for which the retired member is performing volunteer services; and
4. Other than the status of volunteer, the retired member does not become an employee, leased employee, or independent contractor of the employer for which he or she is performing volunteer services for a period of at least twenty-four (24) months following the retired member's most recent retirement date.

If a retired member, who provided volunteer services with a participating employer under this paragraph violates any provision of this paragraph, then he or she shall be deemed an employee of the participating employer as of the date he or she began providing volunteer services, and both the

retired member and the participating employer shall be subject to paragraphs (a) to (d) of this subsection for the period of volunteer service;

(f) Notwithstanding any provision of this section, any mayor or member of a city legislative body who has not participated in the County Employees Retirement System prior to retirement, but who is otherwise eligible to retire from the Kentucky Employees Retirement System or the State Police Retirement System, shall not be:

1. Required to resign from his or her position as mayor or as a member of the city legislative body in order to begin drawing benefits from the Kentucky Employees Retirement System or the State Police Retirement System; or

2. Subject to any provision of this section as it relates solely to his or her service as a mayor or member of the city legislative body; and

(g) For purposes of this subsection, "regular full-time" shall mean any position that requires an average of one hundred (100) or more hours per month over a calendar or fiscal year basis, except that in the case of classified school board employees it shall be more than one hundred (100) days of work during the fiscal year. Interim, temporary, or seasonal positions as defined and time limited by subsection (21) of Section 14 of this Act or subsection (21) of Section 15 of this Act shall not be considered regular full-time.

(h) Notwithstanding any other provision of KRS Chapter 16, 61, or 78 to the contrary, an individual who retires and begins drawing a retirement allowance from one (1) or more of the systems or plans administered by the Teachers' Retirement System or the Judicial Form Retirement System on or after January 1, 2019, who is reemployed with an agency participating in one (1) of the systems administered by Kentucky Retirement Systems, shall

not be eligible to earn benefits in the Kentucky Employees Retirement System, County Employees Retirement System, or the State Police Retirement System for reemployment that occurs on or after January 1, 2019.

➔Section 29. KRS 61.680 is amended to read as follows:

Except as limited by Section 4, 7, 12, or 38 of this Act:

(1) Prior to August 1, 1982, every employee shall be deemed to consent and agree to any deduction from his compensation required by KRS 6.500 to 6.535, 16.505 to 16.652, 61.510 to 61.692, 78.510 to 78.852, and to all other provisions thereof. Thereafter, employee contributions shall be picked up by the employer pursuant to KRS 61.560(4).

(2) (a) Notwithstanding any other provisions of KRS 6.500 to 6.535, 16.505 to 16.652, 61.510 to 61.692, 78.510 to 78.852 and 161.220 to 161.714:

1. Upon death, disability, or service retirement, a member's accounts under the Legislators' Retirement Plan, State Police Retirement System, Kentucky Employees Retirement System, County Employees Retirement System, and Teachers' Retirement System, except for service prohibited by KRS 161.623(2), shall be consolidated for the purpose of determining eligibility and amount of benefits, including those members who participate in the hybrid cash balance plan or 401(a) money purchase plans within the Kentucky Employees Retirement System, the County Employees Retirement System, ~~and the State Police Retirement System,~~ or the Teachers' Retirement System ~~[on or after January 1, 2014];~~

2. Vested service credit in a retirement system, other than the Teachers' Retirement System, sponsored by a Kentucky institution of higher education and accepted by the Kentucky Employees Retirement System

1 or the County Employees Retirement System, may be used to determine
2 eligibility for twenty-seven (27) year retirement for an employee who
3 begins participating before September 1, 2008, but not the amount of
4 benefits;

5 3. The computation of benefits shall be based on the applicable formula in
6 each system and service credit in each system, but the final
7 compensation, excluding compensation earned under KRS 161.155(10),
8 shall be determined as if all service were in one (1) system;

9 4. If the member has prior service in more than one (1) system
10 administered by Kentucky Retirement Systems, he shall obtain at least
11 twelve (12) months' current service in each system in which he has prior
12 service in order to validate the prior service in each system for purposes
13 of determining consolidated benefits under this subsection; and

14 5. Upon the determination of benefits, each system shall pay the applicable
15 amount of benefits due the member.

16 (b) The provisions of paragraph (a) of this subsection shall be waived if the
17 member:

18 1. Notifies the system of his desire to maintain separate retirement
19 accounts in the State Police Retirement System, Kentucky Employees
20 Retirement System, or County Employees Retirement System; or

21 2. Fails to simultaneously retire from all state-administered retirement
22 systems in which the member has an account or fails to retire from any
23 other systems not administered by Kentucky Retirement Systems within
24 one (1) month of the member's effective retirement date in the systems
25 administered by Kentucky Retirement Systems.

26 (c) If the member has not contributed at least one (1) year in a system in which he
27 has prior service, his current service in the system shall be valid for purposes

1 of determining eligibility and in computation of benefits on a consolidated
2 basis.

3 (3) (a) A member with service credit in the Kentucky Employees Retirement System,
4 State Police Retirement System, or the County Employees Retirement System
5 who becomes the holder of an office entitling him to membership in the
6 Judicial Retirement Plan or the Legislators' Retirement Plan, but who does not
7 elect within thirty (30) days after taking office in such service to participate in
8 the plan, in accordance with KRS 6.505 or 21.360, shall be deemed to have
9 elected to retain membership in the system in which he is a member, either the
10 Kentucky Employees Retirement System, State Police Retirement System, or
11 the County Employees Retirement System. In that event, the agency
12 employing the member shall withhold employee contributions, or picked-up
13 employee contributions after August 2, 1982, make employer contributions
14 and remit these contributions to the system in which the member retained his
15 membership.

16 (b) Any person entitled to membership in the Judicial Retirement Plan or the
17 Legislators' Retirement Plan, who does not elect within thirty (30) days after
18 taking office to participate in the plan, in accordance with KRS 6.505 or
19 21.360, and who at the time of taking office is not a contributing member of,
20 or does not have service credit in, any of the retirement systems mentioned in
21 this section, or the Teachers' Retirement System, shall participate in the
22 Kentucky Employees Retirement System.

23 (c) A member of one (1) of the state-administered retirement plans who ceases to
24 contribute to the plan as provided in KRS 21.360 and who is employed in a
25 nonelected position by an agency participating in the Kentucky Retirement
26 Systems or Kentucky Teachers' Retirement System shall be deemed to have
27 elected membership in the system in which the employer of the nonelected

1 position participates. A member of one (1) of the state-administered
2 retirement plans who ceases to contribute to the plan as provided in KRS
3 21.360 and who is not employed in a nonelected position by an agency
4 participating in the Kentucky Retirement Systems shall be deemed to have
5 elected membership in the Kentucky Employees Retirement System.

6 (4) (a) Prior to July 1, 1976, a person entering the service of an employer
7 participating in the Kentucky Employees Retirement System or the County
8 Employees Retirement System with service credit in the Teachers' Retirement
9 System and who desires to retain membership in the Teachers' Retirement
10 System, and who is permitted by that system to continue, shall be exempt
11 from participating in the Kentucky Employees Retirement System or the
12 County Employees Retirement System.

13 (b) Any person who has elected to retain membership in the Teachers' Retirement
14 System as provided in paragraph (a) of this subsection may cancel his election
15 and participate in the system under which his position would normally
16 participate, if he elects to cancel his option prior to January 1, 1977.

17 (c) Any member of the General Assembly who upon election is a contributing
18 member of the Teachers' Retirement System and who does not elect within
19 thirty (30) days after taking office to participate in the Legislators' Retirement
20 Plan, in accordance with KRS 6.505, shall during his term of office participate
21 in the Kentucky Employees Retirement System unless an election to retain
22 membership in the Teachers' Retirement System is filed in writing within
23 ninety (90) days after his term of office begins. No contributions may be made
24 to the Teachers' Retirement System for the same period of service under the
25 Legislators' Retirement Plan or the Kentucky Employees Retirement System
26 as a member of the General Assembly, but contributions made to the Teachers'
27 Retirement System while a member of the General Assembly shall be

1 transferred to the Legislators' Retirement Plan, as provided for in KRS 6.535,
2 when the member elects to join the Legislators' Retirement Plan, and service
3 credit in the Legislators' Retirement Plan shall be granted as provided for in
4 KRS 6.505(5).

5 (5) Any member of the Kentucky Employees Retirement System or County Employees
6 Retirement System who is working in a position covered by one (1) of these
7 retirement systems and his employee contributions, service credit and employer
8 contributions made on his behalf are being transferred to the other retirement
9 system shall contribute to the system in which his employer participates, or after
10 August 1, 1982, the employer shall pick up the employee contributions, and no
11 further contributions or service credit shall be transferred to the system in which he
12 elected to retain membership, as subsection (2) of this section eliminates the
13 necessity of the transfers.

14 (6) Any member of the Kentucky Employees Retirement System or County Employees
15 Retirement System who is working in more than one (1) position covered by the
16 same retirement system, shall have his wages and contributions consolidated and his
17 retirement account administered as a single account. If part-time positions are
18 involved, an accumulation of all hours worked within the same retirement system
19 shall be used to determine eligibility under KRS 61.510(21).

20 (7) (a) Notwithstanding the provisions of subsection (2) of this section, a person who
21 does not have the amount of service required for service retirement in the
22 State Police Retirement System, Kentucky Employees Retirement System,
23 County Employees Retirement System, Legislators' Retirement Plan, or
24 Teachers' Retirement System, but who is a member of one (1) of the systems
25 or is a former member of one (1) or more of the systems with valid service
26 credit therein, shall become eligible for service retirement benefits attributable
27 to the amount of his actual service credit in each system in which he has

1 service credit when his combined service credit in all the systems, plus any
 2 service credit he has in the Judicial Retirement Plan, is equal to that required
 3 for service retirement in each respective system. The computation of benefits
 4 shall be based on the applicable formula in each system and service credit in
 5 each system, except that total service in all systems, unless prohibited by KRS
 6 161.623(2), shall be used to determine the reduction for early retirement, if
 7 any. Except as provided in KRS 21.360, the final compensation shall be
 8 determined by using the creditable compensation reported to the State Police
 9 Retirement System, Kentucky Employees Retirement System, County
 10 Employees Retirement System, Legislators' Retirement Plan, or Teachers'
 11 Retirement System and only as much of the compensation earned in the
 12 Judicial Retirement Plan as is needed to satisfy the final compensation
 13 requirement applicable in the respective retirement systems.

14 (b) Paragraph (a) of this subsection shall be waived if the member fails to
 15 simultaneously retire from all state-administered retirement systems in which
 16 the member has an account or fails to retire from any other systems not
 17 administered by Kentucky Retirement Systems within one (1) month of the
 18 member's effective retirement date in the systems administered by the
 19 Kentucky Retirement Systems.

20 (8) Each retirement system from which the member retires shall pay a retirement
 21 allowance upon receipt of required forms and documents, except that no retirement
 22 system shall pay a retirement allowance or annuity until all forms and documents
 23 are filed at all retirement systems in compliance with each system's requirements.

24 ➔Section 30. KRS 61.702 is amended to read as follows:

25 (1) (a) 1. The board of trustees of Kentucky Retirement Systems shall arrange by
 26 appropriate contract or on a self-insured basis to provide a group
 27 hospital and medical insurance plan for present and future recipients of a

1 retirement allowance from the Kentucky Employees Retirement System,
2 County Employees Retirement System, and State Police Retirement
3 System, except as provided in subsection (8) of this section. The board
4 shall also arrange to provide health care coverage through an insurer
5 licensed pursuant to Subtitle 38 of KRS Chapter 304 and offering a
6 managed care plan as defined in KRS 304.17A-500, as an alternative to
7 group hospital and medical insurance for any person eligible for hospital
8 and medical benefits under this section.

9 2. Any person who chooses coverage under a hospital and medical
10 insurance plan shall pay, by payroll deduction from the retirement
11 allowance or by another method, the difference in premium between the
12 cost of the hospital and medical insurance plan coverage and the benefits
13 to which he would be entitled under this section.

14 3. For purposes of this section, "hospital and medical insurance plan" may
15 include, at the board's discretion, any one (1) or more of the following:

16 a. Any hospital and medical expense policy or certificate, provider-
17 sponsored integrated health delivery network, self-insured medical
18 plan, health maintenance organization contract, or other health
19 benefit plan;

20 b. Any health savings account as permitted by 26 U.S.C. sec. 223 or
21 health reimbursement arrangement or a similar account as may be
22 permitted by 26 U.S.C. sec. 105 or 106. Such arrangement or
23 account, in the board's discretion, may reimburse any medical
24 expense permissible under 26 U.S.C. sec. 213; or

25 c. A medical insurance reimbursement program established by the
26 board through the promulgation of administrative regulation under
27 which members purchase individual health insurance coverage

1 through a health insurance exchange established under 42 U.S.C.
2 sec. 18031 or 18041.

3 (b) The board may authorize present and future recipients of a retirement
4 allowance from any of the three (3) retirement systems to be included in the
5 state employees' group for hospital and medical insurance and shall provide
6 benefits for recipients equal to those provided to state employees having the
7 same Medicare hospital and medical insurance eligibility status, except as
8 provided in subsection (8) of this section. Notwithstanding the provisions of
9 any other statute, recipients shall be included in the same class as current state
10 employees in determining medical insurance policies and premiums.

11 (c) For recipients of a retirement allowance who are not eligible for the same
12 level of hospital and medical benefits as recipients living in Kentucky having
13 the same Medicare hospital and medical insurance eligibility status, the board
14 shall provide a medical insurance reimbursement plan as described in
15 subsection (7) of this section.

16 (d) Notwithstanding anything in KRS Chapter 61 to the contrary, the board of
17 trustees, in its discretion, may take necessary steps to ensure compliance with
18 42 U.S.C. secs. 300bb-1 et seq., including but not limited to receiving
19 contributions and premiums from, and providing benefits pursuant to this
20 section to, persons entitled to continuation coverage under 42 U.S.C. secs.
21 300bb-1 et seq., regardless of whether such persons are recipients of a
22 retirement allowance.

23 (2) (a) Each employer participating in the State Police Retirement System as
24 provided for in KRS 16.505 to 16.652, each employer participating in the
25 County Employees Retirement System as provided in KRS 78.510 to 78.852,
26 and each employer participating in the Kentucky Employees Retirement
27 System as provided for in KRS 61.510 to 61.705 shall contribute to the

1 Kentucky Retirement Systems insurance trust fund the amount necessary to
 2 provide hospital and medical insurance as provided for under this section.
 3 Such employer contribution rate shall be developed by appropriate actuarial
 4 method as a part of the determination of each respective employer
 5 contribution rate to each respective retirement system determined under KRS
 6 61.565.

- 7 (b) 1. Each employer described in paragraph (a) of this subsection shall deduct
 8 from the creditable compensation of each member having a membership
 9 date on or after September 1, 2008, and effective January 1, 2019, of
 10 each member having a membership date on or after July 1, 2003, but
 11 prior to September 1, 2008, an amount equal to one percent (1%) of the
 12 member's creditable compensation.

13 The deducted amounts shall be credited to accounts established pursuant
 14 to 26 U.S.C. sec. 401(h), within the funds established in KRS 16.510,
 15 61.515, and 78.520.

- 16 2. The employer shall file the contributions as provided by subparagraph 1.
 17 of this paragraph at the retirement office in accordance with KRS 61.675
 18 and 78.625. Any interest or penalties paid on any delinquent
 19 contributions shall be credited to accounts established pursuant to 26
 20 U.S.C. sec. 401(h), within the funds established in KRS 16.510, 61.515,
 21 and 78.520. Notwithstanding any minimum compensation requirements
 22 provided by law, the deductions provided by this paragraph shall be
 23 made, and the compensation of the member shall be reduced
 24 accordingly.
- 25 3. Each employer shall submit payroll reports, contributions lists, and other
 26 data as may be required by administrative regulation promulgated by the
 27 board of trustees pursuant to KRS Chapter 13A.

- 1 4. Every member shall be deemed to consent and agree to the deductions
2 made pursuant to this paragraph, and the payment of salary or
3 compensation less the deductions shall be a full and complete discharge
4 of all claims for services rendered by the person during the period
5 covered by the payment, except as to any benefits provided by KRS
6 16.505 to 16.652, 61.510 to 61.705, and 78.510 to 78.852. No member
7 may elect whether to participate in, or choose the contribution amount to
8 accounts established pursuant to 26 U.S.C. sec. 401(h) within the funds
9 established in KRS 16.510, 61.515, and 78.520. The member shall have
10 no option to receive the contribution required by this paragraph directly
11 instead of having the contribution paid to accounts established pursuant
12 to 26 U.S.C. sec. 401(h) within the funds established in KRS 16.510,
13 61.515, and 78.520. No member may receive a rebate or refund of
14 contributions. If a member establishes a membership date prior to
15 September 1, 2008, pursuant to KRS 61.552(1) or 61.552(20), then this
16 paragraph shall not apply to the member and all contributions previously
17 deducted in accordance with this paragraph shall be refunded to the
18 member without interest. The contribution made pursuant to this
19 paragraph shall not act as a reduction or offset to any other contribution
20 required of a member or recipient under KRS 16.505 to 16.652, 61.510
21 to 61.705, and 78.510 to 78.852.

3 or by another method. Notwithstanding the foregoing provisions of this
4 subsection, an employee participating in one (1) of the retirement
5 systems administered by the Kentucky Retirement Systems who
6 becomes disabled in the line of duty as defined in KRS 16.505(19) or
7 61.621, shall have his premium paid in full as if he had two hundred

10 Kentucky Retirement Systems who is killed in the line of duty as
11 defined in KRS 16.505(19) or 61.621, shall have the premium for the
12 beneficiary, if the beneficiary is the member's spouse, and for each
13 dependent child paid so long as they individually remain eligible for a
14 monthly retirement benefit. "Months of service" as used in this section
15 shall mean the total months of combined service used to determine
16 benefits under any or all of the three (3) retirement systems, except
17 service added to determine disability benefits shall not be counted as
18 "months of service." For current and former employees of the Council
19 on Postsecondary Education who were employed prior to January 1,
20 1993, and who earn at least fifteen (15) years of service credit in the
21 Kentucky Employees Retirement System, "months of service" shall also
22 include vested service in another retirement system other than the
23 Kentucky Teachers' Retirement System sponsored by the Council on
24 Postsecondary Education.

- 25 (b) 1. For a member electing insurance coverage through the Kentucky
26 Retirement Systems, "months of service" shall include, in addition to
27 service as described in paragraph (a) of this subsection, service credit in

1 one (1) of the other state-administered retirement plans.

- 2 2. Effective August 1, 1998, the Kentucky Retirement Systems shall
3 compute the member's combined service, including service credit in
4 another state-administered retirement plan, and calculate the portion of
5 the member's premium to be paid by the insurance trust fund accounts
6 established pursuant to 26 U.S.C. sec. 401(h) within the funds
7 established in KRS 16.510, 61.515, and 78.520, according to the criteria
8 established in paragraph (a) of this subsection. Each state-administered
9 retirement plan annually shall pay to the insurance trust fund the
10 percentage of the system's cost of the retiree's monthly contribution for
11 single coverage for hospital and medical insurance which shall be equal
12 to the percentage of the member's number of months of service in the
13 other state-administered retirement plan divided by his total combined
14 service. The amounts paid by the other state-administered retirement
15 plans and the insurance trust fund or accounts established pursuant to 26
16 U.S.C. sec. 401(h) within the funds established in KRS 16.510, 61.515,
17 and 78.520 shall not be more than one hundred percent (100%) of the
18 monthly contribution adopted by the respective boards of trustees.
- 19 3. A member may not elect coverage for hospital and medical benefits
20 under this subsection through more than one (1) of the state-
21 administered retirement plans.
- 22 4. A state-administered retirement plan shall not pay any portion of a
23 member's monthly contribution for medical insurance unless the member
24 is a recipient or annuitant of the plan.
- 25 5. The premium paid by the Kentucky Retirement Systems insurance trust
26 fund or accounts established pursuant to 26 U.S.C. sec. 401(h) within
27 the funds established in KRS 16.510, 61.515, and 78.520 shall not

1 exceed one hundred percent (100%) of the monthly contribution rate
2 toward hospital and medical insurance coverage approved by the board
3 of trustees of the Kentucky Retirement Systems.

4 (4) (a) Group rates under the hospital and medical insurance plan shall be made
5 available to the spouse, each dependent child, and each disabled child,
6 regardless of the disabled child's age, of a recipient who is a former member
7 or the beneficiary, if the premium for the hospital and medical insurance for
8 the spouse, each dependent child, and each disabled child, or beneficiary is
9 paid by payroll deduction from the retirement allowance or by another
10 method. For purposes of this subsection only, a child shall be considered
11 disabled if he has been determined to be eligible for federal Social Security
12 disability benefits or meets the dependent disability standard established by
13 the Department of Employee Insurance in the Personnel Cabinet.

14 (b) The other provisions of this section notwithstanding, the insurance trust fund
15 or accounts established pursuant to 26 U.S.C. sec. 401(h) within the funds
16 established in KRS 16.510, 61.515, and 78.520 shall pay a percentage of the
17 monthly contribution for the spouse and for each dependent child of a
18 recipient who was a member of the General Assembly and is receiving a
19 retirement allowance based on General Assembly service, of the Kentucky
20 Employees Retirement System and determined to be in a hazardous position,
21 of the County Employees Retirement System, and determined to be in a
22 hazardous position or of the State Police Retirement System. The percentage
23 of the monthly contribution paid for the spouse and each dependent child of a
24 recipient who was in a hazardous position shall be based solely on the
25 member's service with the State Police Retirement System or service in a
26 hazardous position using the formula in subsection (3)(a) of this section,
27 except that for any recipient of a retirement allowance from the County

1 Employees Retirement System who was contributing to the system on January
2 1, 1998, for service in a hazardous position, the percentage of the monthly
3 contribution shall be based on the total of hazardous service and any
4 nonhazardous service as a police or firefighter with the same agency, if that
5 agency was participating in the County Employees Retirement System but did
6 not offer hazardous duty coverage for its police and firefighters at the time of
7 initial participation.

8 (c) The insurance trust fund or accounts established pursuant to 26 U.S.C. sec.
9 401(h) within the funds established in KRS 16.510, KRS 61.515, and 78.520
10 shall continue the same level of coverage for a recipient who was a member of
11 the County Employees Retirement System after the age of sixty-five (65) as
12 before the age of sixty-five (65), if the recipient is not eligible for Medicare
13 coverage. If the insurance trust fund or accounts established pursuant to 26
14 U.S.C. sec. 401(h) within the funds established in KRS 16.510, 61.515, and
15 78.520 provides coverage for the spouse or each dependent child of a former
16 member of the County Employees Retirement System, the insurance trust fund
17 or accounts established pursuant to 26 U.S.C. sec. 401(h) within the funds
18 established in KRS 16.510, 61.515, and 78.520 shall continue the same level
19 of coverage for the spouse or each dependent child after the age of sixty-five
20 (65) as before the age of sixty-five (65), if the spouse or dependent child is not
21 eligible for Medicare coverage.

22 (5) After July 1, 1998, notwithstanding any other provision to the contrary, a member
23 who holds a judicial office but did not elect to participate in the Judicial Retirement
24 Plan and is participating instead in the Kentucky Employees Retirement System, the
25 County Employees Retirement System, or the State Police Retirement System, as
26 provided in KRS 61.680, and who has at least twenty (20) years of total service,
27 one-half (1/2) of which is in a judicial office, shall receive the same hospital and

1 medical insurance benefits, including paid benefits for spouse and dependents, as
2 provided to persons retiring under the provisions of KRS 21.427. The
3 Administrative Office of the Courts shall pay the cost of the medical insurance
4 benefits provided by this subsection.

5 (6) Premiums paid for hospital and medical insurance coverage procured under
6 authority of this section shall be exempt from any premium tax which might
7 otherwise be required under KRS Chapter 136. The payment of premiums by the
8 insurance trust fund or accounts established pursuant to 26 U.S.C. sec. 401(h)
9 within the funds established in KRS 16.510, 61.515, and 78.520 shall not constitute
10 taxable income to an insured recipient. No commission shall be paid for hospital
11 and medical insurance procured under authority of this section.

12 (7) The board shall promulgate an administrative regulation to establish a medical
13 insurance reimbursement plan to provide reimbursement for hospital and medical
14 insurance premiums of recipients of a retirement allowance who are not eligible for
15 the same level of hospital and medical benefits as recipients living in Kentucky and
16 having the same Medicare hospital and medical insurance eligibility status. An
17 eligible recipient shall file proof of payment for hospital and medical insurance at
18 the retirement office. Reimbursement to eligible recipients shall be made on a
19 quarterly basis. The recipient shall be eligible for reimbursement of substantiated
20 medical insurance premiums for an amount not to exceed the total monthly
21 premium determined under subsection (3) of this section. The plan shall not be
22 made available if all recipients are eligible for the same coverage as recipients
23 living in Kentucky.

24 (8) (a) 1. For employees having a membership date on or after July 1, 2003, and
25 before September 1, 2008, participation in the insurance benefits
26 provided under this section shall not be allowed until the employee has
27 earned at least one hundred twenty (120) months of service in the state-

1 administered retirement systems.

2 2. For an employee having a membership date on or after September 1,
3 2008, participation in the insurance benefits provided under this section
4 shall not be allowed until the employee has earned at least one hundred

7 (b) An employee who meets the minimum service requirements as provided by
8 paragraph (a) of this subsection shall be eligible for benefits as follows:

9 1. For employees who are not in a hazardous position, a monthly insurance
10 contribution of ten dollars (\$10) for each year of service as a
11 participating employee.

12 2. For employees who are in a hazardous position or who participate in the
13 State Police Retirement System, a monthly insurance contribution of
14 fifteen dollars (\$15) for each year of service as a participating employee

18 a monthly insurance contribution of ten dollars (\$10) for each year of
19 service the member attained as a participating employee in a hazardous
20 position or as a participating member of the State Police Retirement
21 System.

22 (c) 1. The minimum service requirement to participate in benefits as provided
23 by paragraph (a) of this subsection shall be waived for a member who is
24 disabled or killed in the line of duty as defined in KRS 16.505(19), and
25 the member or his spouse and eligible dependents shall be entitled to the
26 benefits payable under this subsection as though the member had twenty
27 (20) years of service in a hazardous position.

- 1 2. The minimum service required to participate in benefits as provided by

9 spouse and eligible dependents shall be entitled to the benefits payable
10 under this subsection as though the member has twenty (20) years of
11 service in a hazardous position.
- 12 (d) The monthly insurance contribution amount shall be increased July 1 of each
13 year by one and one-half percent (1.5%). The increase shall be cumulative and
14 shall continue to accrue after the member's retirement for as long as a monthly
15 insurance contribution is payable to the retired member or beneficiary.
- 16 (e) The benefits of this subsection provided to a member whose participation
17 begins on or after July 1, 2003, shall not be considered as benefits protected
18 by the inviolable contract provisions of KRS 61.692, 16.652, and 78.852. The

25 ➔SECTION 43. A NEW SECTION OF KRS 161.220 TO 161.716 IS CREATED
 26 TO READ AS FOLLOWS:

27 (1) An individual who becomes a member of the Teachers' Retirement System on or

after January 1, 2019, shall receive the retirement benefits provided by this section in lieu of the retirement benefits provided under Sections 69 and 73 of this Act. The retirement benefits provided by this section shall be known as the hybrid cash balance plan and shall operate as another benefit tier within the Teachers' Retirement System.

(2) The hybrid cash balance plan shall provide a retirement benefit based upon the member's accumulated account balance, which shall include:

(a) Contributions made by the member as provided by KRS 161.220 to 161.716, except for employee contributions prescribed by subsection (1)(a)2., (1)(b)2., or (1)(c) of Section 57 of this Act;

(b) An employer pay credit for:

1. Nonuniversity employees equal to eight percent (8%) of the compensation earned by the employee for each month the employee is contributing to the hybrid cash balance plan provided by this section; and

2. University employees equal to four percent (4%) of the compensation earned by the employee for each month the employee is contributing to the hybrid cash balance plan provided by this section; and

(c) Regular interest added annually to the member's accumulated account balance as provided by this section.

(3) (a) Member contributions and employer pay credits as provided by subsection (2)(a) and (b) of this section shall be credited to the member's account monthly as contributions are reported and posted to the system in accordance with KRS 161.560.

(b) Regular interest, as provided by subsection (2)(c) of this section, shall be credited to the member's account annually on June 30 of each fiscal year, as determined by subsection (4) of this section.

1 (4) (a) On June 30 of each fiscal year, the system shall determine if the member
 2 contributed to the hybrid cash balance plan or another state-administered
 3 retirement system during the fiscal year.

4 (b) If the member contributed to the hybrid cash balance plan or another state-
 5 administered retirement system during the fiscal year, the regular interest
 6 added to the member's account for that fiscal year shall be determined by
 7 multiplying the member's accumulated account balance on June 30 of the
 8 preceding fiscal year by a percentage increase equal to eighty-five percent
 9 (85%) of the system's geometric average net investment return, but in no
 10 case shall be less than zero percent (0%).

11 (c) If the member did not contribute to the hybrid cash balance plan or another
 12 state-administered retirement system during the fiscal year, the regular
 13 interest added to the member's account for that fiscal year shall be zero
 14 percent (0%).

 3 receive a refund of his or her accumulated contributions.

4 (b) Upon termination of employment, a member who has five (5) or more years
 5 of service credited under Section 51 of this Act, who elects to take a refund
 6 of his or her accumulated account balance as provided by Section 49 of this
 7 Act, shall receive a full refund of his or her accumulated account balance.

8 (6) A member participating in the hybrid cash balance plan provided by this section

 22 accordance with the actuarial assumptions and actuarial methods adopted
 23 by the board and in effect on the member's retirement date;

24 (b) Receive the actuarial equivalent of his or her retirement allowance

5 (9) (a) Subject to the provisions of this subsection, any contributing member who
 6 began participating in the Teachers' Retirement System prior to January 1,

 8 the benefits he or she is currently eligible to receive from the Teachers'
 9 Retirement System, elect to participate in the hybrid cash balance plan
 10 provided by this section and receive the other benefits and rights under KRS
 11 161.220 to 161.716 provided to members who began participating in the
 12 system on or after January 1, 2019. After such election, the member shall

 14 participating on or after January 1, 2019.

15 (b) The election provided by this subsection shall be made in writing and on a
 16 form prescribed by the Teachers' Retirement System board.

17 (c) For each member who makes an election provided by this subsection:

- 18 1. Any service credit the member has accrued prior to January 1, 2019,
 19 shall be considered as service credit earned on or after January 1,
 20 2019; and
- 21 2. On the member's effective election date, the value of the member's
 22 accumulated contributions shall be deposited into the member's
 23 hybrid cash balance plan account.

24 (d) Before accepting an election provided by this subsection, the Teachers'
 25 Retirement System board shall provide the member with information
 26 detailing the potential results of the member's election.

27 (e) An election made pursuant to this subsection shall be irrevocable.

(f) 1. A member of the Teachers' Retirement System shall not be eligible to make an election prescribed by this subsection until the board receives a favorable private letter ruling from the Internal Revenue Service regarding this subsection.

2. If the Internal Revenue Service denies the request for a private letter ruling as provided by subparagraph 1. of this paragraph, this subsection shall be void.

3. The system may promulgate administrative regulations under KRS Chapter 13A in order to carry out this subsection.

(g) This subsection does not apply to annuitants who retired on or after January 1, 2019, and who were reemployed on or after January 1, 2019, and who are not eligible to participate in the system during reemployment.

➔Section 44. KRS 161.155 is amended to read as follows:

(1) As used in this section:

- (a) "Teacher" shall mean any person for whom certification is required as a basis of employment in the common schools of the state;
- (b) "Employee" shall mean any person, other than a teacher, employed in the public schools, whether on a full or part-time basis;
- (c) "Immediate family" shall mean the teacher's or employee's spouse, children including stepchildren and foster children, grandchildren, daughters-in-law and sons-in law, brothers and sisters, parents and spouse's parents, and grandparents and spouse's grandparents, without reference to the location or residence of said relative, and any other blood relative who resides in the teacher's or employee's home;

2 the victim is determined to be, by certification of a physician or surgeon duly
3 qualified under KRS Chapter 342, incapable of performing the duties of his or
4 her job.

5 (2) Each district board of education shall allow to each teacher and full-time employee
6 in its common school system not less than ten (10) days of sick leave during each
7 school year, without deduction of salary. Sick leave shall be granted to a teacher or
8 employee if he or she presents a personal affidavit or a certificate of a physician
9 stating that the teacher or employee was ill, that the teacher or employee was absent
10 for the purpose of attending to a member of his or her immediate family who was
11 ill, or for the purpose of mourning a member of his or her immediate family. The
12 ten (10) days of sick leave granted in this subsection may be taken by a teacher or
13 employee on any ten (10) days of the school year and shall be granted in addition to
14 accumulated sick leave days that have been credited to the teacher or employee
15 under the provisions of subsection (4) of this section.

16 (3) A school district shall coordinate among the income and benefits from workers'
17 compensation, temporary disability retirement, and district payroll and benefits so
18 that there is no loss of income or benefits to a teacher or employee for work time
19 lost because of an assault while performing the teacher's or employee's assigned
20 duties for a period of up to one (1) year after the assault. In the event a teacher or
21 employee suffers an assault while performing his or her assigned duties that results
22 in injuries that qualify the teacher or employee for workers' compensation benefits,
23 the district shall provide leave to the teacher or employee for up to one (1) year after
24 the assault with no loss of income or benefits under the following conditions:

25 (a) The district shall pay the salary of the teacher or employee between the time
26 of the assault and the time the teacher's or employee's workers' compensation
27 income benefits take effect, or the time the teacher or employee is certified to

1 return to work by a physician or surgeon duly qualified under KRS Chapter
2 342, whichever is sooner;

3 (b) The district shall pay, for up to one (1) year from the time of the assault, the
4 difference between the salary of the teacher or employee and any workers'
5 compensation income benefits received by the teacher or employee resulting
6 from the assault. Payments by the district shall include payments for
7 intermittent work time missed as a result of the assault during the one (1) year
8 period. If the teacher's or employee's workers' compensation income benefits
9 cease during the one (1) year period after the assault, the district shall also
10 cease to make payments under this paragraph;

11 (c) The Commonwealth, through the Kentucky Department of Education, shall
12 make the employer's health insurance contribution during the period that the
13 district makes payments under paragraphs (a) and (b) of this subsection;

14 (d) The Commonwealth, through the Kentucky Department of Education, shall
15 make the employer's contribution to the retirement system in which the
16 teacher or employee is a member during the period that the district makes
17 payments under paragraphs (a) and (b) of this subsection; and

18 (e) Payments to a teacher or employee under paragraphs (a) and (b) of this
19 subsection shall be coordinated with workers' compensation benefits under
20 KRS Chapter 342, disability retirement benefits for teachers under KRS
21 161.661 to 161.663, and disability retirement benefits for employees under
22 KRS 61.600 to 61.621 and 78.545 so that the teacher or employee receives
23 income equivalent to his or her full contracted salary, but in no event shall the
24 combined payments exceed one hundred percent (100%) of the teacher's or
25 employee's full contracted salary.

26 (4) Days of sick leave not taken by an employee or a teacher during any school year
27 shall accumulate without limitation and be credited to that employee or teacher.

1 Accumulated sick leave may be taken in any school year. Any district board of
2 education may, in its discretion, allow employees or teachers in its common school
3 system sick leave in excess of the number of days prescribed in this section and may
4 allow school district employees and teachers to use up to three (3) days' sick leave
5 per school year for emergency leave pursuant to KRS 161.152(3). Any accumulated
6 sick leave days credited to an employee or a teacher shall remain so credited in the
7 event he or she transfers his or her place of employment from one (1) school district
8 to another within the state or to the Kentucky Department of Education or transfers
9 from the Department of Education to a school district.

10 (5) Accumulated days of sick leave shall be granted to a teacher or employee if, prior to
11 the opening day of the school year, an affidavit or a certificate of a physician is
12 presented to the district board of education, stating that the teacher or employee is
13 unable to commence his or her duties on the opening day of the school year, but will
14 be able to assume his or her duties within a period of time that the board determines
15 to be reasonable.

16 (6) Any school teacher or employee may repurchase previously used sick leave days
17 with the concurrence of the local school board by paying to the district an amount
18 equal to the total of all costs associated with the used sick leave.

19 (7) A district board of education may adopt a plan for a sick leave bank. The plan may
20 include limitations upon the number of days a teacher or employee may annually
21 contribute to the bank and limitations upon the number of days a teacher or
22 employee may annually draw from the bank. Only those teachers or employees who
23 contribute to the bank may draw upon the bank. Days contributed will be deducted
24 from the days available to the contributing teacher or employee. The sick leave bank
25 shall be administered in accordance with a policy adopted by the board of
26 education.

27 (8) (a) A district board of education shall establish a sick leave donation program to

1 permit teachers or employees to voluntarily contribute sick leave to teachers
 2 or employees in the same school district who are in need of an extended
 3 absence from school. A teacher or employee who has accrued more than
 4 fifteen (15) days' sick leave may request the board of education to transfer a
 5 designated amount of sick leave to another teacher or employee who is
 6 authorized to receive the sick leave donated. A teacher or employee may not
 7 request an amount of sick leave be donated that reduces his or her sick leave
 8 balance to less than fifteen (15) days.

9 (b) A teacher or employee may receive donations of sick leave if:

- 10 1. a. The teacher or employee or a member of his or her immediate
 11 family suffers from a medically certified illness, injury,
 12 impairment, or physical or mental condition that has caused or is
 13 likely to cause the teacher or employee to be absent for at least ten
 14 (10) days; or
- 15 b. The teacher or employee suffers from a catastrophic loss to his or
 16 her personal or real property, due to either a natural disaster or fire,
 17 that either has caused or will likely cause the employee to be
 18 absent for at least ten (10) consecutive working days;
- 19 2. The teacher's or employee's need for the absence and use of leave are
 20 certified by a licensed physician for leave requested under subparagraph
 21 1.a. of this subsection;
- 22 3. The teacher or employee has exhausted his or her accumulated sick
 23 leave, personal leave, and any other leave granted by the school district;
 24 and
- 25 4. The teacher or employee has complied with the school district's policies
 26 governing the use of sick leave.

27 (c) While a teacher or employee is on sick leave provided by this section, he or

1 she shall be considered a school district employee, and his or her salary,
2 wages, and other employee benefits shall not be affected.

3 (d) Any sick leave that remains unused, is not needed by a teacher or employee,
4 and will not be needed in the future shall be returned to the teacher or
5 employee donating the sick leave.

6 (e) The board of education shall adopt policies and procedures necessary to
7 implement the sick leave donation program.

8 (9) A teacher or employee may use up to thirty (30) days of sick leave following the
9 birth or adoption of a child or children. Additional days may be used when the need
10 is verified by a physician's statement.

11 (10) (a) After July 1, 1982, and except as otherwise provided by this subsection, a
12 district board of education may compensate, at the time of retirement or upon
13 the death of a member in active contributing status at the time of death who
14 was eligible to retire by reason of service, an employee or a teacher, or the
15 estate of an employee or teacher, for each unused sick leave day. The rate of
16 compensation for each unused sick leave day shall be based on a percentage of
17 the daily salary rate calculated from the employee's or teacher's last annual
18 salary, not to exceed thirty percent (30%). Payment for unused sick leave
19 days, not to exceed the amount based upon the unused sick leave days
20 accrued as of December 31, 2018, shall be incorporated into the annual
21 compensation~~[annual salary]~~ of the final year of service for inclusion in the
22 calculation of the employee's or teacher's retirement allowance only at the
23 time of his or her initial retirement; provided that the member makes the
24 regular retirement contribution for members on the sick leave payment. The
25 accumulation of these days includes unused sick leave days held by the
26 employee or teacher at the time of implementation of the program.

27 (b) For a teacher or employee who begins employment with a local school district

on or after July 1, 2008, the maximum amount of unused sick leave days a district board of education may recognize in calculating the payment of compensation to the teacher or employee under this subsection shall not exceed three hundred (300) days.

(11) Any statute to the contrary notwithstanding, employees and teachers who transferred from the Department of Education to a school district, from a school district to the Department of Education, or from one (1) school district to another school district after July 15, 1981, shall receive credit for any unused sick leave to which the employee or teacher was entitled on the date of transfer. This credit shall be for the purposes set forth in subsection (10) of this section.

(12) The death benefit provided in subsection (10) of this section may be cited as the Baughn Benefit.

- 26 (3) Effective July 1, 1988, and thereafter, an active contributing member of the
 27 retirement system with contributing service equal to one (1) year may regain service

credit by depositing in the teachers' savings fund the amount withdrawn with interest at the rate to be set by the board of trustees, and computed from the first of the month of withdrawal and including the month of redeposit. **Service credit regained pursuant to this subsection on or after January 1, 2019, shall not be used to determine the date the individual purchasing the service became a member of the Teachers' Retirement System.**

(4) Effective July 1, 1974, any active contributing member with at least two (2) years of contributing service credit who declined membership as provided in Acts 1938 (1st Ex. Sess.), Ch. 1, paragraph 29, may secure service credit for prior service, and for any subsequent service prior to date of membership, by depositing in the teachers' savings fund contributions for each year of subsequent service prior to date of membership, with interest at the rate of eight percent (8%) compounded annually to the date of deposit.

(5) Membership in the retirement system shall be terminated:

- (a) By retirement for service;
- (b) By death;
- (c) By withdrawal of the member's accumulated **account balance**~~contributions~~;
- (d) When a member, having less than five (5) years of Kentucky service is absent from service for more than three (3) consecutive years; or
- (e) For persons hired on or after August 1, 2000, when a member is convicted, in any state or federal court of competent jurisdiction, of a felony related to his employment as provided in subparagraphs 1. and 2. of this paragraph.

- 1. Notwithstanding any provision of law to the contrary, a member hired on or after August 1, 2000, who is convicted, in any state or federal court of competent jurisdiction, of a felony related to his employment shall forfeit rights and benefits earned under the retirement system, except for the return of his accumulated contributions and interest

1 credited on those contributions.

2 2. The payment of retirement benefits ordered forfeited shall be stayed
3 pending any appeal of the conviction. If the conviction is reversed on
4 final judgment, no retirement benefits shall be forfeited.

5 Except for paragraph (e) of this subsection, upon termination of member accounts
6 under this subsection, funds in the account shall be transferred to the guarantee
7 fund. Inactive members may apply for refunds of these funds at any time. The
8 terminated service shall be reinstated, if not withdrawn by the member, in the event
9 that the member returns to active contributing service.

10 (6) In case of withdrawal from service prior to eligibility for retirement, the board of
11 trustees shall on request of the member return all of his accumulated account
12 balance~~[contributions with regular interest]~~, including any payments made by the
13 member to the state accumulation fund, but the member shall have no claim on any
14 contributions made by the state or employer with a view to his retirement, except as
15 provided by Section 43 of this Act, or to contributions made to the medical
16 insurance fund. If the member is eligible for an immediate service retirement
17 allowance as provided in KRS 161.600, no withdrawal and refund shall be
18 permitted, unless the allowance would prohibit the member from qualifying for
19 Social Security benefits or the member elects to withdraw part or all of his service
20 for the purpose of obtaining credit in another retirement plan. Requests for refund of
21 contributions by the member must be filed on forms prescribed by the Teachers'
22 Retirement System and the employer shall be financially responsible for all
23 information that is certified on the prescribed form. A member may not withdraw
24 any part of his or her accumulated account balance in~~[contributions to]~~ the
25 retirement system except as provided by this subsection.

26 (7) Except as provided in KRS 161.520 and 161.525, in case of death prior to
27 retirement, the board of trustees shall pay to the estate of the deceased member,

1 unless a beneficiary was otherwise applicably designated by the deceased member,
 2 then to the beneficiary, all of his accumulated account balance~~[contributions, with~~
 3 ~~regular interest]~~, including any payments made by the member to the state
 4 accumulation fund, but the estate or beneficiary shall have no claim on any
 5 contributions made by the state or employer with a view to the retirement of the
 6 member, except as provided by Section 43 of this Act, or to contributions made to
 7 the medical insurance fund.

8 (8) Any active contributing member of the Kentucky Employees Retirement System,
 9 the County Employees Retirement System, the State Police Retirement System, or
 10 the Judicial Retirement System may use service, under that retirement system for
 11 the purpose of meeting the service requirement of subsections (3) and (4) of this
 12 section.

13 ➔Section 50. KRS 161.480 is amended to read as follows:

14 Each person, upon becoming a member of the retirement system, shall file a detailed
 15 statement as required by the board of trustees and shall designate a primary beneficiary or
 16 two (2) or more cobeneficiaries to receive any benefits accruing from the death of the
 17 member. A contingent beneficiary may be designated in addition to the primary
 18 beneficiary or cobeneficiaries. The member may name more than one (1) contingent
 19 beneficiary. Any beneficiary designation made by the member, including the estate should
 20 the estate become the beneficiary by default, shall remain in effect until changed by the
 21 member on forms prescribed by the Kentucky Teachers' Retirement System, except in the
 22 event of subsequent marriage or divorce. Subsequent marriage by the member shall void
 23 the primary beneficiary and any cobeneficiary designation, even that of a trust, and the
 24 spouse of the member at death shall be considered as the primary beneficiary, unless the
 25 member subsequent to marriage designates another beneficiary. A final divorce decree
 26 shall terminate an ex-spouse's status as either primary beneficiary, cobeneficiary, or
 27 contingent beneficiary, unless subsequent to divorce the member redesignates the former

1 spouse as primary beneficiary, cobeneficiary, or contingent beneficiary. To the extent
 2 permitted by the Internal Revenue Code, a trust may be designated as beneficiary for
 3 receipt of a member's accumulated account balance in~~contributions to~~ the retirement
 4 system as provided under KRS 161.470(7). A final divorce decree shall not terminate the
 5 designation of a trust as beneficiary regardless of who is designated as beneficiary of the
 6 trust. In the event that a member fails to designate a beneficiary, or all designated
 7 beneficiaries predecease the member, the member's estate shall be deemed to be the
 8 beneficiary. Members may designate as beneficiaries only presently identifiable and
 9 existing individuals, or trusts where otherwise permitted, without contingency
 10 instructions, on forms prescribed by the retirement system. The provisions of this section
 11 shall be retroactive as they relate to election of beneficiaries by members still in active
 12 status on the effective date of this section. The provisions of this section shall not apply to
 13 any account from which a member is drawing a retirement allowance or to the life
 14 insurance benefit available under KRS 161.655.

15 ➔Section 51. KRS 161.500 is amended to read as follows:

16 (1) At the close of each fiscal year, the retirement system shall add service credit to the
 17 account of each member who made contributions to his or her account during the
 18 year. Members shall be entitled to a full year of service credit if their total paid days
 19 were not less than one hundred eighty (180) days of a one hundred eighty-five (185)
 20 day contract for a regular school or fiscal year. In the event an individual who
 21 became a member prior to January 1, 2019, is paid for less than one hundred
 22 eighty (180) days, the member may purchase credit according to administrative
 23 regulations established by the board of trustees. In no case shall more than one (1)
 24 year of service be credited for all service performed in one (1) fiscal year. Members
 25 who complete their employment contract prior to the close of a fiscal year and elect
 26 to retire prior to the close of a fiscal year shall have their service credit reduced by
 27 eight percent (8%) for each calendar month that the retirement becomes effective

1 prior to July 1.

2 (2) Members who are employed and paid for less than the number of days required in
3 their normal employment year shall be entitled to pro rata service credit for the
4 fractional service. Such credit shall be based upon the number of days employed
5 and the number of days in the member's annual employment agreement or normal
6 employment year.

7 (3) Service credit may not exceed the ratio between the school or fiscal year and the
8 number of months or fraction of a month the member is employed during that year.

9 (4) No service credit shall be granted in the Teachers' Retirement System for service
10 that has been or will be used in qualifying for annuity benefit payments from
11 another retirement system financed wholly or in part by public funds.

12 ➔Section 52. KRS 161.507 is amended to read as follows:

13 (1) An active contributing member of the Teachers' Retirement System may receive
14 service credit for active service rendered in the uniformed services of the Armed
15 Forces of the United States, including the commissioned corps of the Public Health
16 Service, subject to the provisions of the Uniformed Services Employment and
17 Reemployment Rights Act of 1994, the provisions of this section as applicable,
18 and ~~the~~^{to} administrative regulations promulgated by the board of trustees. Military
19 service includes service in the uniformed services that occurs before the
20 employment of a member in a position covered by the retirement system or where a
21 member leaves covered employment without giving advance written or verbal
22 notice of performing duty in the uniformed services. Service in the uniformed
23 services also includes uniformed service that occurs after employment in a position
24 covered by the retirement system where the member has given advance written or
25 verbal notice of performing duty in the uniformed services and the member returns
26 directly from uniformed services to covered employment. Military service may be
27 credited only if discharge was honorable or was not terminated upon the occurrence

1 of any of the events listed in 38 U.S.C. sec. 4304. Service shall be considered as
 2 Kentucky teaching service, except that service may not be used for meeting the
 3 service requirements set forth in KRS 161.600(1)(a) or 161.661(1) unless the
 4 service occurred after the member gave written or verbal notice of performing duty
 5 in the uniformed services and the member returned directly from uniformed services
 6 to covered employment. A maximum of six (6) years of military service may be
 7 credited, but in no case a greater number of years than the actual years of
 8 contributing service in Kentucky.

9 (2) No credit shall be granted for military service which has been or will be used in
 10 qualifying for annuity benefit payments from another retirement system financed
 11 wholly or in part by public funds.

12 (3) A member having twenty (20) years or more of active duty in the military service,
 13 and who is qualified for regular federal retirement benefits based on this military
 14 service, may not receive credit for any military service in the Teachers' Retirement
 15 System. This subsection shall apply to service presented for credit on July 1, 1975,
 16 and after this date.

17 (4) (a) An individual who became a member prior to January 1, 2019, who desires
 18 to receive~~[receiving]~~ retirement credit for active duty in the armed services of
 19 the United States prior to employment in a position covered by the retirement
 20 system or where the member leaves covered employment without giving
 21 advance written or verbal notice of performing duty in the uniformed services
 22 shall pay to the retirement system the full actuarial cost of the service credit
 23 purchased as provided under KRS 161.220(22). These contributions shall not
 24 be picked up, as described in KRS 161.540(2). In purchasing retirement credit
 25 for active duty in the armed services, the latest years of service shall be
 26 considered first in allowing credit toward retirement. The board of trustees
 27 shall adopt a table of actuarial factors to be used in calculating the amount of

1 contribution required for crediting this service.

2 (b) If military service occurred after the member gave written or verbal notice of
 3 performing duty in the uniformed services and the member returns directly
 4 from uniformed services to covered employment, the member shall contribute
 5 the regular member contribution required by KRS 161.540. The member may
 6 make the payment of delayed contributions in a lump sum payment or in
 7 installments not to exceed five (5) years beginning with the member's date of
 8 reemployment. Interest at the rate of eight percent (8%) per annum shall be
 9 charged for delayed contributions beginning with the member's date of
 10 reemployment until paid. **Members participating in the hybrid cash balance**
 11 **plan as provided by Section 43 of this Act who make the regular member**
 12 **contribution required by this paragraph, shall receive employer credits for**
 13 **the period of service purchased.**

14 (5) An active contributing member of the Teachers' Retirement System **who became a**
 15 **member of the system prior to January 1, 2019,** may receive service credit for
 16 service in the military reserves of the United States or the National Guard. The
 17 member may purchase one (1) month of service for each six (6) months of service
 18 in the reserves or the National Guard. Notwithstanding any other statute, regulation,
 19 or policy to the contrary, the system shall provide a member, upon request, the
 20 estimated actuarial cost of the National Guard or military reserves service purchase
 21 based upon the information available at the time of the request. The member shall
 22 be entitled to enter into a contract with the system at the time of the request to
 23 purchase the National Guard or military reserve service by paying to the system the
 24 estimated actuarial cost, either by installments or in lump sum. The member shall
 25 pay the full actuarial cost of this service in the military reserves or the National
 26 Guard as provided in KRS 161.220(22). Service in the military reserves or the
 27 National Guard shall be treated as service earned prior to participation in the system

1 and shall not be used for meeting the service requirements set forth in KRS
2 161.600(1)(a) or 161.661(1). The payment shall not be picked up by the employer,
3 as described in KRS 161.540(2).

4 ➔Section 53. KRS 161.515 is amended to read as follows:

5 (1) For the purposes of this section, "out-of-state service" shall mean service in any
6 state in a comparable position on a full-time basis, which would be covered if in
7 Kentucky.

8 (2) (a) An active contributing member who has been a contributing member of the
9 retirement system for at least one (1) full scholastic year subsequent to the
10 latest out-of-state service, may present for credit service rendered out of state,
11 not to exceed ten (10) years actually taught as a certified or licensed teacher.
12 All members who elect to purchase this service shall pay to the retirement
13 system the full actuarial cost as provided under KRS 161.220(22). For each
14 year of which the retirement system shall accept payment, one (1) year of
15 service credit shall be given. For members who purchased this service under
16 the cost formula as it existed under this subsection on June 30, 2005, this
17 credit may not be used to meet the service requirements of KRS 161.525,
18 161.600, or 161.661, except as provided in subsection (2)(c) of this section.
19 No credit shall be granted for service which has been or will be used in
20 qualifying for annuity benefit payments from another retirement system
21 financed wholly or in part by public funds.

22 (b) A member of the retirement system having teaching service in the elementary
23 or secondary schools operated by the United States overseas or in this country,
24 or in a public college or university in Kentucky, not included in the Teachers'
25 Retirement System of the State of Kentucky, may present this service for
26 credit in the retirement system on the same basis as provided above for out-of-
27 state service credit; however, no service may be presented which shall be used

1 as a basis for retirement benefits in any program supported wholly or in part
2 by a public institution or governmental agency. This service when added to
3 service credited under subsection (2)(a) of this section shall not exceed a total
4 of ten (10) years' service credit.

5 (c) A member having service referred to in subsection (2)(a) or (2)(b) of this
6 section who purchased this service under the cost formula as it existed under
7 those subsections on June 30, 2005, may elect to use this service for meeting
8 the requirements of KRS 161.600(1)(c) by making an additional contribution
9 to the state accumulation fund equal to a member contribution rate of eight
10 percent (8%) for each year so used. These payments shall not be picked up as
11 described in KRS 161.540(2). The salary base to be used in determining this
12 additional contribution shall be the final average salary which is used in
13 calculating the member's regular retirement annuity.

14 (3) Members entering the Teachers' Retirement System for the first time, July 1, 1976,
15 and after this date, shall not receive credit for service defined in subsections (2)(a)
16 or (2)(b) of this section in excess of one (1) year of credit for each two (2) years of
17 Kentucky service in a covered position or ten (10) years, whichever is the lesser
18 number.

19 (4) A member, having completed service as a volunteer in the Kentucky Peace Corps
20 created by KRS 154.1-720, may purchase service credit for the time served in the
21 corps on the same basis as provided in this section for the purchase of out-of-state
22 service credit. A member, having completed service as a federal Peace Corps
23 volunteer, may purchase up to two (2) years of service credit for time served in the
24 Peace Corps on the same basis as provided in this section for the purchase of out-of-
25 state service credit.

26 (5) Service purchased under this section by members who at the time of purchase are
27 employed by employers other than those described in KRS 161.220(4)(b) or (n)

shall be credited, as described in KRS 161.620(1)(a) and (b), with a retirement factor of two and one-half percent (2.5%) for each year of service that was originally performed on or after July 1, 1983, and two percent (2.0%) for each year of service performed before July 1, 1983. Service purchased under this section by members who at the time of purchase are employed by employers described in KRS 161.220(4)(b) or (n) shall be credited, as described in KRS 161.620(1)(a), with a retirement factor of two percent (2.0%) for each year of service, regardless of when the service was performed.

(6) Effective January 1, 2019, this section does not apply to individuals who become members on or after January 1, 2019.

➔Section 54. KRS 161.520 is amended to read as follows:

Upon the death of an active contributing member or upon the death of a member retired for disability, except as provided in KRS 161.661(6), the survivors of the deceased member in the following named order, may elect to receive a survivor's benefit payable as follows:

(1) Where there is a surviving widow or widower who is named as the primary beneficiary of the member's retirement account, the benefit shall be:

(a) One hundred eighty dollars (\$180) per month with no restriction on other income;

(b) Two hundred forty dollars (\$240) per month when the surviving widow or widower's total income from all sources does not exceed six thousand six hundred dollars (\$6,600) per year or five hundred fifty dollars (\$550) per month; or

(c) If the deceased member has a minimum of ten (10) years of service credit with the Teachers' Retirement System, the surviving widow or widower may apply for an annuity actuarially equivalent to the annuity that would have been paid to the deceased member when eligibility conditions were met. Eligibility for

1 payments would begin at the time the age of the deceased member would have
 2 met the requirements of KRS 161.600(1) or subsection (6) of Section 43 of
 3 this Act, as applicable. In exercising this right, the surviving widow or
 4 widower shall be entitled to receive an annuity for life, except as provided in
 5 subsection (6) of this section. This subsection applies to surviving spouses of
 6 members who die on or after July 1, 1978. A surviving widow or widower of
 7 a member who dies after July 1, 1978, shall be eligible for benefit payments
 8 provided under paragraphs (a) and (b) of this subsection until they begin
 9 receiving payments under this provision;

10 (2) (a) Where there are surviving unmarried children under age eighteen (18) or
 11 under age nineteen (19) if a full-time student in high school, the benefit shall
 12 be two hundred dollars (\$200) per month in the case of one (1) child, three
 13 hundred forty dollars (\$340) per month in the case of two (2) children, four
 14 hundred dollars (\$400) per month in the case of three (3) children, and four
 15 hundred forty dollars (\$440) per month in the case of four (4) or more
 16 children. Benefits under this subsection shall apply in addition to benefits
 17 which may be payable under subsections (1) and (3) of this section.

18 (b) Notwithstanding any provision of law to the contrary, the surviving spouse
 19 may elect to receive a lump-sum refund of the member's accumulated account
 20 balance in lieu of the survivorship benefits payable under this subsection and
 21 subsection (1) of this section only if the surviving spouse is designated as the
 22 primary beneficiary and:

- 23 1. Is a biological or adoptive parent of all children eligible for a benefit
 24 under this subsection and has not had his or her parental rights
 25 terminated; or
- 26 2. Has been appointed as legal guardian of all of the children eligible under
 27 paragraph (a) of this subsection.

- 1 (c) To elect a lump-sum refund of the member's accumulated account balance
2 under paragraph (b) of this subsection, the surviving spouse who is designated
3 as the primary beneficiary must sign a waiver on forms prescribed by the
4 retirement system of his or her rights and the member's children's rights to the
5 survivorship benefits payable under this subsection and subsection (1) of this
6 section. The surviving spouse shall not waive the survivorship benefits
7 available under this subsection or subsections (1) and (6) of this section if any
8 of the member's children have attained age eighteen (18) or older unless all of
9 those children consent in writing on forms prescribed by the retirement system
10 to waive their survivorship benefits available under this subsection;
- 11 (3) (a) Where the survivor is a child age eighteen (18) or older whose mental or
12 physical condition is sufficient to cause his dependency on the deceased
13 member at the time of the member's death, the benefit shall be two hundred
14 dollars (\$200) per month, payable for the life of the child or until the time as
15 the mental or physical condition creating the dependency no longer exists or
16 the child marries. The mental or physical condition of the adult child shall be
17 revealed by a competent examination by a licensed physician and shall be
18 approved by a majority of a medical review committee as defined in KRS
19 161.661(14). Benefits under this subsection shall apply in addition to benefits
20 which may be payable under subsections (1) and (2) of this section.
- 21 (b) Notwithstanding any provision of law to the contrary, the surviving spouse
22 shall not elect to receive a lump-sum refund of the member's accumulated
23 account balance in lieu of the survivorship benefits payable under this
24 subsection and subsection (1) of this section unless:
- 25 1. The surviving spouse is designated as the primary beneficiary;
 - 26 2. The surviving spouse has been appointed by the court as guardian,
27 conservator, or other fiduciary with sufficient general or specific

1 authority to waive the survivorship benefits available under this
 2 subsection for any child or children age eighteen (18) or older who have
 3 been adjudicated incompetent to make decisions on their own behalf by
 4 a court of law; and

5 3. Any child or children age eighteen (18) or older who are mentally
 6 competent to make decisions on their own behalf as attested to by two
 7 (2) physicians' statements consent in writing on forms prescribed by the
 8 retirement system to waive their survivorship benefits available under
 9 this subsection.

10 (c) If eligible to elect a lump-sum refund of the member's accumulated account
 11 balance, the surviving spouse shall sign a waiver on forms prescribed by the
 12 retirement system of his or her rights and the member's children's rights to the
 13 survivorship benefits payable under this subsection and subsections (1) and
 14 (2) of this section;

15 (4) Where the sole eligible survivors are dependent parents aged sixty-five (65) or over,
 16 the benefit shall be two hundred dollars (\$200) per month for one (1) parent or two
 17 hundred ninety dollars (\$290) per month for two (2) parents. Dependency of a
 18 parent shall be established as of the date of the death of the member;

19 (5) Where the sole eligible survivor is a dependent brother or sister, the benefit shall be
 20 one hundred sixty five dollars (\$165) per month. In order to qualify the brother or
 21 sister must have been a resident of the deceased member's household for at least one
 22 (1) full year prior to the member's death or must have been receiving care in a
 23 hospital, nursing home, or other institution at the member's expense for same
 24 period;

25 (6) The benefit to a child as defined in subsection (2) of this section shall terminate
 26 upon the attainment of age eighteen (18) or upon reaching age nineteen (19), if a
 27 full-time student in high school, or upon marriage, except that benefits shall

1 continue until the attainment of age twenty-three (23) for an unmarried child who is
 2 a full-time student in a recognized educational program beyond the high school
 3 level. The benefit to a widow, widower, dependent parent, or dependent brother or
 4 sister or dependent child age eighteen (18) or older shall terminate upon marriage,
 5 or upon termination of the condition creating the dependency;

6 (7) The board of trustees shall be the sole judge of eligibility or dependency of any
 7 beneficiary, and may require formal application or information relating to eligibility
 8 or dependency, including proof of annual income satisfactory to the board. The
 9 board of trustees may subpoena records and individuals whenever it deems this
 10 action necessary;

11 (8) No payment of benefits shall be made unless the board of trustees authorizes the
 12 payment. The board shall promulgate administrative regulations for the
 13 administration of the provisions in this section and in every case the decision of the
 14 board of trustees shall be final as to eligibility, dependency, or disability, and the
 15 amount of benefits payable;

16 (9) In the event that there are no eligible survivors as defined in subsections (1) to (5)
 17 of this section, or in the event that the surviving spouse elects not to receive
 18 survivorship benefits on his or her own behalf or on behalf of any of the member's
 19 children as permitted under subsections (2) and (3) of this section, the board of
 20 trustees shall pay to the estate or the designated beneficiaries of the deceased
 21 member a refund of his accumulated account balance~~[contributions]~~ as provided in
 22 KRS 161.470(7). If the benefits paid or payable under subsections (1) to (5) of this
 23 section and KRS 161.661 shall amount to a sum less than the member's
 24 accumulated account balance~~[contributions]~~ at the time of death, the board of
 25 trustees shall pay to the estate or designated beneficiaries of the deceased member
 26 the balance of the accumulated account balance~~[contributions]~~;

27 (10) Any person who is receiving benefits and becomes disqualified from receiving

1 those benefits under this section shall immediately notify the Teachers' Retirement
 2 System of this disqualification in writing and shall return all benefits paid after the
 3 date of disqualification. Failure to comply with these provisions shall create an
 4 indebtedness of that person to the Teachers' Retirement System. Interest at the rate
 5 of eight percent (8%) per annum shall be charged if the debt is not repaid within
 6 sixty (60) days after the date of disqualification. Failure to repay this debt creates a
 7 lien in favor of the Teachers' Retirement System upon all property of the person
 8 who improperly receives benefits and does not repay those benefits; and

9 (11) Benefits under subsections (2) and (3) of this section shall apply to a child who is a
 10 legally adopted survivor at the time of the death of the member. This provision shall
 11 be retroactive to include a child who was born after January 1, 1990, and is a legally
 12 adopted survivor of a member whose death occurred prior to July 15, 2008.

13 ➔Section 55. KRS 161.522 is amended to read as follows:

14 Upon the death of a member retired for disability who had a minimum of twenty-seven
 15 (27) years of service at the time of death, except as provided in KRS 161.661(6), the
 16 spouse, if named as the primary beneficiary of the member's account, shall be entitled to
 17 elect, in lieu of a refund of the member's account, an annuity actuarially equivalent to the
 18 annuity that would have been paid to the deceased member had retirement for service
 19 been effective on the day immediately preceding the member's death. This option shall be
 20 available only during the entitlement period described under KRS 161.661(3) and (4)
 21 prior to the recalculation of the member's disability allowance under KRS 161.661(5). In
 22 selecting this right, the spouse shall be limited to selecting an option providing a straight
 23 life annuity with refundable balance or a term certain option. There shall be a monthly
 24 minimum allowance of three hundred dollars (\$300) as the basic straight life annuity.
 25 This section applies to surviving spouses of members who were receiving benefit
 26 payments under KRS 161.520 as of June 30, 1988, and to surviving spouses of members
 27 who die on or after July 1, 1984, except that the member shall have been retired for

1 disability with a minimum of thirty (30) years of service if either of these two (2)
 2 conditions were met prior to July 1, 1990. ***This section does not apply to individuals who***
 3 ***become members on or after January 1, 2019.***

4 ➔Section 56. KRS 161.525 is amended to read as follows:

5 (1) Upon death of a member in active contributing status at the time of death, who was
 6 eligible to retire by reason of service, the spouse, if named as the primary
 7 beneficiary of the member's retirement account, or in the absence of an eligible
 8 spouse a legal dependent of the member, if named as the primary beneficiary, shall
 9 be entitled to elect, in lieu of a refund of the member's ***accumulated*** account
 10 ***balance*** or benefits provided in KRS 161.520, an annuity actuarially equivalent at
 11 the attained age of the beneficiary to the annuity that would have been paid to the
 12 deceased member had retirement been effective on the day immediately preceding
 13 the member's death. Under the provisions of KRS 61.680, benefits shall be
 14 processed as if the member retired for service. In exercising this right the spouse or
 15 legal dependent shall be limited to selecting an option providing either a straight life
 16 annuity with refundable balance or a term certain option. A spouse may receive the
 17 annuity provided by this section at the same time as children are qualifying for
 18 survivors' benefits under the provisions of KRS 161.520; however, a legal
 19 dependent, other than a spouse, may not receive these payments if children have
 20 qualified for benefits under that section.

21 (2) A spouse qualifying for an annuity under subsection (1) of this section may defer
 22 the payments in order to reduce the actuarial discounts to be applied due to age.

23 (3) Upon death of a member in active contributing status at the time of his death, who
 24 had a minimum of twenty-seven (27) years of service, the spouse, if named as the
 25 primary beneficiary of the member's account shall be entitled to a monthly
 26 minimum allowance of three hundred dollars (\$300) as the basic straight life
 27 annuity. This provision applies to surviving spouses of members who were

receiving benefit payments under KRS 161.520 as of June 30, 1986, and to surviving spouses of members who die on or after July 1, 1986. *This subsection does not apply to individuals who become members on or after January 1, 2019.*

➔Section 57. KRS 161.540 is amended to read as follows:

 14 achieves a sufficient prefunded status as determined by the retirement
 15 system's actuary, the board of trustees shall recommend to the General

20 (d) Payments authorized by statute that are made to retiring members, who
 21 became members of the system before July 1, 2008, for not more than sixty
 22 (60) days of unused accrued annual leave shall be considered as part of the
 23 member's annual compensation, and shall be used only for the member's final
 24 year of active service. The contribution of members shall not exceed these
 25 applicable percentages on annual compensation. When a member retires, if it
 26 is determined that he has made contributions on a salary in excess of the
 27 amount to be included for the purpose of calculating his final average salary,

any excess contribution shall be refunded to him in a lump sum at the time of the payment of his first retirement allowance. In the event a member is awarded a court-ordered back salary payment the employer shall deduct and remit the member contribution on the salary payment, plus interest to be paid by the employer, to the retirement system unless otherwise specified by the court order.

- (2) Each public board, institution, or agency listed in KRS 161.220(4) shall, solely for the purpose of compliance with Section 414(h) of the United States Internal Revenue Code, pick up the member contributions required by this section for all compensation earned after August 1, 1982, and the contributions so picked up shall be treated as employer contributions in determining tax treatment under the United States Internal Revenue Code and KRS 141.010(10). The picked-up member contribution shall satisfy all obligations to the retirement system satisfied prior to August 1, 1982, by the member contribution, and the picked-up member contribution shall be in lieu of a member contribution. Each employer shall pay these picked-up member contributions from the same source of funds which is used to pay earnings to the member. The member shall have no option to receive the contributed amounts directly instead of having them paid by the employer to the system. Member contributions picked-up after August 1, 1982, shall be treated for all purposes of KRS 161.220 to 161.714 in the same manner and to the same extent as member contributions made prior to August 1, 1982.

➔Section 58. KRS 161.545 is amended to read as follows:

- (1) (a) Members may make contributions and receive service credit for substitute, part-time, or any service other than regular full-time teaching as provided in the administrative regulations of the board of trustees if contributions were not otherwise made as a result of the service. *This paragraph does not apply to members who retired on or after January 1, 2019, and are reemployed on or*

2 **(b)** Members placed on leave of absence during a period of full-time employment
3 as defined in KRS 161.220(21) may make contributions and receive service
4 credit for this leave only if contributions are made by the end of the fiscal year
5 next succeeding the year in which the leave was effective as provided in
6 administrative regulations promulgated by the board of trustees. Contributions
7 permitted after August 1, 1982, shall not be picked-up pursuant to KRS
8 161.540(2).

9 (2) Active contributing members of the Teachers' Retirement System, or former
10 members who are currently participating in a state-administered retirement system,
11 who were granted leaves of absence during a period of full-time employment as
12 defined in KRS 161.220(21) since July 1, 1964, for reasons of health as defined
13 under the Federal Family Medical Leave Act of 1993, 29 U.S.C. secs. 2601 et seq.,

15 the leave of absence as provided in subsection (1) of this section may obtain credit
16 for the leave of absence as provided under the administrative regulations of the
17 board of trustees and under the following conditions:

18 (a) The leave of absence shall be verified by a copy of the board of education
19 minutes which granted the leave of absence or by other documentation that
20 was generated contemporaneously with the leave that is determined by the
21 retirement system to reasonably establish that a leave of absence was granted;
22 and

23 (b) The member shall contribute the required percentage based on the salary
24 received for the year immediately preceding the leave of absence plus interest
25 at the rate of eight percent (8%) compounded annually from the beginning of
26 the school year following the year of the leave of absence, and by depositing
27 in the state accumulation fund an amount equal to this total.

1 (c) The member shall receive credit for no more than two (2) years under the
2 provisions of this subsection.

3 (3) Contributions permitted under this section after August 1, 1982, shall not be picked-
4 up pursuant to KRS 161.540(2).

5 (4) Notwithstanding any other provisions of this section to the contrary, purchase of
6 service credit under subsection (2) of this section:

7 (a) For individuals who become members on or after July 1, 2008, *but prior to*
8 *January 1, 2019*, shall be purchasable only at the full actuarial cost; and

9 *(b) Shall not apply to individuals who become members on or after January 1,*
10 *2019.*

11 ➔Section 59. KRS 161.5465 is amended to read as follows:

12 On or after August 1, 1998, a member of the Teachers' Retirement System in active
13 contributing status who has a minimum of twenty (20) years of service credit may
14 purchase up to a maximum of five (5) years of service credit that is not otherwise
15 purchasable under any of the provisions of KRS 161.220 to 161.716 and that meets the
16 definition of nonqualified service as provided in Section 1526 of the Federal Taxpayer
17 Relief Act of 1997. The member shall pay the full actuarial cost of the service credit as
18 provided in KRS 161.220(22). The payment shall not be picked up by the employer as
19 described in KRS 161.540(2), and the member's payment shall be credited to the
20 member's contribution account and shall be considered accumulated contributions of the
21 member. Payment by the member may be by lump sum or by installment payments as
22 provided in KRS 161.597. Notwithstanding any other statute to the contrary, the
23 Kentucky Teachers' Retirement System shall recognize nonqualified service credit
24 purchased with another retirement system only to the extent that the member had an
25 equivalent number of full months of active employment in the position covered by the
26 other retirement system during the period that the nonqualified service was purchased.
27 This section shall not apply to:

(1) Individuals who become members on or after July 1, 2008, but prior to January 1, 2019, except that a teacher of a local school board may purchase up to ten (10) months of service under this section if the teacher is retiring and has completed the prior school year with at least twenty-six (26) years and two (2) months of service but less than twenty-seven (27) years of service; and

(2) Individuals who become members on or after January 1, 2019.

The member may purchase all or part of his service as a legislator, but no less than one (1) year of service. The entire payment shall be placed in the teachers' saving fund.

➔Section 61. KRS 161.548 is amended to read as follows:

An individual who became a member of the Teachers' Retirement System prior to January 1, 2019, who is in an active contributing status with the system, and who was formerly employed in a regional community service program for mental health and individuals with an intellectual disability, organized and operated under the provisions of KRS 210.370 to 210.480, which does not participate in a state-administered retirement system, may obtain credit for the period of his service in the regional community program for mental health and individuals with an intellectual disability by paying to the Teachers' Retirement System the full actuarial cost of the service credit purchased, as provided in KRS 161.220(22). The service credit purchased may not be used for meeting the service requirements set forth in KRS 161.600(1)(a) or 161.661(1). The payment shall not be picked up, as described in KRS 161.540(2), and the entire payment shall be placed in the teachers' savings fund.

➔Section 62. KRS 161.549 is amended to read as follows:

An individual who became a member of the Teachers' Retirement System prior to January 1, 2019, who is in an active contributing status with the system, and who was formerly employed by a Federal Head Start agency, operated under 42 U.S.C. secs. 9831 et seq., which does not participate in a state-administered retirement system, may obtain credit for the period of the member's service in the Head Start program by purchasing this service credit under the same conditions that out-of-state service credit may be purchased under KRS 161.515. The service credit purchased may not be used for meeting the service requirements set forth in KRS 161.600(1)(a) or 161.661(1). **(b) Effective July 1, 2020, and for each year thereafter, each employer shall pay
the additional contributions needed to fund the Teachers' Retirement
System pension fund and life insurance fund on an actuarially sound basis
as determined by the system's actuarial valuation completed in accordance
with Section 46 of this Act and as specified by this section. The amount
payable under the provisions of this paragraph shall:**

1 1. Be in addition to the amounts provided under paragraph (a)1.a. and
 2 (a)2.a. of this subsection;

3 2. Not include the cost or funding of benefits established by KRS
 4 161.553; and

5 3. Shall be prorated to each employer based upon the individual
 6 employer's average percentage of the total compensation reported by

 8 2016-2017, except that the amount shall be paid by state appropriation
 9 only for those employers who cover memberships specified by
 10 subsection (4)(a) of Section 45 of this Act.

11 (c) The contributions payable under paragraphs (a)1.a., (a)2.a., and (b) of this
 12 subsection by employers and the state shall be equal to the sum of the
 13 "normal cost" contribution and the "actuarially accrued liability
 14 contribution," except that the minimum contribution to fund pension and
 15 life insurance benefits shall not be less than the combined employer
 16 contribution to fund pension and life insurance benefits specified by
 17 paragraph (a) of this subsection and subsection (3) of this section.

18 (d) For purposes of this subsection, the normal cost contribution shall be
 19 computed as a percentage of payroll and shall be an annual amount that is
 20 sufficient when combined with employee contributions to fund pension and
 21 life insurance benefits earned during the year, including costs for members
 22 participating in the hybrid cash balance plan.

23 (e) For purposes of this subsection, the actuarially accrued liability
 24 contribution shall be an annual amount that is sufficient to amortize the
 25 total unfunded actuarially accrued liability over a closed period of thirty
 26 (30) years using:

27 1. The level percentage of payroll amortization method in the 2018

1 actuarial valuation with a payroll growth assumption of two and six
 2 hundred twenty-five thousandths percent (2.625%);

3 2. The level percentage of payroll amortization method in the 2019
 4 actuarial valuation with a payroll growth assumption of one and
 5 seventy-five hundredths percent (1.75%);

6 3. The level percentage of payroll amortization method in the 2020
 7 actuarial valuation with a payroll growth assumption of eight hundred
 8 seventy-five thousandths percent (0.875%); and

 10 and for each valuation occurring thereafter.

11 The amortization period shall be reset to a new thirty (30) year closed period
 12 beginning with the 2018 actuarial valuation.

13 (f) Effective with the 2018 actuarial valuation, which determines the employer
 14 rates payable on or after July 1, 2020, the employer contributions computed

19 3. Other funding methods and assumptions established by the board in
 20 accordance with Section 46 of this Act.

21 (2) In addition to the required contributions in subsection (1) of this section, the state
 22 shall contribute annually to the Kentucky Teachers' Retirement System a percentage
 23 of the total salaries of the state-funded and federally funded members it employs to
 24 pay the cost of health insurance coverage for retirees who are not eligible for
 25 Medicare and who retire on or after July 1, 2010, less the amounts that are
 26 otherwise required to be paid by the retirees under KRS 161.675. The Kentucky
 27 Teachers' Retirement System may also request an additional amount necessary to

1 ensure payment of medical insurance costs through fiscal year 2015-2016 which
 2 shall not be subject to the limitations of paragraph (c) of this subsection. The board
 3 shall deposit funds in the medical insurance fund unless the board of trustees has
 4 established a trust fund under 26 U.S.C. sec. 115 for this purpose. In this case, the
 5 board may deposit the employer contribution in that trust fund. This contribution
 6 shall be known as the state medical insurance fund stabilization contribution. The
 7 percentage to be contributed by the state under this subsection:

8 (a) Shall be determined by the retirement system's actuary for each biennial
 9 budget period;

10 (b) May be suspended or adjusted by the General Assembly if in its judgment the
 11 welfare of the Commonwealth so demands; and

12 (c) Shall not exceed the lesser of the actual benefit cost for retirees not eligible for
 13 Medicare who retire on or after July 1, 2010, or the amount contributed by
 14 employers under subsection (3) of this section.

4 purpose of providing benefits to members and annuitants and these contributions
5 shall be considered deferred compensation to the members.

6 ➔Section 64. KRS 161.568 is amended to read as follows:

7 (1) Eligibility to participate in the optional retirement plan shall be determined by the
8 board of regents of each of the state public postsecondary education institutions

11 optional retirement plan may make an election to participate in the optional
12 retirement plan within thirty (30) days after their employment date. This election
13 shall be irrevocable except as otherwise provided in this subsection. No member of
14 the Kentucky Teachers' Retirement System who terminates employment and is
15 subsequently reemployed by the same or another public postsecondary education
16 institution which participates in the Kentucky Teachers' Retirement System may be
17 eligible to elect to participate in the optional retirement plan unless the date of

18 be presented to the person receiving the records for his or her signature and
19 shall be immediately signed and returned to the person delivering the records.
20 When an affidavit or copies of records are sent via certified mail, the receipt

22 affidavit or copies of records.

23 (e) When the affidavit or copies of records are delivered to a party for use in
24 deposition they shall, after termination of the deposition, be delivered
25 personally or by certified mail to the clerk of the court or other body before

27 (f) Upon completion of delivery by the retirement system of copies of records by

1 their deposit in the mail or by their personal delivery to the requesting party,
 2 the retirement system shall cease to have any responsibility or liability for the
 3 records and their continued maintenance in a confidential manner.

4 (g) Records of the Kentucky Teachers' Retirement System that are susceptible to
 5 reproduction may be proved as to foundation, identity, and authenticity
 6 without preliminary testimony, by use of legible and durable copies, certified
 7 in accordance with the provisions of this subsection.(h) The provisions of
 8 this subsection shall not be construed to prohibit the Kentucky Teachers'
 9 Retirement System from asserting any exemption, exception, or relief
 10 provided under the Kentucky Rules of Civil Procedure or other applicable
 11 law.

12 (5) For purposes of this section, "records" includes retirement estimates, affidavits, and

 18 subsequent service rendered by him for which service credit has been allowed.

19 (2) Kentucky service, presented at the time of retirement, may not be used in
 20 calculating benefits under Section 43 of this Act, KRS 161.525, 161.620, or
 21 161.661, if such service has been used to increase benefits in another retirement
 22 system, not including Old Age and Survivors Insurance Benefits under the Social
 23 Security Administration.

24 (3) No service credit shall be added to a member's account after the effective date of
 25 retirement for service.

26 ➔Section 68. KRS 161.595 is amended to read as follows:

27 (1) Upon service retirement, an individual who becomes a member of the Teachers'

1 Retirement System *prior to January 1, 2019*, may obtain credit for all or any part of
 2 the service otherwise creditable under the Kentucky Employees Retirement System,
 3 the County Employees Retirement System, or in the service of the United States
 4 government for which service credit is not otherwise given, upon the payment by
 5 the member of the full actuarial cost of the service credit purchased as defined in
 6 KRS 161.220(22). Such payments shall not be picked up, as described in KRS
 7 161.540(2).

8 (2) The amount paid under this section shall be considered as accumulated
 9 contributions of the individual member.

10 (3) No person shall be allowed credit for the same period of service in more than one
 11 (1) of these three (3) retirement systems.

12 ➔Section 69. KRS 161.600 is amended to read as follows:

13 (1) Effective July 1, 1988, a member of the retirement system may qualify for service

2 years of Kentucky service credit is less than twenty-seven (27),
3 whichever is the lesser number;

4 (c) Completion of twenty-seven (27) years of Kentucky service. Out-of-state
5 service earned in accordance with the provisions of KRS 161.515(2) may be
6 used to meet this requirement; or

7 (d) Completion of the necessary years of service under provisions of KRS
8 61.559(2)(c) if the member is retiring under the reciprocity provisions of KRS
9 61.680. A member retiring under this paragraph who has not attained age
10 fifty-five (55) shall incur an actuarial reduction of the basic allowance
11 determined by the system's actuary for each year the member's service credit is
12 less than twenty-seven (27).

13 (2) Any person who has been a member in Kentucky for twenty-seven (27) years or
14 more and who withdraws from covered employment may continue to pay into the
15 fund each year until the end of the fiscal year in which he reaches the age of sixty-
16 five (65) years, the current contribution rate based on the annual compensation
17 received during the member's last full year in covered employment, less any
18 payment received for accrued sick leave or accrued leave from an employer. The
19 member shall be entitled to receive a retirement allowance as provided in KRS
20 161.620 at any time after withdrawing from covered employment and payment of
21 contributions under this subsection. No member shall make contributions as
22 provided for in this subsection if the member is at the same time making
23 contributions to another retirement system in Kentucky supported wholly or in part
24 by public funds.

25 (3) Service credit in the Kentucky Employees Retirement System, the State Police
26 Retirement System, the Legislators' Retirement Plan, the County Employees
27 Retirement System, or the Judicial Retirement System may be used in meeting the

1 service requirements of subsection (1)(a), (b), and (c) of this section, provided the
2 service is subsequent to July 1, 1956.

3 (4) Upon death, disability, or service retirement, a member's accounts under all state
4 supported retirement systems shall be consolidated, as provided by this section and
5 by KRS 61.680, for the purpose of determining eligibility and amount of benefits,
6 which shall include medical benefits. Upon determination of benefits, each system

9 of the payments that will be made.

10 ~~(5)~~~~(4)~~ No retirement annuity shall be effective until written application and option
11 election forms are filed with the retirement office in accordance with administrative
12 regulations of the board of trustees. A member may withdraw his or her retirement
13 application, postpone his or her effective retirement date, or change his or her
14 retirement option if these elections are made no later than the fifteenth day of the
15 month in which the member has made application for retirement.

16 ~~(6)~~~~(5)~~ The surviving spouse of an active contributing member, if named as

20 **individuals who become members of the Teachers' Retirement System on or after**
21 **January 1, 2019. Individuals who become members of the Teachers' Retirement**
22 **System on or after January 1, 2019, shall receive the retirement benefits**
23 **prescribed by Section 43 of this Act.**

24 ➔Section 70. KRS 161.605 is amended to read as follows:

25 Any member retired by reason of service may return to work in a position covered by the
26 Kentucky Teachers' Retirement System and continue to receive his or her retirement
27 allowance under the following conditions:

- 1 (1) Any member who is retired with thirty (30) or more years of service may return to
2 work in a full-time or a part-time position covered by the Kentucky Teachers'
3 Retirement System and earn up to a maximum of seventy-five percent (75%) of the
4 member's last annual compensation measured on a daily rate to be determined by
5 the board of trustees. For purposes of determining whether the salary of a member
6 returning to work is seventy-five percent (75%) or less of the member's last annual
7 compensation, all remuneration paid and benefits provided to the member, on an
8 actual dollar or fair market value basis as determined by the retirement system, shall
9 be considered. Members who were retired on or before June 30, 2002, shall be
10 entitled to return to work under the provisions of this section as if they had retired
11 with thirty (30) years of service. Nonqualified service credit purchased under the
12 provisions of KRS 161.5465 or elsewhere with any state-administered retirement
13 system shall not be used to meet the thirty (30) year requirement set forth in this
14 subsection. Out-of state teaching service provided in public schools for kindergarten
15 through grade twelve (12) may count toward the thirty (30) year requirement set
16 forth in this subsection even if it is not purchased as service credit, if the member
17 obtains from his or her out-of-state employer certification of this service on forms
18 prescribed by the retirement system;
- 19 (2) Any member who is retired with less than thirty (30) years of service after June 30,
20 2002, may return to work in a full-time or part-time position covered by the
21 Kentucky Teachers' Retirement System and earn up to a maximum of sixty-five
22 percent (65%) of the member's last annual compensation measured on a daily rate to
23 be determined by the board of trustees. For purposes of determining whether the
24 salary of a member returning to work is sixty-five percent (65%) or less of the
25 member's last annual compensation, all remuneration paid and benefits provided to
26 the member, on an actual dollar or fair market value basis as determined by the
27 retirement system, shall be considered;

- 1 (3) Reemployment of a retired member under subsection (1) or (2) of this section in a
2 full-time teaching or nonteaching position in a local school district shall be
3 permitted only if the employer certifies to the Kentucky Teachers' Retirement
4 System that there are no other qualified applicants available to fill the teaching or
5 nonteaching position. The employer may use any source considered reliable
6 including but not limited to data provided by the Education Professional Standards
7 Board and the Department of Education to determine whether other qualified
8 applicants are available to fill the teaching or nonteaching position. The Kentucky
9 Board of Education shall promulgate administrative regulations to establish
10 procedures to determine whether other qualified applicants are available to fill a
11 teaching or nonteaching position and, if not, for filling the position with a retired
12 member who will then be permitted to return to work in that position under
13 subsection (1) or (2) of this section. The administrative regulations shall assure that
14 a retired member shall not be hired in a teaching or nonteaching position by a local
15 school district until the superintendent of the school district assures the Kentucky
16 Teachers' Retirement System that every reasonable effort has been made to recruit
17 other qualified applicants for the position on an annual basis;
- 18 (4) Under this section, an employer may employ full-time a number of retired members
19 not to exceed three percent (3%) of the membership actively employed full-time by
20 that employer. The board of trustees may reduce this three percent (3%) cap upon
21 recommendation of the retirement system's actuary if a reduction is necessary to
22 maintain the actuarial soundness of the retirement system. The board of trustees
23 may increase the three percent (3%) cap upon a determination that an increase is
24 warranted to help address a shortage in the number of available teachers and upon
25 the determination of the retirement system's actuary that the proposed cap increase
26 allows the actuarial soundness of the retirement system to be maintained. For
27 purposes of this subsection, "full-time" means the same as defined by KRS

1 161.220(21). A local school district may exceed the quota established by this
 2 subsection by making an annual written request to the Kentucky Department of
 3 Education which the department may approve on a year-by-year basis if the
 4 statewide quota has not been met. A district's written request to exceed its quota
 5 shall be submitted no sooner than two (2) weeks after the start of the school year;

6 (5) **(a)** **Except as provided by subsection (10) of this section,** a member returning to
 7 work in a full-time or part-time position under subsection (1) or (2) of this
 8 section will contribute to an account with the retirement system that will be
 9 administered independently from and with no reciprocal impact with the
 10 member's original retirement account, or any other account from which the
 11 member is eligible to draw a retirement allowance.

12 **(b)** **Except as provided by subsection (10) of this section,** a member returning to
 13 work under subsection (1) or (2) of this section shall make contributions to the
 14 retirement system at the rate provided under KRS 161.540. The new account
 15 shall independently meet the five (5) year vesting requirement as well as all
 16 other conditions set forth in KRS 161.600(1) before any retirement allowance
 17 is payable from this account. The retirement allowance accruing under this
 18 new account shall be calculated pursuant to KRS 161.620(1)(b). This new
 19 account shall not entitle the member to a duplication of the benefits offered
 20 under KRS 161.620(7) or 161.675, nor shall this new account provide the
 21 benefits offered by KRS 161.520, 161.525, 161.620(3), 161.655, 161.661, or
 22 161.663.

23 **(c)** A member returning to work under subsection (1) or (2) of this section shall
 24 waive his or her medical insurance with the Kentucky Teachers' Retirement
 25 System during the period of reemployment and shall receive the medical
 26 insurance coverage that is generally provided by the member's active employer
 27 to the other members of the retirement system that the active employer

1 employs. If medical insurance coverage is not available from the employer,
2 the Kentucky Teachers' Retirement System may provide coverage for the
3 member.

4 (d) A member returning to work under subsection (1) or (2) of this section shall
5 not be eligible to purchase service credit for any service provided after the
6 member's effective date of retirement but prior to the date that the member
7 returns to work. A member returning to work under subsection (1) or (2) of
8 this section shall not be eligible to purchase service credit that the member
9 would have otherwise been eligible to purchase prior to the member's initial
10 retirement.

11 (e) A member who returns to work under subsection (1) or (2) of this section, or
12 in the event of the death of the member, the member's estate or applicably
13 designated beneficiary, shall be entitled, within ninety (90) days of the posting
14 of the annual report submitted by the employer, to a refund of contributions as
15 permitted and limited by KRS 161.470;

16 (6) The board of trustees may annually, on July 1, adjust the current daily rate of a
17 member's last annual compensation, for each full twelve (12) month period that has
18 elapsed subsequent to the member earning his or her last annual compensation, by
19 the percentage increase in the annual average of the consumer price index for all
20 urban consumers for the calendar year preceding the adjustment as published by the
21 Federal Bureau of Labor Statistics, not to exceed five percent (5%) annually. Each
22 annual adjustment shall become part of the member's daily rate base. Failure to
23 comply with the salary limitations set forth in subsections (1) and (2) of this section
24 as may be adjusted by this subsection shall result in a reduction of the member's
25 retirement allowance or any other benefit to which the member would otherwise be
26 entitled on a dollar-for-dollar basis for each dollar that the member exceeds these
27 salary limitations. Notwithstanding any other provision of law to the contrary, a

1 member retiring from a local school district who returns to work for a local school
2 district under subsection (1) or (2) of this section shall be entitled, without any
3 reduction to his or her retirement allowance or any other retirement benefit, to earn
4 a minimum amount equal to one hundred seventy dollars (\$170) per day;

5 (7) (a) A retired member returning to work under subsection (1) or (2) of this section
6 shall have separated from service for a period of at least one (1) year if
7 returning to work for the same employer on a full-time basis, and at least three
8 (3) months if returning to work for a different employer on a full-time basis. A
9 retired member returning to work under subsection (1) or (2) of this section on
10 a part-time basis shall have separated from service for a period of at least three
11 (3) months before returning to work for any employer.

12 (b) As an alternative to the separation-from-service requirements in paragraph (a)
13 of this subsection, a retired member who is returning to work for the same
14 employer in a full-time position under subsections (1) and (2) of this section
15 may elect a separation-from-service of not less than two (2) months followed
16 by a forfeiture of the retired member's retirement allowance on a month-to-
17 month basis for each month that the member has separated from service for
18 less than twelve (12) full months. A retired member returning to work for the
19 same employer in a part-time position, or for a different employer in a full-
20 time position, may elect an alternative separation-from-service requirement of
21 at least two (2) months followed by a forfeiture of the member's retirement
22 allowance for one (1) month. During the period that the member forfeits his or
23 her retirement allowance and thereafter, member and employer contributions
24 shall be made to the retirement system as a result of employment in any
25 position subject to membership in the retirement system. The member shall
26 contribute to an account with the retirement system subject to the conditions
27 set forth in subsection (5) of this section. For purposes of measuring the

1 separation-from-service requirements set forth throughout this section, a
2 member's separation-from-service begins on the first day following the last
3 day of paid employment for the member prior to retirement.

4 (c) Failure to comply with the separation-from-service requirements in this
5 subsection voids a member's retirement and the member shall be required to
6 return all the retirement benefits he or she received, with interest, for the
7 period of time that the member returned to work without a sufficient
8 separation from service;

9 (8) (a) Effective July 1, 2004, local school districts may employ retired members in
10 full-time or part-time teaching or administrative positions without limitation
11 on the compensation of the retired members that is otherwise required by
12 subsections (1) and (2) of this section. Under provisions of this subsection, a
13 local school district may only employ retired members to fill critical shortage
14 positions for which there are no other qualified applicants as determined by
15 the local superintendent. The number of retired members that a local school
16 district may employ under this subsection shall be no more than two (2)
17 members per local school district or one percent (1%) of the total active
18 members employed by the local school district on a full-time basis as defined
19 under KRS 161.220(21), whichever number is greater. Retired members
20 returning to work under this subsection shall be subject to the separation-
21 from-service requirements set forth in subsection (7) of this section. Retired
22 members returning to work under this subsection shall waive their medical
23 insurance coverage with the retirement system during their period of
24 reemployment and receive medical insurance coverage that is offered to other
25 full-time members employed by the local school district. Retired members
26 returning to work under this subsection shall contribute to an account subject
27 to the conditions set forth in subsection (5) of this section. Retired members

1 returning to work under this subsection shall make contributions to the
2 retirement system at the rate provided under KRS 161.540. The employer
3 shall make contributions at the rate provided under KRS 161.550. Local
4 school districts shall make annual payments to the retirement system on the
5 compensation paid to the reemployed retirees at the rates determined by the
6 retirement system's actuary that reflect any accrued liability resulting from the
7 reemployment of these members.

8 (b) The Department of Education may employ retired members in full-time or
9 part-time teaching or nonteaching positions without the limitations on
10 compensation otherwise required by subsections (1) and (2) of this section to
11 fill critical shortage areas in the schools it operates, including the Kentucky
12 School for the Blind, the Kentucky School for the Deaf, and the Kentucky
13 Virtual High School, and to serve on audit teams. The department shall be
14 subject to the same requirements as local school districts as provided in
15 paragraph (a) of this subsection, except the Kentucky Teachers' Retirement
16 System shall determine the maximum number of employees that may be
17 employed under this paragraph;

18 (9) The return to work limitations set forth in this section shall apply to retired
19 members who are returning to work in the same position from which they retired, or
20 a position substantially similar to the one from which they retired, or a position
21 described in KRS 161.046 or any position listed in KRS 161.220(4) which requires
22 membership in the retirement system. Positions which generally require certification
23 or graduation from a four (4) year college or university as a condition of
24 employment which are created, or changed to remove the position from coverage
25 under KRS 161.220(4) are also subject to the return to work limitations set forth in
26 this section. The board of trustees shall determine whether employment in a
27 nonteaching position is subject to this subsection;

- 1 (10) (a) Notwithstanding the provisions of this section, individuals who retire and
 2 begin drawing a retirement allowance from one (1) or more of the systems
 3 or plans administered by the Kentucky Retirement Systems, the Teachers'
 4 Retirement System, or the Judicial Form Retirement System on or after
 5 January 1, 2019, who are reemployed on or after January 1, 2019, with an
 6 employer participating in the Teachers' Retirement System shall not be
 7 eligible to contribute to or earn benefits in a second retirement account
 8 during the period of reemployment. Employers shall be required to pay the
 9 employer normal cost for pension benefits established by Section 63 of this
 10 Act for any period of full-time reemployment to help pay down the
 11 unfunded liability of the Teachers' Retirement System pension fund.
- 12 (b) The provisions of subsections (1) to (8) of this section are not subject to KRS
 13 161.714;
- 14 (11) Any member retired by reason of service may waive his or her annuity and return to
 15 full-time employment in a position covered by the Kentucky Teachers' Retirement
 16 System under the following conditions:
- 17 (a) The member shall receive no annuity payments while employed in a covered
 18 position, shall waive his or her medical insurance coverage with the Kentucky
 19 Teachers' Retirement System during the period of reemployment, and shall
 20 receive the medical insurance coverage that is generally offered by the
 21 member's active employer to the other members of the retirement system
 22 employed by the active employer. The member's estate or, if there is a
 23 beneficiary applicably designated by the member, then the beneficiary, shall
 24 continue to be eligible for life insurance benefits as provided in KRS 161.655.
 25 Service subsequent to retirement shall not be used to improve an annuity,
 26 except as provided in paragraphs (b) and (c) of this subsection;
- 27 (b) Any member who waives regular annuity benefits and returns to teaching or

1 covered employment shall be entitled to make contributions on the salaries
2 received for this service and have his retirement annuity recalculated as
3 provided in the regular retirement formula in KRS 161.620(1), less any
4 applicable actuarial discount applied to the original retirement allowance due
5 to the election of a joint and last survivor option. Retirement option and
6 beneficiary designation on original retirement shall not be altered by
7 postretirement employment, and dependents and spouses of the members shall
8 not become eligible for benefits under KRS 161.520, 161.525, or 161.661
9 because of postretirement employment;

10 (c) When a member returns to full-time teaching or covered employment as
11 provided in subsection (b) of this section, the employer is required to withhold
12 and remit regular retirement contributions. The member must be employed
13 full-time for at least one (1) consecutive contract year to be eligible to
14 improve an annuity. The member shall be returned to the annuity rolls on July
15 1 following completion of the contract year or on the first day of the month
16 following the month of termination of service if full-time employment
17 exceeds one (1) consecutive contract year. Any discounts applied at the time
18 of the original retirement due to service or age may be reduced or eliminated
19 due to additional employment if full-time employment is for one (1)
20 consecutive contract year or longer; and

21 (d) A member retired by reason of service who has been employed the equivalent
22 of twenty-five (25) days or more during a school year under KRS 161.605
23 may waive the member's retirement annuity and return to regular employment
24 covered by the Kentucky Teachers' Retirement System during that school year
25 a maximum of one (1) time during any five (5) year period, beginning with
26 that school year;

27 (12) Retired members may be employed in a part-time teaching capacity by an agency

described in KRS 161.220(4)(b) or (n), not to exceed the equivalent of twelve (12) teaching hours in any one (1) fiscal year. Retired members may be employed for a period not to exceed the equivalent of one hundred (100) days in any one (1) fiscal year in a part-time administrative or nonteaching capacity by an agency described in KRS 161.220(4)(b) or (n) in a position that would otherwise be covered by the retirement system. The return to work provisions set forth in subsections (1) to (8) of this section shall not apply to retired members who return to work solely for an agency described in KRS 161.220(4)(b) or (n). Calculation of the number of days and teaching hours for part-time teaching, substitute teaching, or part-time employment in a nonteaching capacity under this section shall not exceed the ratio between a school year and the actual months of retirement for the member during that school year. The board of trustees by administrative regulation may establish fractional equivalents of a day of teaching service. Any member who exceeds the twelve (12) hour or one hundred (100) day limitations of this subsection shall be subject to having his or her retirement voided and be required to return all retirement allowances and other benefits paid to the member or on the member's behalf since the effective date of retirement. In lieu of voiding a member's retirement, the system may reduce the member's retirement allowance or any other benefit to which the member would otherwise be entitled on a dollar-for-dollar basis for each dollar of compensation that the member earns in employment exceeding twelve (12) hours, one hundred (100) days, or any apportionment of the two (2) combined;

- (13) When a retired member returns to employment in a part-time teaching capacity or in a nonteaching capacity as provided in subsection (12) of this section, the employer shall contribute annually to the retirement system on the compensation paid to the retired member at rates determined by the retirement system actuary that reflect accrued liability for retired members who return to work under subsection (12) of

1 this section; and

2 (14) For retired members who return to work during any one (1) fiscal year in both a
 3 position described in KRS 161.220(4)(b) or (n) and in a position described under
 4 another provision under KRS 161.220(4), and for retired members who return to
 5 work in a position described under KRS 161.220(4)(b) or (n) in both a teaching and
 6 an administrative or nonteaching capacity, the board of trustees shall adopt a
 7 methodology for a pro rata apportionment of days and hours that the retired member
 8 may work in each position.

9 ➔Section 71. KRS 161.612 is amended to read as follows:

10 Effective July 1, 2002, any individual occupying a position on a part-time basis that
 11 requires certification or graduation from a four (4) year college or university as a
 12 condition of employment and any individual providing part-time or substitute teaching
 13 services that are the same or similar to those teaching services provided by certified, full-
 14 time teachers shall be a member of the Kentucky Teachers' Retirement System, according
 15 to the conditions and only to the extent set forth in this section, if the individual is
 16 employed by one (1) of the public boards, institutions, or agencies set forth in KRS
 17 161.220, excluding those public boards, institutions, and agencies described in KRS
 18 161.220(4)(b) and (n). Members providing part-time and substitute services shall
 19 participate in the retirement system as follows:

20 (1) Members providing part-time and substitute services shall accrue service credit as
 21 provided under KRS 161.500 and be entitled to a retirement allowance upon
 22 meeting the service retirement conditions of KRS 161.600 or Section 43 of this
 23 Act, as applicable. The board of trustees shall adopt a methodology for accrediting
 24 service credit to these members on a pro rata basis. The methodology adopted by
 25 the board of trustees may be amended as necessary to ensure its actuarial soundness.
 26 The retirement allowance for members providing part-time and substitute services
 27 shall be calculated pursuant to KRS 161.620 or Section 43 of this Act, as

1 applicable, except that the provisions of KRS 161.620(3) shall not apply. Members
2 providing part-time and substitute services who meet the service retirement
3 conditions of KRS 161.600 or Section 43 of this Act, as applicable, may also be
4 eligible to participate as approved by the board of trustees in the medical insurance
5 program provided by the retirement system under KRS 161.675. Members
6 providing part-time and substitute services shall make contributions to the Kentucky
7 Teachers' Retirement System at the rate provided under KRS 161.540. A member
8 who provides part-time or substitute services, or in the event of the death of the
9 member, the member's estate or applicably designated beneficiary, will be entitled,
10 within ninety (90) days of the posting of the annual report submitted by the
11 member's employer, to a refund of contributions as permitted and limited by KRS
12 161.470;

13 (2) The board of trustees shall adopt eligibility conditions under which members
14 providing part-time and substitute services may participate in the benefits provided
15 under KRS 161.520, 161.655, 161.661, and 161.663. The board of trustees may
16 permit members providing part-time or substitute services to participate in other
17 benefits offered by the retirement system by promulgating administrative
18 regulations that establish eligibility conditions for participation in these benefits. All
19 eligibility conditions adopted by the board of trustees pursuant to this subsection
20 may be amended as necessary to ensure their actuarial soundness;

21 (3) In addition to the pro rata methodology adopted by the board of trustees under
22 subsection (1) of this section, members providing part-time and substitute services
23 shall be subject to all limitations and conditions regarding the accrual, retention,
24 accreditation, and use of service credit that apply to members providing full-time
25 services. In addition to the eligibility conditions set forth by the board of trustees
26 under subsection (2) of this section, members providing part-time and substitute
27 services shall be subject to all limitations and conditions regarding both the

1 eligibility to participate and the extent of participation in any benefit offered under
 2 KRS 161.220 to 161.716 that apply to members providing full-time services;

3 (4) Notwithstanding any other provisions of this section to the contrary, instructional
 4 assistants who provide teaching services in the local school districts on a full-time
 5 basis in positions covered by the County Employees Retirement System who are
 6 used as substitute teachers on an emergency basis for five (5) days or less during
 7 any one (1) fiscal year shall not be considered members of the Teachers' Retirement
 8 System during that period in which they are serving as substitute teachers for five
 9 (5) days or less;

10 (5) The board of trustees may adopt a pro rata methodology to determine the annual
 11 compensation of members providing part-time and substitute services in order to
 12 determine benefits provided under KRS 161.661 and 161.663. Members providing
 13 part-time and substitute services who had retirement contributions posted to their
 14 accounts during the previous fiscal year and who have not had those contributions
 15 refunded to them are eligible to vote for the board of trustees;

16 (6) The board of trustees of the Teachers' Retirement System shall be responsible for
 17 final determination of membership eligibility and may direct employers to take
 18 whatever action that may be necessary to correct any error relating to membership;{
 19 and}

20 (7) Effective January 1, 2019, this section does not apply to any individual who
 21 retires on or after January 1, 2019, and is reemployed on or after January 1,
 22 2019; and

23 (8) The provisions of this section are not subject to KRS 161.714.

24 ➔Section 72. KRS 161.615 is amended to read as follows:

25 (1) The board of trustees is authorized to implement a limited defined contribution plan
 26 for the sole purpose of providing retirement allowance payments for retired
 27 members who have been approved by the retirement system for full-time

1 reemployment as provided in KRS 161.605.

2 (2) The defined contribution plan shall be administered separately from the regular
3 benefits provided for members of the retirement system, except that the
4 contributions to the plan shall be invested in the same manner as other contributions
5 to the retirement system.

6 (3) The provisions of this section apply only to those retired members who were
7 permitted to return to work under the critical shortage provisions of KRS
8 161.605(7) as they existed on June 30, 2002. The provisions of this section shall not
9 apply to any retired member returning to work on or after July 1, 2002.

10 (4) Separate member accounts shall be maintained for participants in this plan which
11 shall reflect the annual contributions made to the participant's account based on the
12 rates and interest levels specified in KRS 161.605.

13 (5) When the retiree's reemployment terminates, the total contributions and accrued
14 interest in the participant's account will be paid in a lump-sum payment or on an
15 actuarial straight life monthly basis to the retiree. If the member dies prior to
16 making application for a retirement allowance under this plan, the beneficiary
17 designated by the participant for this plan shall receive a refund of the funds in the
18 account. If there is a remaining balance in the account at the death of the participant
19 after retirement from this plan, it shall be paid to the beneficiary designated by the
20 participant for this benefit.

21 (6) Retired members shall be eligible to receive their retirement annuity when approved
22 for reemployment and participation in this plan. Service as a reemployed retiree
23 may not be used in any manner for credit under the regular retirement benefit plans
24 provided by the retirement system.

25 (7) Notwithstanding the provisions of subsections (1) to (6) of this section, any plan
26 established pursuant to this section shall, effective January 1, 2019, be closed to
27 any future employee or employer contributions.

➔Section 73. KRS 161.620 is amended to read as follows:

(1) The retirement allowance, in the form of a life annuity with refundable balance, of a member retiring for service shall be calculated as follows:

(a) For retirements effective July 1, 1998, and thereafter, except as otherwise provided by this section, the annual allowance for each year of service shall be two percent (2%) of the final average salary for service performed prior to July 1, 1983, and two and one-half percent (2.5%) of the final average salary for service performed after July 1, 1983, for all nonuniversity members~~[not employed by a state college or university]~~. The annual retirement allowance for each year of service performed by members of the Teachers' Retirement System who are university members~~[under the provisions of KRS 161.220(4)(b) or (n)]~~ shall be two percent (2%) of the final average salary. Actuarial discounts due to age or service credit at retirement may be applied as provided in this section;

(b) For individuals who become nonuniversity members of the ~~[Kentucky]~~ Teachers' Retirement System on or after July 1, 2002, and before July 1, 2008, ~~[except those persons who become members under KRS 161.220(4)(b) or (n), and]~~ who upon retirement have earned less than ten (10) full years of service credit, the retirement allowance shall be two percent (2%) of the member's final average salary for each year of service. For individuals who become nonuniversity members of the ~~[Kentucky]~~ Teachers' Retirement System on or after July 1, 2002, and before July 1, 2008~~[except those persons who become members under KRS 161.220(4)(b) or (n)]~~, and who upon retirement have earned at least ten (10) full years of service credit, the annual allowance for each year of service shall be two and one-half percent (2.5%) of the member's final average salary;

(c) The board of trustees may approve for members who initially retire on or after

July 1, 2004, and who become nonuniversity members before July 1, 2008~~;~~
~~except those persons who are members under KRS 161.220(4)(b) or (n)]~~, a
 retirement allowance of three percent (3%) of the member's final average
 salary for each year of service credit earned in excess of thirty (30) years.

This three percent (3%) factor shall be in lieu of the two and one-half percent
 (2.5%) factor provided for in paragraph (b) of this subsection for every year or
 fraction of a year of service in excess of thirty (30) years. Upon approval of
 this three percent (3%) retirement factor, the board of trustees may establish
 conditions of eligibility regarding the type of service credit that will qualify
 for meeting the requirements of this subsection. This subsection is optional
 with the board of trustees and shall not be subject to KRS 161.714;

(d) For individuals who become nonuniversity members of the ~~[Kentucky~~
~~]Teachers' Retirement System on or after July 1, 2008~~;~~~~~~except those persons~~
~~who become members under KRS 161.220(4)(b) or (n)]~~, the retirement
 allowance shall be:

1. a. One and seven-tenths percent (1.7%) of the member's final average
 salary for each year of service if the member has earned ten (10) or
 less years of service at retirement;
- b. Two percent (2%) of the member's final average salary for each
 year of service if the member has earned greater than ten (10) but
 no more than twenty (20) years of service at retirement;
- c. Two and three-tenths percent (2.3%) of the member's final average
 salary for each year of service if the member has earned greater
 than twenty (20) but no more than twenty-six (26) years of service
 at retirement; or
- d. Two and one-half percent (2.5%) of the member's final average
 salary for each year of service if the member has earned greater

1 than twenty-six (26) but no more than thirty (30) years of service at
2 retirement; and

3 2. Three percent (3%) of the member's final average salary for each year of
4 service earned in excess of thirty (30) years of service at retirement
5 subject to the same terms and conditions as set forth in paragraph (c)2.
6 of this subsection;

7 (e) For individuals who become university members of the ~~[Kentucky]~~ Teachers'
8 Retirement System on or after July 1, 2008~~[, who are members under KRS~~
9 ~~161.220(4)(b) or (n)]~~, the retirement allowance shall be:

10 1. One and one-half percent (1.5%) of the member's final average salary for
11 each year of service if the member has earned ten (10) or less years of
12 service at retirement;

13 2. One and seven-tenths percent (1.7%) of the member's final average
14 salary for each year of service if the member has earned greater than ten
15 (10) but no more than twenty (20) years of service at retirement;

16 3. One and eighty-five hundredths percent (1.85%) of the member's final
17 average salary for each year of service if the member has earned greater
18 than twenty (20) but less than twenty-seven (27) years of service at
19 retirement; or

20 4. Two percent (2%) of the member's final average salary for each year of
21 service if the member has earned twenty-seven (27) or more years of
22 service at retirement; and

23 (f) The retirement allowance of a member at retirement, as measured on a life
24 annuity, shall not exceed the member's last yearly salary or the member's final
25 average salary, whichever is the greater amount. For purposes of this section,
26 "yearly salary" means the compensation earned by a member during the most
27 recent period of contributing service, either consecutive or nonconsecutive,

1 preceding the member's effective retirement date and shall be subject to the
2 provisions of KRS 161.220(9) and (10).

3 (2) Effective July 1, 2002, and annually on July 1 thereafter, the retirement allowance
4 of each retired member and of each beneficiary of a retirement option shall be
5 increased in the amount of one and one-half percent (1.5%), provided the retired
6 member had been retired for at least the full twelve (12) months immediately
7 preceding the date that the increase is effective. In the event that the retired member
8 had been retired for less than the full twelve (12) months immediately preceding the
9 date that the increase is effective, then the increase shall be reduced on a pro rata
10 basis by each month that the retired member had not been retired for the full twelve
11 (12) months immediately preceding the effective date of the increase.

12 (3) Any member qualifying for retirement under a life annuity with refundable balance
13 shall be entitled to receive an annual allowance amounting to not less than four
14 hundred dollars (\$400) effective July 1, 2002, and not less than four hundred forty
15 dollars (\$440) effective July 1, 2003, multiplied by the service credit years of the
16 member. These minimums shall apply to the retired members receiving annuity
17 payments and to those members retiring on or subsequent to the effective dates
18 listed in this subsection, except the following:

- 19 (a) Individuals who become members of the Kentucky Teachers' Retirement
20 System on or after July 1, 2008; or
21 (b) Members whose retirement allowance payment is reduced below the
22 minimum allowance as a result of its division in a qualified domestic relations
23 order or any other provision permitted under KRS 161.700.

24 (4) The minimum retirement allowance provided in this section shall apply in the case
25 of members retired or retiring under an option other than a life annuity with
26 refundable balance in the same proportion to the benefits of the member and his
27 beneficiary or beneficiaries as provided in the duly-adopted option tables at the time

1 of the member's retirement.

2 (5) Effective July 1, 2008, the monthly allowance of each retired member and each
3 recipient of a retirement option of the retired member may be increased in an
4 amount not to exceed three and one-half percent (3.5%) of the monthly allowance in
5 effect the previous month, provided the retired member had been retired for at least
6 the full twelve (12) months immediately preceding the date that the increase is
7 effective. In the event that the retired member had been retired for less than the full
8 twelve (12) months immediately preceding the date that the increase is effective,
9 then the increase shall be reduced on a pro rata basis by each month that the retired
10 member had not been retired for the full twelve (12) months immediately preceding
11 the effective date of the increase. The level of increase provided for in this
12 subsection shall be determined by the funding provided in the 2008-2010 biennium
13 budget appropriation.

14 (6) Effective July 1, 2009, the monthly allowance of each retired member and each
15 recipient of a retirement option of the retired member may be increased in an
16 amount not to exceed seven-tenths of one percent (0.7%) of the monthly allowance
17 in effect the previous month, provided the retired member had been retired for at
18 least the full twelve (12) months immediately preceding the date that the increase is
19 effective. In the event that the retired member had been retired for less than the full
20 twelve (12) months immediately preceding the date that the increase is effective,
21 then the increase shall be reduced on a pro rata basis by each month that the retired
22 member had not been retired for the full twelve (12) months immediately preceding
23 the effective date of the increase. The level of increase provided for in this
24 subsection shall be determined by the funding provided in the 2008-2010 biennium
25 budget appropriation.

26 (7) Effective July 1, 1990, monthly payments of two hundred dollars (\$200) shall be
27 payable for the benefit of an adult child of a member retired for service when the

child's mental or physical condition is sufficient to cause dependency on the member at the time of retirement. Eligibility for this payment shall continue for the life of the child or until the time the mental or physical condition creating the dependency no longer exists or the child marries. Benefits under this subsection shall apply to legally adopted survivors provided the proceedings for the adoption were initiated at least one (1) year prior to the death of the member. The board of trustees shall be the sole judge of eligibility or dependency and may require formal application or information relating thereto.

(8) Members of the Teachers' Retirement System shall be subject to the annuity income limitations imposed by Section 415 of the Internal Revenue Service Code.

(9) Compensation in excess of the limitations imposed by Section 401(a)(17) of the Internal Revenue Code shall not be used in determining a member's retirement annuity. The limitation on compensation for eligible members shall not be less than the amount which was allowed to be taken into account by the retirement system in effect on July 1, 1993. For this purpose, an eligible member is an individual who was a member of the retirement system before the first plan year beginning after December 31, 1995.

(10) Effective January 1, 2019, subsections (1) to (7) of this section do not apply to individuals who become members of the Teachers' Retirement System on or after January 1, 2019.

➔Section 74. KRS 161.623 is amended to read as follows:

(1) Effective July 1, 1982, and thereafter, a district board of education or other employer of members of the Teachers' Retirement System may compensate, at the time of retirement for service, an active contributing member for unused sick-leave days in accordance with this section.

(2) Upon the member's application for service retirement, the employer shall certify the retiring member's unused accumulated sick-leave balance to the board of trustees of

1 the Kentucky Teachers' Retirement System. The member's sick-leave balance,
2 expressed in days, shall be divided by one hundred eighty-five (185) days to
3 determine the amount of service credit that may be considered for addition to the
4 member's retirement account for the purpose of determining the retirement
5 allowance under KRS 161.620, subject to the limitation of subsection (9)(a) of this
6 section. Notwithstanding any statute to the contrary, sick-leave credit that is
7 accredited under this section or by one (1) of the other state-administered retirement
8 systems shall not be used for the purpose of determining whether the member is
9 eligible to receive a retirement allowance from the Kentucky Teachers' Retirement
10 System.

11 (3) The board shall compute the cost to the retirement system of the sick-leave credit
12 for each retiring member and shall bill the last employer of the retiring member for
13 such cost. The employer shall pay the cost of such service credit to the retirement
14 system within fifteen (15) days after receiving notification of the cost from the
15 board.

16 (4) Retiring members who receive service credit under this section shall not be eligible
17 to receive compensation for accrued sick leave under KRS 161.155(10) or any other
18 statutory provision.

19 (5) Employer participation is optional and the employer may opt to purchase less
20 service credit than the member is eligible to receive provided the same percentage
21 of reduction is made applicable to all retiring members of the employer during a
22 school fiscal year.

23 (6) The board of trustees shall formulate and adopt necessary rules and regulations for
24 the administration of the foregoing provisions.

25 (7) Payments to the retirement system for service credit obtained under this section or
26 for compensation credit obtained under KRS 161.155(10) shall be based on the full
27 actuarial cost as defined in KRS 161.220(22).

(8) For an individual who becomes a member on or after July 1, 2008, the maximum amount of unused accumulated sick leave that may be considered for addition to the member's retirement account for purposes of determining the retirement allowance under KRS 161.620 shall not exceed three hundred (300) days or the amount specified by subsection (9)(a) of this section.

(9) Notwithstanding any other provision of KRS 161.220 to 161.716 to the contrary:

(a) The maximum amount of sick leave converted to additional service credit under the provisions of this section shall not exceed the service credit based upon the level of sick leave accumulated on December 31, 2018, by a member whose employer participates in the sick leave program authorized by this section; and

(b) On or after August 1, 2018, no employers may opt to participate in the sick leave program authorized by this section.

→ Section 75. KRS 161.630 is amended to read as follows:

(1) (a) An individual who became a member prior to January 1, 2019, upon retirement, shall receive a retirement allowance in the form of a life annuity, with refundable balance, as provided in KRS 161.620, unless an election is made before the effective date of retirement to receive actuarially equivalent benefits under options which the board of trustees approves.

(b) An individual who is participating in the hybrid cash balance plan as provided by Section 43 of this Act may, before the effective date of retirement, elect to receive his or her accumulated account balance annuitized into a monthly payment under one (1) of the actuarial equivalent payment options approved by the board of trustees.

(c) No option shall provide for a benefit with an actuarial value at the age of retirement greater than that provided in KRS 161.620 or subsection (7)(a) of Section 43 of this Act, as applicable. This section does not apply to disability

1 allowances as provided in KRS 161.661(1).

2 (2) The retirement option chosen by a retiree at the time of service retirement shall
3 remain in force unless the retiree became a member prior to January 1, 2019, and
4 elects to make a change under the following conditions:

5 (a) A divorce, annulment, or marriage dissolution following retirement shall, at
6 the election of the retiree, cancel any optional plan selected at retirement that
7 provides continuing benefits to a spousal beneficiary and return the retiree to a
8 single lifetime benefit equivalent as determined by the board; or

9 (b) Following marriage or remarriage, or the death of the designated beneficiary, a
10 retiree may elect a new optional plan of payment based on the actuarial
11 equivalent of a single lifetime benefit at the time of the election, as determined
12 by the board. The plan shall become effective the first of the month following
13 receipt of an application on a form approved by the board.

14 (3) Except as otherwise provided in this section, a beneficiary designation shall not be
15 changed after the effective date of retirement except for retirees who elect the life
16 annuity with refundable balance or the predetermined years certain and life
17 thereafter option. A member may remove a beneficiary at any time, but shall not
18 designate a substitute beneficiary. If a member elects to remove a beneficiary, the
19 member's retirement allowance shall not change regardless of the retirement option
20 selected by the member, even if the removed beneficiary predeceases the member.

21 (4) A member who experiences a qualifying event under subsection (2) of this section
22 and who elects a new optional plan of payment shall make that election within sixty
23 (60) days of the qualifying event.

24 ➔Section 76. KRS 161.655 is amended to read as follows:

25 (1) Effective July 1, 2000, the Teachers' Retirement System shall for those individuals
26 who became members prior to January 1, 2019:

27 (a) Provide a life insurance benefit in a minimum amount of five thousand dollars

1 (\$5,000) for its members who are retired for service or disability. This life
2 insurance benefit shall be payable upon the death of a member retired for
3 service or disability to the member's estate or to a party designated by the
4 member on a form prescribed by the retirement system; and

5 (b) Provide a life insurance benefit in a minimum amount of two thousand dollars
6 (\$2,000) for its active contributing members. This life insurance benefit shall
7 be payable upon the death of an active contributing member to the member's
8 estate or to a party designated by the member on a form prescribed by the
9 retirement system.

10 (2) The member may name one (1) primary and one (1) contingent beneficiary for
11 receipt of the life insurance benefit. To the extent permitted by the Internal Revenue
12 Code, a trust may be designated as beneficiary for receipt of the life insurance
13 benefit. Members may designate as beneficiaries only presently identifiable and
14 existing individuals, or trusts where otherwise permitted, without contingency
15 instructions, on forms prescribed by the retirement system. In the event that a
16 member fails to designate a beneficiary, or all designated beneficiaries predecease
17 the member, the member's estate shall be deemed to be the beneficiary. Any
18 beneficiary designation made by the member, including the estate should the estate
19 become the beneficiary by default, shall remain in effect until changed by the
20 member on forms prescribed by the retirement system, except in the event of
21 subsequent marriage or divorce. A valid marriage license shall terminate any
22 previously designated beneficiary, even that of a trust, and establish the spouse as
23 beneficiary unless, subsequent proof of the marriage, the member or retired member
24 redesignates someone other than the new spouse as the beneficiary. A final divorce
25 decree shall terminate the beneficiary status of an ex-spouse unless, subsequent to
26 divorce, the member redesignates the former spouse as a beneficiary. A final
27 divorce decree shall not terminate the designation of a trust as beneficiary regardless

1 of who is designated as beneficiary of the trust.

2 (3) Application for payment of life insurance proceeds shall be made to the Teachers'
3 Retirement System together with acceptable evidence of death and eligibility. The
4 reciprocal provisions of KRS 61.680(2)(a) shall not apply to the coverage and
5 payment of proceeds by the life insurance benefit under this section.

6 (4) Suit or civil action shall not be required for the collection of the proceeds of the life
7 insurance benefit provided for by this section, but nothing in this section shall
8 prevent the maintenance of suit or civil action against the beneficiary or legal
9 representative receiving the proceeds of the life insurance benefit.

10 (5) Upon the death of a member of the Teachers' Retirement System, the life insurance
11 provided pursuant to subsection (1) of this section may be assigned by the
12 designated beneficiary to a bank or licensed funeral home.

13 ➔Section 77. KRS 161.661 is amended to read as follows:

14 (1) Any member who has completed five (5) or more years of accredited service in the
15 public schools of Kentucky after July 1, 1941, may retire for disability and be
16 granted a disability allowance if found to be eligible as provided in this section.
17 Application for disability benefits shall be made within one (1) year of the last
18 contributing service in Kentucky, and the disability must have occurred during the
19 most recent period of employment in a position covered by the Teachers' Retirement
20 System and subsequent to the completion of five (5) years of teaching service in
21 Kentucky. A disability occurring during the regular vacation immediately following
22 the last period of active service in Kentucky or during an official leave for which
23 the member is entitled to make regular contributions to the retirement system, shall
24 be considered as having occurred during a period of active service. The annual
25 disability allowance shall be equal to sixty percent (60%) of the member's final
26 average salary. Individuals who became members prior to January 1, 2019, who
27 have~~[with]~~ twenty-seven (27) or more years of service credit are eligible for service

retirement only. Individuals who become members on or after January 1, 2019, who have met the requirements of subsection (6)(b) of Section 43 of this Act shall be eligible for service retirement only.

(2) The provisions of KRS 161.520, 161.525, and subsections (3), (4), and (5) of this section shall not apply to disability retirees whose benefits were calculated on the service retirement formula nor to survivors of these members.

(3) Members shall earn one (1) year of entitlement to disability retirement, at sixty percent (60%) of the member's final average salary, for each four (4) years of service in a covered position, but any member meeting the service requirement for disability retirement shall be credited with no less than five (5) years of eligibility.

(4) A member retired by reason of disability shall continue to earn service credit at the rate of one (1) year for each year retired for disability. This service shall be credited to the member's account at the expiration of entitlement as defined in subsection (3) of this section, or when the member's eligibility for disability benefits is terminated upon recommendation of a medical review committee, and this service shall be used in calculating benefits as provided in subsection (5) of this section, but under no circumstances shall this service be used to provide the member with more than twenty-seven (27) years of total service credit or the level of service credit needed to meet the requirements of subsection (6)(b) of Section 43 of this Act, as applicable. The service credit shall be valued at the same level as service earned by active members as provided under KRS 161.600, ~~and~~ 161.620, or Section 43 of this Act, as applicable. Members participating in the hybrid cash balance plan as provided by Section 43 of this Act shall also be credited with employer credits and interest credits for each year of service earned under the provisions of this subsection based upon the salary in which the last employer credit was paid. Payments during the entitlement period as specified by subsection (3) of this section shall not reduce the accumulated account balance of a member

1 participating in the hybrid cash balance plan.

2 (5) Any member retired by reason of disability and remaining disabled at the expiration
 3 of the entitlement period shall have his disability benefits recalculated using the
 4 service retirement formula with service credit and any additional accumulated
 5 account balance earned as set out in subsection (4) of this section. For persons
 6 who became members prior to January 1, 2019, the retirement allowance shall be
 7 calculated as set forth in KRS 161.620, except that those persons less than sixty
 8 (60) years of age shall be considered as sixty (60) years of age. For persons who
 9 become members on or after January 1, 2019, the retirement allowance or benefit
 10 shall be calculated as set forth in Section 43 of this Act, except that those persons
 11 less than age sixty-five (65) shall be considered as sixty-five (65) years of age.

12 Members having their disability benefits recalculated under this subsection shall not
 13 be entitled to a benefit based upon an average of their three (3) highest salaries as
 14 set forth in KRS 161.220(9), unless approved otherwise by the board of trustees.

15 (6) Members who have their disability retirement allowance recalculated at the
 16 expiration of the entitlement period shall continue to have coverage under the post-
 17 retirement medical insurance program. Restrictions on employment shall remain in
 18 effect until the member attains age seventy (70) or until the member's eligibility is
 19 discontinued. KRS 161.520 and 161.525 shall not apply to survivors of disability
 20 retirees whose retirement allowances have been recalculated at the expiration of the
 21 entitlement period. Members who have their disability retirement allowance
 22 recalculated at the expiration of their entitlement period shall be entitled to a
 23 minimum monthly allowance of five hundred dollars (\$500) as the basic straight life
 24 annuity. The minimum allowance shall be effective July 1, 1992, and shall apply to
 25 those members who have had their allowance recalculated prior to that date and to
 26 disability retirees who will have their benefit allowance recalculated on or after that
 27 date.

- 1 (7) Effective July 1, 1992, members retired for disability prior to July 1, 1964, shall be
 2 entitled to a minimum monthly allowance of five hundred dollars (\$500) as their
 3 basic straight life annuity and their surviving spouse shall be eligible for survivor
 4 benefits as provided in KRS 161.520(1)(a) and (b).
- 5 (8) Any member retired by reason of disability may voluntarily waive disability benefits
 6 and return to teaching or any individual who became a member prior to January 1,
 7 2019, who is age sixty (60) years or older, may elect to waive disability benefits and
 8 retire for service on the basis of service credited to the member on the effective date
 9 of the disability retirement, or any individual who becomes a member on or after
 10 January 1, 2019, who is sixty-five (65) years of age or older, may elect to waive
 11 disability benefits and retire for service on the basis of his or her accumulated
 12 account balance and service credited to the member on the effective date of
 13 disability retirement.
- 14 (9) In order to qualify for retirement by reason of disability a member must suffer from
 15 a physical or mental condition presumed to be permanent in duration and of a nature
 16 as to render the member incapable of being gainfully employed in a covered
 17 position. The incapability must be revealed by a competent examination by a
 18 licensed physician or physicians and must be approved by a majority of a medical
 19 review committee.
- 20 (10) A member retired by reason of disability shall be required to undergo periodic
 21 examinations at the discretion of the board of trustees to determine whether the
 22 disability allowance shall be continued. When examination and recommendation of
 23 a medical review committee indicate the disability no longer exists, the allowance
 24 shall be discontinued.
- 25 (11) Eligibility for payment shall begin on the first day of the month following receipt of
 26 the application in the Teachers' Retirement System office, or the first of the month
 27 next following the last payment of salary or sick leave benefits by the employer,

1 whichever is the later date.

- 2 (12) No person who receives a disability allowance may be employed in a position that
3 entails duties or qualification requirements similar to positions subject to
4 participation in the retirement system either within or without the State of
5 Kentucky. So doing shall constitute a misdemeanor and shall result in loss of the
6 allowance from the first date of this service. A member who applies for and is
7 approved for disability retirement on or after July 1, 2002, and whose annual
8 disability benefit is less than forty thousand dollars (\$40,000) may earn income in
9 any occupation other than covered employment only to the extent that the annual
10 income from the other employment when added to the annual disability benefit does
11 not exceed forty thousand dollars (\$40,000). For any member who exceeds this
12 limit as a result of income from other employment, the Kentucky Teachers'
13 Retirement System shall reduce the member's disability benefit on a dollar-for-
14 dollar basis for each dollar that the member's combined annual disability benefit and
15 annual income from other employment exceeds forty thousand dollars (\$40,000).
16 The board of trustees may annually increase the forty thousand dollar (\$40,000)
17 limit by the percentage increase in the annual average of the consumer price index
18 for all urban consumers for the most recent calendar year as published by the
19 Federal Bureau of Labor Statistics, not to exceed five percent (5%).
- 20 (13) All members who applied for disability retirement before July 1, 2002, and were
21 approved as a result of that application shall be subject to the income limitations as
22 they existed on June 30, 2002, until July 1, 2006. Effective July 1, 2006, the twenty-
23 seven thousand dollar (\$27,000) limitation shall be increased to forty thousand
24 dollars (\$40,000) and may be adjusted by the board of trustees by the consumer
25 price index in the manner described in subsection (12) of this section. The recipient
26 of a disability allowance who engages in any gainful occupation other than covered
27 employment must make a report of the duties involved, compensation received, and

1 any other pertinent information required by the board of trustees.

2 (14) The board of trustees shall designate medical review committees, each consisting of
3 three (3) licensed physicians. A medical review committee shall pass upon all
4 applications for disability retirement and upon all applicant statements, medical
5 certifications, and examinations submitted in connection with disability
6 applications. The disposition of each case shall be recommended by a medical
7 review committee in writing to the retirement system. Members of a medical review
8 committee shall follow administrative regulations regarding procedures as the board
9 of trustees may enact and shall be paid reasonable fees and expenses as authorized
10 by the board of trustees in compliance with the provisions of KRS 161.330 and
11 161.340. The retirement system may secure additional medical examinations and
12 information as it deems necessary. A member may appeal any final agency decision
13 denying his or her disability retirement application pursuant to the provisions of
14 KRS 161.250(2).

15 (15) A disability may be presumed to be permanent if the condition creating the
16 disability may be reasonably expected to continue for one (1) year or more from the
17 date of application for disability benefits.

18 (16) Any member who has voluntarily waived disability benefits or whose disability
19 benefits have been discontinued on recommendation of a medical review
20 committee, may apply for reinstatement of disability benefits. The application for
21 reinstatement must be made to the retirement system within twelve (12) months of
22 the date disability benefits terminated. If the termination of benefits were voluntary,
23 the reinstatement may be made without medical examination if application is made
24 within three (3) months of the termination date. Other applications for reinstatement
25 will be processed in the same manner as new applications for benefits.

26 (17) No person who is receiving disability benefits under this section may be employed
27 in a position which qualifies the person for membership in a retirement system

1 financed wholly or in part with public funds. Employment in a position prohibited
2 by this subsection shall result in disqualification for those disability benefits from
3 the date of employment in the prohibited position.

4 (18) Any person who is receiving benefits and becomes disqualified from receiving
5 those benefits under this section, or becomes disqualified from receiving a portion
6 of those benefits due to income from other than covered employment, shall
7 immediately notify the Teachers' Retirement System of this disqualification in
8 writing and shall return all benefits paid after the date of disqualification. Failure to
9 comply with these provisions shall create an indebtedness of that person to the
10 Teachers' Retirement System. Interest at the rate of eight percent (8%) per annum
11 shall be charged if the debt is not repaid within sixty (60) days after the date of
12 disqualification. Failure to repay this debt creates a lien in favor of the Teachers'
13 Retirement System upon all property of the person who improperly receives benefits
14 and does not repay those benefits. The Kentucky Teachers' Retirement System may,
15 in order to collect an outstanding debt, reduce or terminate any benefit that a
16 member is otherwise entitled to receive.

17 ➔Section 78. KRS 161.650 is amended to read as follows:

18 (1) In the case of death of a member who has retired by reason of service or disability,
19 any portion of the member's accumulated contributions, including member
20 contributions to the state accumulation fund and regular interest to the date of
21 retirement, that has not, and will not be paid as an allowance or benefit shall be paid
22 to the member's beneficiary in such manner as the board of trustees elects.

23 (2) The member may designate a primary beneficiary or two (2) or more cobeneficiaries
24 to receive any remaining accumulated member contributions payable under this
25 section. A contingent beneficiary may be designated in addition to the primary
26 beneficiary or the cobeneficiaries. The member may designate two (2) or more
27 contingent beneficiaries. To the extent permitted by the Internal Revenue Code, a

trust may be designated as beneficiary for receipt of any remaining *funds of the member's* accumulated ~~{member}~~ contributions. Members may designate as beneficiaries only presently identifiable and existing individuals, or trusts where otherwise permitted, without contingency instructions, on forms prescribed by the retirement system. Cobeneficiaries shall be composed of a single class of individuals, or trusts where permitted, who will share in equal proportions in any payment that may become available under this section. Any beneficiary designation made by the member shall remain in effect until changed by the member on forms prescribed by the retirement system, except in the event of subsequent divorce. A final divorce decree shall terminate the beneficiary status of an ex-spouse unless, subsequent to divorce, the member redesignates the former spouse as a beneficiary. A final divorce decree shall not terminate the designation of a trust as beneficiary regardless of who is designated as beneficiary of the trust. In the event that the member fails to designate a beneficiary or all designated beneficiaries predecease the member, any remaining accumulated member contributions shall be payable to the member's estate.

➔Section 79. KRS 161.700 is amended to read as follows:

- (1) Except as otherwise provided by this section and KRS 161.655(5), the right of a member to a retirement allowance and to the return of contributions, any benefit or right accrued or accruing to any person under KRS 161.220 to 161.716, and the money in the various funds established pursuant to KRS 161.220 to 161.716 are hereby exempt from any state or municipal tax, and shall not be subject to execution, garnishment, attachment, or other process, and shall not be assigned.
- (2) Notwithstanding subsection (1) of this section, retirement benefits accrued or accruing to any person under this retirement system on or after January 1, 1998, shall be subject to the tax imposed by KRS 141.020, to the extent provided in KRS 141.010 and 141.0215.

- 1 (3) Retirement allowance, disability allowance, accumulated account
 2 balance~~[contributions]~~, or any other benefit under the retirement system shall not be
 3 classified as marital property pursuant to KRS 403.190(1), except to the extent
 4 permitted under KRS 403.190(4). Retirement allowance, disability allowance,
 5 accumulated contributions, or any other benefit under the retirement system shall
 6 not be considered as an economic circumstance during the division of marital
 7 property in an action for dissolution of marriage pursuant to KRS 403.190(1)(d),
 8 except to the extent permitted under KRS 403.190(4).
- 9 (4) Qualified domestic relations orders issued by a court or administrative agency shall
 10 be honored by the retirement system if:
- 11 (a) The benefits payable pursuant to the order meet the requirements of a
 12 qualified domestic relations order as provided by 26 U.S.C. sec. 414(p). The
 13 retirement system shall follow applicable provisions of 26 U.S.C. sec. 414(p)
 14 in administering qualified domestic relations orders;
- 15 (b) The order meets the requirements established by the retirement system and by
 16 subsections (4) to (12) of this section. The board of trustees of the retirement
 17 system shall establish the requirements, procedures, and forms necessary for
 18 the administration of qualified domestic relations order by promulgation of
 19 administrative regulations in accordance with KRS Chapter 13A; and
- 20 (c) The order is on the form established by the retirement system pursuant to the
 21 retirement system's authority provided under paragraph (b) of this subsection.
- 22 (5) A qualified domestic relations order shall not:
- 23 (a) Require the retirement system to take any action not authorized under state or
 24 federal law;
- 25 (b) Require the retirement system to provide any benefit, allowance, or other
 26 payment not authorized under state or federal law;
- 27 (c) Grant or be construed to grant the alternate payee any separate right, title, or

1 interest in or to any retirement benefit other than to receive payments from the
 2 participant's account in accordance with the administrative regulations
 3 promulgated by the system and as provided by subsections (4) to (12) of this
 4 section; or

5 (d) Grant any separate interest to any person other than the participant.

6 (6) Any qualified domestic relations order submitted to the retirement system shall
 7 specify the dollar amount or percentage amount of the participant's benefit to be
 8 paid to the alternate payee. In calculating the amount to be paid to the alternate
 9 payee, the court or administrative agency that is responsible for issuing the order
 10 shall follow the requirements set forth in the administrative regulations promulgated
 11 by the board of trustees. Notwithstanding any other statute to the contrary, the board
 12 shall not be required to honor a qualified domestic relations order that does not
 13 follow the requirements set forth in the administrative regulations promulgated by
 14 the board of trustees.

15 (7) If the qualified domestic relations order meets the requirements established by the
 16 system and by subsections (4) to (12) of this section, payments to the alternate
 17 payee shall be distributed under the following conditions:

18 (a) If the participant is retired and is receiving a monthly retirement
 19 allowance~~[benefit]~~, the month following the date the retirement system
 20 receives a qualified domestic relations order that complies with the
 21 administrative regulations promulgated by the retirement system and
 22 subsections (4) to (12) of this section; or

23 (b) If the participant is not retired, the month of the participant's effective
 24 retirement date in which the first retirement allowance is payable to the
 25 participant or the month in which the participant receives a refund of his or
 26 her accumulated account balance~~[contributions]~~ as provided by KRS
 27 161.470(6).

- 1 (8) An alternate payee's benefits and rights under a qualified domestic relations order
2 shall terminate upon the earlier of:
- 3 (a) The death of the participant;
- 4 (b) The death of the alternate payee; or
- 5 (c) The termination of benefits to the participant under any provision of KRS
6 161.220 to 161.716.
- 7 (9) An alternate payee shall not receive a monthly payment under a qualified domestic
8 relations order if the participant is not receiving a monthly retirement allowance.
- 9 (10) The cost of living adjustment provided to the participant pursuant to KRS 161.620
10 shall be divided between the participant and alternate payee in a qualified domestic
11 relations order as follows:
- 12 (a) If the order specifies the alternate payee is to receive a percentage of the
13 participant's benefit, then the cost of living adjustment shall be divided
14 between the participant and the alternate payee based upon the percentage of
15 the total benefit each is receiving upon the participant's retirement or upon the
16 date the order is approved by the retirement system, whichever is later; or
- 17 (b) If the order specifies that the alternate payee is to receive a set dollar amount
18 of the participant's benefit, then the order shall specify that:

11 ➔Section 85. KRS 61.598 is amended to read as follows:

12 (1) For purposes of this section, "bona fide promotion or career advancement":

13 (a) Means a professional advancement in substantially the same line of work held
 14 by the employee in the four (4) years immediately prior to the final five (5)
 15 fiscal years preceding retirement or a change in employment position based on
 16 the training, skills, education, or expertise of the employee that imposes a
 17 significant change in job duties and responsibilities to clearly justify the
 18 increased compensation to the member; and

19 (b) Does not include any circumstance where an elected official participating in
 20 the Kentucky Employees Retirement System or the County Employees
 21 Retirement System takes a position of employment with a different employer
 22 participating in any of the state-administered retirement systems.

23 (2) (a) For employees retiring from the Kentucky Employees Retirement System, the
 24 County Employees Retirement System, or the State Police Retirement System
 25 on or after January 1, 2018, the systems shall, for each of the retiring
 26 employee's last five (5) fiscal years of employment, identify any fiscal year in
 27 which the creditable compensation increased at a rate of ten percent (10%) or

1 more annually over the immediately preceding fiscal year's creditable
2 compensation. The employee's creditable compensation in the fiscal year
3 immediately prior to the employee's last five (5) fiscal years of employment
4 shall be utilized to compare the initial fiscal year in the five (5) fiscal year
5 period.

6 (b) Except as limited or excluded by subsections (3) and (4) of this section, any
7 amount of increase in creditable compensation for a fiscal year identified
8 under paragraph (a) of this subsection that exceeds ten percent (10%) more
9 than the employee's creditable compensation from the immediately preceding
10 fiscal year shall not be included in the creditable compensation used to
11 calculate the retiring employee's monthly retirement allowance. If the
12 creditable compensation for a specific fiscal year identified under paragraph
13 (a) of this subsection as exceeding the ten percent (10%) increase limitation is
14 not used to calculate the retiring employee's monthly retirement allowance,
15 then no reduction in creditable compensation shall occur for that fiscal year.

16 (c) If the creditable compensation of the retiring employee is reduced as provided
17 by paragraph (b) of this subsection, the retirement systems:

- 18 1. Shall refund the employee contributions and interest attributable to the
19 reduction in creditable compensation; and
- 20 2. Shall not refund the employer contributions paid but shall utilize those
21 funds to pay down the unfunded liability of the pension fund in which
22 the retiring employee participated.

23 (3) In order to ensure the prospective application of the limitations on increases in
24 creditable compensation contained in subsection (2) of this section, only the
25 creditable compensation earned by the retiring employee on or after July 1, 2017,
26 shall be subject to reduction under subsection (2) of this section. Creditable
27 compensation earned by the retiring employee prior to July 1, 2017, shall not be

1 subject to reduction under subsection (2) of this section.

2 (4) Subsection (2) of this section shall not apply to:

3 (a) A bona fide promotion or career advancement as defined by subsection (1) of
4 this section;

5 (b) A lump-sum payment for compensatory time paid to an employee upon
6 termination of employment;

7 (c) A lump-sum payment made pursuant to an alternate sick leave program under
8 KRS 78.616(5) that is paid to an employee upon termination of employment;

9 (d) Increases in creditable compensation in a fiscal year over the immediately
10 preceding fiscal year, where in the immediately preceding fiscal year the
11 employer reported the employee as being on leave without pay for any reason,
12 including but not limited to sick leave without pay, maternity leave, leave
13 authorized under the Family Medical Leave Act, and any period of time where
14 the employee received workers' compensation benefit payments that were not
15 reported to the plan as creditable compensation;

16 (e) Increases in creditable compensation directly attributable to an employee's
17 receipt of compensation for overtime hours worked while serving as a
18 participating employee under any state or federal grant, grant pass-through, or
19 similar program that requires overtime as a condition or necessity of the
20 employer's receipt of the grant; and

21 (f) Increases in creditable compensation directly attributable to an employee's
22 receipt of compensation for overtime performed during a state of emergency
23 declared by the President of the United States or the Governor of the
24 Commonwealth of Kentucky.

25 (5) (a) For employees retiring on or after January 1, 2014, but prior to July 1, 2017,
26 the last participating employer shall be required to pay for any additional
27 actuarial costs resulting from annual increases in an employee's creditable

1 compensation greater than ten percent (10%) over the employee's last five (5)
2 fiscal years of employment that are not the direct result of a bona fide
3 promotion or career advancement. The cost shall be determined by the
4 retirement systems.

5 (b) Lump-sum payments for compensatory time paid to an employee upon
6 termination of employment shall be exempt from this subsection.

7 (c) Kentucky Retirement Systems shall be required to answer inquiries from
8 participating employers regarding this subsection. Upon request of the
9 employer prior to the employee's change of position or hiring, the systems
10 shall make a determination that is binding to the systems as to whether or not
11 a change of position or hiring constitutes a bona fide promotion or career
12 advancement.

13 (d) For any additional actuarial costs charged to the employer under this
14 subsection, the systems shall allow the employer to pay the costs without
15 interest over a period of one (1) year from the date of receipt of the employer's
16 final invoice.

17 (6) The Kentucky Retirement Systems shall determine whether increases in creditable
18 compensation during the last five (5) fiscal years of employment prior to retirement
19 constitute a bona fide promotion or career advancement and may promulgate
20 administrative regulations in accordance with KRS Chapter 13A to administer this
21 section. All state-administered retirement systems shall cooperate to implement this
22 section.

23 (7) Any employer who disagrees with a determination made by the system in
24 accordance with this section regarding whether an increase in compensation
25 constitutes a bona fide promotion or career advancement for purposes of subsection
26 (5) of this section may request a hearing and appeal the decision in accordance with
27 KRS 61.645(16).

(8) For the fiscal year beginning July 1, 2017, and subsequent years, the Kentucky Retirement Systems shall provide a means for employers to separately report the specific exceptions provided in subsection (4) of this section within the reporting system utilized by the employers for making employer reports under KRS 16.645, 61.675, and 78.545. The Kentucky Retirement Systems shall continually provide communication, instructions, training, and educational opportunities for employers regarding how to appropriately report exemptions established by subsection (4) of this section.

(9) This section shall not apply to employees participating in the hybrid cash balance plan as provided by KRS 16.583 and 61.597 or to service in the 401(a) money purchase plan as provided by Section 12 of this Act.

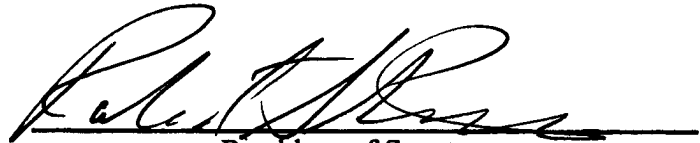

➔Section 86. Pursuant to the Public Pension Oversight Board's authority under KRS 7A.260, the board shall establish an advisory committee to study the benefits and drawbacks of separating the County Employees Retirement System from the Kentucky Retirement Systems or restructuring the administration of the systems administered by the Kentucky Retirement Systems. The advisory committee shall submit recommendations to the Public Pension Oversight Board no later than December 1, 2019.
